Library OF Things

BORROW GAMES, EQUIPMENT
AND MORE!

COMING SOON!

Why buy when you can check out for free? The Library of Things is a unique collection of non-traditional items such as electronics, toys, games, science kits, musical instruments and more. The Library of Things expands the boundaries of traditional collection and evolves from the current lending model. As our community grows more diverse in terms of needs and demands, the Library of Things naturally takes us to the next level of library services.
