

TeenMaker Lab @ Main

TeenMaker Lab's mission is to the development assets of tweens and teens through programs that will engage them in making, crafting, creating, designing, coding, engineering, and more. TeenMaker Lab also provides students space and equipment to express their creativity, strengthen their science skills, and prepare them for their career of choice.

TeenMaker Mondays (Tweens/Teens): Make Mondays majestic by making mindful and masterful crafts!

Every Monday, starting February 14, 4:00 - 6:00 pm

Teens Stream (Tweens/Teens): Learn how to stream like your favorite online personalities! Learn the basics of online broadcasting as you play games and share you expertise.

Every other Monday, starting February 14, 6:00 - 8:00 pm

Magical Mystery Science Lab (Tweens & Teens): Join us as we experiment, code, tinker and engineer! Drop in and see what we will explore next!

Every other Thursday, starting February 3, 3:00 - 5:00 pm

Teen Media Makers (Tweens/Teens): Are you a content creator? Join Teen Media Makers to learn innovative techniques for creating and marketing short videos.

Every Friday, starting February 4, 3:00 - 5:00 pm
