Thanks to our Library Liason, Lyzbeth Beltran-Jones, we now have two very distinctive logos to use when advertising FOSAPL!

In 2022, thanks to the *Memorial Fund of Wayne Pompeo*, FOSAPL was able to provide scholarships for the **CAREER ON LINE HIGH SCHOOL** at our own library.

Our first 4 graduates were celebrated last Spring with a promotion ceremony and dinner, as well as being presented at the Santa Ana City Council Meeting. Congratulations to Jonathan Bettencourt, Stephanie Garcia, Alejandro Gudiel and Cindy Martin!

We have three more students currently active in the program. And 4 additional scholarships are available. If you, or someone you know is interested in this on line opportunity that comes with "live" support, please contact omorphew@santa-ana.org

Foundation

As of February 20, 2023, AMAZON will be dropping their AMAZONSMILE program.

The company feels that, after almost a decade, the program has not grown to create the impact that they had originally hoped. As a company, they will continue supporting a wide range of charities and communities.

THANK YOU! to those of you who have so loyally supported FOSAPL with your Amazon purchases. **Items purchased before February 20, 2023 are still eligible!!**
