FY 19-20 Fee:           None  
Adopted Fee:           \$2,508.32

SAMC Sec. 41-647 provides for entitlement extensions up to three years from the original two-year expiration time-frames. Extension requests must be considered by the City Council, which requires preparation of an RFCA and staff time. This fee reflects staff time spent preparing the RFCA for City Council consideration.

2. Historic Register Removal/Demolition

FY 19-20 Fee:           None  
Adopted Fee:           \$5,739.81

SAMC Sec. 3-7 provides for requests to demolish properties on the historic register. 3. Water Capacity Fees

FY 19-20 Fee:           None  
Adopted Fee:           See table

<b>Meter Size</b>	<b>Calculated Capacity Fee</b>
5/8"	\$930
3/4"	\$1,395

2"	\$7,440
3"	\$16,275
4"	\$27,900
6"	\$62,775

This new impact fee was a recommendation of the 2019 Water, Recycled Water, & Sewer Rate Study, and will be charged to all new developments where a connection to the City's water system will be established. There is currently no fee for this procedure within the Water Resources Division. This differs from the "Install New Water Service Meter" fee in that it is designed to fund the entirety of the water delivery infrastructure, not just the water meter hardware. The fees shown in the table below are calculated based on the demand the customer will place on the system, which is measured by size of the customer's water meter.

RESOLUTION NO. 2020-053

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
SANTA ANA ESTABLISHING A UNIFORM SCHEDULE OF  
MISCELLANEOUS FEES FOR FISCAL YEAR 2020-2021

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA ANA AS  
FOLLOWS:

Section 1: The City Council hereby finds, determines and declares as follows:

- A. Each year, for the convenience of the public, the City Council gathers in a single document a comprehensive listing of fees and service charges imposed by the City upon those persons seeking services of value from the City.
- B. This document is known as the "Miscellaneous Fee Schedule" for Fiscal Year 2020-2021 and is on file at the Clerk of the Council office, and incorporated by this reference.
- C. As part of approving the Miscellaneous Fee Schedule for Fiscal Year 2020-2021, the various agencies of the City have analyzed the cost to administer the various programs, activities and applications for which the City imposes fees or service charges.
- D. In certain circumstances, agencies have determined that the cost to the City to process or undertake the services set forth in the Miscellaneous Fee Schedule has increased over the prior fiscal year by approximately 3.67%, so that certain proposed fees for Fiscal Year 2020-2021 have been increased by this percentage, or by this amount rounded. This percentage reflects the change in the Consumer Price Index-All Urban Consumers Component for the Los Angeles-Riverside-Orange County area (CPI) in a twelve-month period ending December 31, 2019.
- E. The Council finds that the cost of providing the services set forth in the Miscellaneous Fee Schedule has risen by 3.67% and that this reflects the cost of administering certain programs, activities or applications for which the City levies charges, fees or service charges. Such 3.67% increase does not exceed the City's estimated reasonable cost to provide the pertinent service, process the specified application or administer the certain program for which the charge, fee or service charge is imposed. Similarly, in a few limited circumstances, agencies have determined that the fee should be deleted; new charges should be added or modified; or, existing charges raised beyond this 3.67%. Such charges are listed in the 'Proposed New Miscellaneous

Fees' and 'Proposal to Modify Existing Fees', attached to the staff report submitted for this matter and made a part hereof by this reference.

- F. In order to have a single comprehensive document for Fiscal Year 2020-2021, the majority of fees which are unchanged have simply been reprinted in the Miscellaneous Fee Schedule. The Council expressly states that it is not its intention to repeal previously adopted fees and adopt new fees of exactly the same amount, but is simply repeating these fees so that the Miscellaneous Fee Schedule can continue to be a comprehensive source of City fees and service charges.
- G. In each of these cases, the Council finds, determines and declares that such new or increased charges, fees or service charges do not exceed the City's estimated reasonable cost to provide the pertinent service, process the specified application or administer the certain program for which the charge, fee or service charge is imposed.
- H. Based upon the testimony, reports and other evidence submitted on this matter, this City Council makes the above-specified findings.

Section 2: The Miscellaneous Fee Schedule for Fiscal Year 2020-2021 is hereby adopted. Each fee or service charge set forth shall be levied until further resolution of this Council.

Section 3: To the extent that any fee or service charge established pursuant to City Resolution No. 2019-038 is inconsistent with the fees or service charges established pursuant to this Resolution, then said Resolution No. 2019-038 is hereby repealed.

Section 4: If any charge, fee, service charge, section, subsection, sentence, clause, phrase or word of this Resolution is for any reason held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Resolution. The City Council hereby declares that it would have passed and adopted this Resolution, and each and all provisions hereof, irrespective of the fact that one or more provisions may be declared invalid.

Section 5: This Resolution shall be operative from and after July 1, 2020.

ADOPTED this 18<sup>th</sup> day of June, 2020.
