## **Planning and Building Agency**

### 1. Project and Environmental Contract Administration

Existing Name: 10% of Consultant Fee (for Environmental Impact Report and Negative Declaration)

Existing Fee: 10%

Proposed Fee: 15%

Account: 05316002-53607 Project and Environmental Contracts – Consultant (At Cost)

01116002-53607 Project and Environmental Contracts Administration (15% of Consultant Fee)

For planning projects that require consultant services, the City current charges a 10-percent environmental contract administration fee, which is 10% of the consultant's full contract price for development projects. The proposed Project and Environmental Contract Administration Fee would replace the current fee with a 15-percent fee, which is the percentage of staff time to process these services and is more consistent with other large jurisdictions and would broaden the scope of the fee to cover other contractual services, such as legal services hired by the City for specific development projects. The average development project amount is \$30,000. In-house fees would remain the same and will not be affected.

### 2. Microfilm Records

Existing Account: 51601

Proposed Account: 57770

This modification is to change the account for Microfilm Records to 57770 (sale of maps/documents) to better track revenue collected for copies and sales of documents.

## RESOLUTION NO. 2021-027

## A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA ANA ESTABLISHING A UNIFORM SCHEDULE OF MISCELLANEOUS FEES FOR FISCAL YEAR 2021-2022

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA ANA AS FOLLOWS:

Section 1: The City Council hereby finds, determines and declares as follows:

- A. Each year, for the convenience of the public, the City Council gathers in a single document a comprehensive listing of fees and service charges imposed by the City upon those persons seeking services of value from the City.
- B. This document is known as the "Miscellaneous Fee Schedule" for Fiscal Year 2021-2022 and is on file at the Clerk of the Council office, and incorporated by this reference.
- C. As part of approving the Miscellaneous Fee Schedule for Fiscal Year 2021-2022, the various agencies of the City have analyzed the cost to administer the various programs, activities and applications for which the City imposes fees or service charges.
- D. On an annual basis, fees and related services associated with the Miscellaneous Fee Resolution are reviewed and adjusted to reflect the City's costs in delivering the services. On March 16, 2021, the City Council directed staff to waive the Consumer Price Index-All Urban Consumers Component for the Los Angeles-Riverside-Orange County area (CPI) increase of 1.67% to the Miscellaneous Fees for Fiscal Year 2021-2022. Furthermore, each city department has confirmed that the actual cost of providing the service does not exceed the proposed fees for Fiscal Year 2021-2022.
- E. In a few limited circumstances, agencies have determined that the fee should be deleted; new charges should be added or modified; or, existing charges raised. Such charges are listed in the 'Proposed New Miscellaneous Fees' and 'Proposal to Modify Existing Fees', attached to the staff report submitted for this matter and made a part hereof by this reference.
- F. In order to have a single comprehensive document for Fiscal Year 2021-2022, the majority of fees which are unchanged have simply been reprinted in the Miscellaneous Fee Schedule. The Council expressly states that it is not its intention to repeal previously adopted fees and adopt new fees of exactly the same amount, but is simply repeating these fees so that the

Miscellaneous Fee Schedule can continue to be a comprehensive source of City fees and service charges.

G. In each of these cases, the Council finds, determines and declares that such new or increased charges, fees or service charges do not exceed the City's estimated reasonable cost to provide the pertinent service, process the specified application or administer the certain program for which the charge, fee or service charge is imposed.

H. Based upon the testimony, reports and other evidence submitted on this matter, this City Council makes the above-specified findings.

Section 2: The Miscellaneous Fee Schedule for Fiscal Year 2021-2022 is hereby adopted. Each fee or service charge set forth shall be levied until further resolution of this Council.

Section 3: To the extent that any fee or service charge established pursuant to City Resolution No. 2020-053 is inconsistent with the fees or service charges established pursuant to this Resolution, then said Resolution No. 2020-053 is hereby repealed.

Section 4: If any charge, fee, service charge, section, subsection, sentence, clause, phrase or word of this Resolution is for any reason held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Resolution. The City Council hereby declares that it would have passed and adopted this Resolution, and each and all provisions hereof, irrespective of the fact that one or more provisions may be declared invalid.

Section 5: This Resolution shall be operative from and after July 1, 2021.

ADOPTED this 1<sup>st</sup> day of June, 2021.
