

**RFP # 21-136**  
**Questions and Answers Addendum**  
**As of December 17, 2021**

- 1) We are currently working under an MOU, will that be sufficient to show demonstrated site control for the City's RFP? Or would the City require a Purchase and Sale Agreement?**
- a. The RFP requires proof that the property is under contract. An MOU will be sufficient to show demonstrated site control for the City's RFP. In this case, a Purchase and Sale Agreement would not be required.
