

## City Of Santa Ana Fireworks Safety Video

This year the City of Santa Ana has put together a video rather than having the annual meeting. Please watch the video on your own time and acknowledge that you have watched it by signing below. This must be complete and turned in by June 15, 2023. It is in your best interest to have all volunteers that will be working your booth watch the video. The video will go over the rules, regulations, and safety of having a fireworks booth in the City of Santa Ana.

If you have any questions, please feel free to call our office at (714)647-5800.

The video is available on our City's Fireworks web page [www.santa-ana.org/pb/building-safety-division/fireworks-information](http://www.santa-ana.org/pb/building-safety-division/fireworks-information) under Important Documents and Applications

If you are unable to view it on your own, please contact our office.

I certify that I have watched the "City of Santa Ana Fireworks Safety Video" I understand that I am responsible for the safety of my own fire booth.
