NOTICE OF PUBLIC HEARING BEFORE THE SANTA ANA PLANNING COMMISSION

The City of Santa Ana encourages the public to participate in the decision-making process. We encourage you to contact us prior to the Public Hearing if you have any questions.

Planning Commission Action : The Planning Commission will hold a Public Hearing to receive public testimony, and will take action on the item described below. Recommendation on this matter will be forwarded to the City Council at a later date for final determination.

Project Location: 801, 807, 809, 809 1/2 East Santa Ana Boulevard located in the Transit Zoning Code (SD-84), within the Urban Neighborhood 2 (UN-2) land use designation zoning district.

Project Applicant: Daniel Battaglia with HomeAid Orange County, on behalf of the Housing Authority of the City of Santa Ana as property owner.

Proposed Project: The applicant proposes to construct a 17-unit rental affordable residential community known as FX Residences. In order to facilitate the construction of the project, the applicant is requesting approval of Density Bonus Agreement No. 2020-02 to utilize waivers from development standards and/or development concessions as permitted pursuant to California Government Code sections 65915 through 65918 as implemented by the Santa Ana Municipal Code (SAMC) Sections 41-1600 through 41-1607.

Environmental Impact: In accordance with the California Quality Environmental Act (CEQA), the recommended action is exempt from CEQA per Section 15194 (Affordable Housing Exemption). This exemption applies to development projects for affordable housing that meet the threshold criteria set forth in Section 15192; are not located on a site more than five acres in area; are located within an urbanized area with a population density of at least 5,000 persons per square mile, and immediately adjacent to qualified urban uses; and that consist of the construction of 100 or fewer residential housing units that are affordable to low-income households. Therefore, no additional environmental review is required. Based on this analysis, a Notice of Exemption, Environmental Review No. 2019-108 will be filed for this project.
