B.3 Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in its 5-Year PHA Plan.

Goal #1: Fully utilize all funding provided by HUD and apply for additional funding to serve the most vulnerable members of our community.

Objective # 1: Utilize 100% of the Annual Budget Authority provided by HUD for each CY.

SAHA utilized 103% of our Annual Budget Authority provided by HUD for CY 2022.

Objective # 2: Apply for new funding opportunities for additional vouchers.

- In September 2022, SAHA received an award of thirty-nine (39) new Housing Choice Vouchers awarded under the Consolidated Appropriations Act 2022 (P.L. 117-103).
- In September 2022, SAHA received an award of twenty-five (25) new Foster Youth to Independence vouchers awarded under the requirements of Notice PIH 2020-28, amended by Notice PIH 2021-26.
- In July 2022, SAHA received an award of \$115,500 in Extraordinary Administrative Fee Funding to lease-up Mainstream Program youchers

Goal # 2: Expand participation in the Family Self-Sufficiency Program for families to use as a platform to obtain self-sufficiency and independence from our assistance.

Objective #1: Expand the number of active participants in the Family Self-Sufficiency Program.

- The number of active participants in the Family Self-Sufficiency Program decreased from 106 families enrolled in January 2022 to 93 families enrolled in January 2023. This is because in December 2022 twelve (12) new families completed their Contracts of Participation and graduated from the Program. These twelve graduates received the money they each saved in their escrow accounts and a total of \$200,877.41 was awarded in escrow savings. The number of mandatory slots for SAHA decreased from 59 total mandatory slots to 52. In addition, the percent of families enrolled over mandatory slots is equal to 179%, and 77% of families have an escrow account balance in the program.
- SAHA sent a monthly electronic Family Self-Sufficiency Program newsletter to our participants who have provided us with their e-mail
 addresses. Each newsletter features a Story of Success for a family who is participating in the program. In addition, SAHA also
 provided an annual calendar to all of our participants with a Story of Success for each month.

Objective # 2: Assist Family Self-Sufficiency Program participants to become self-sufficient and graduate from the program.

During this Fiscal Year, twelve (12) participants graduated from the Family Self-Sufficiency Program.

Goal #3: Ensure the accuracy, integrity and compliance of all voucher program operations.

Objective # 1: Retain High Performer SEMAP status.

• SAHA was certified as a High Performer for FY 21-22. The final SEMAP score for the fiscal year ending 6/30/2022 is 100. SAHA audited a total of 372 files under SEMAP Indicator # 3, even though the minimum sample size required by HUD was only 35 files. This is equal to ten times the number of files required to be audited by HUD. For SEMAP Indicator # 5, SAHA conducted a total of 69 quality control inspections even though the minimum sample size required by HUD was only 34 quality control inspections. This is two times the number of inspections required to be audited by HUD.

Goal # 4: Increase assisted housing choices by providing quality customer service to existing landlords and conducting outreach to new landlords.

Objective #1: Communicate on a regular basis with active landlords by providing information on key program updates.

 SAHA sent a monthly electronic Landlord Newsletter to our active landlords. Each newsletter provided key program updates and information for landlords.

Objective # 2: Maintain active participation in the Orange County Apartment Association and attend local events to promote participation in the program.

• SAHA renewed our membership with the Orange County Apartment Association.

Goal # 5: Provide equal opportunity, affirmatively further fair housing and provide regular training on fair housing for staff, owners and participants.

Objective # 1: Provide an annual mandatory training for all Housing Authority staff.

 On August 18, 2022, SAHA held an annual Fair Housing Training for all Housing Division employees. This annual training is required for all employees.

Objective # 2: Provide information on fair housing to owners and participants.

• SAHA provided information on fair housing to owners and participants.

Goal # 6: Provide information on the Violence Against Women Act (VAWA) of 2013 to active participants and owners to ensure protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking.

• SAHA provided information on VAWA to all program applicants, participants and landlords.
