The Fourth of July and the celebration of our nation's birthday are once more upon us. The City of Santa Ana wants to remind every one that only California State Fire Marshal approved Safe and Sane fireworks may be purchased, possessed or discharged within the city.

The City of Santa Ana offers the following safety tips for the discharge of Safe and Sane Fireworks:

- Only purchase and discharge fireworks purchased from a licensed fireworks booth located in the City of Santa Ana.
- Fireworks may only be purchased, possessed or discharged from July 1 through July 4.
- Fireworks may be purchased, possessed or discharged only by people 18 years of age or older.
- Dispose of discharged fireworks by placing them in a metal container, or immersing them in a bucket of water. **(CAREFUL!!! DISCHARGED FIREWORKS WILL BE HOT)**
- Follow all manufacturers' directions for discharging Safe and Sane fireworks.
- Make sure the area you will be discharging your Safe and Sane fireworks in, is free of dry grass, brush, trees, or litter.
- **DO NOT** discharge any firework that explodes or leaves the ground. (M-80, FIRECRACKERS, BOTTLE ROCKETS, MORTAR AND AERIAL SHELL)
- **DO NOT** tamper or alter any Safe and Sane fireworks to cause it to explode or leave the ground.
- **DO NOT** throw any firework or other burning material into the air.
- **DO NOT** discharge any fireworks in any City park.
