As a husband and father born and raised in Santa Ana, I'm honored to have taught, served on the Santa Ana School Board, the Santa Ana City Council, and as a College Trustee over the past twenty years. I received the 2006 National Hispanic Teacher Of The Year award, the 2009 and 2015 California Golden Bell award for excellence in education, and 2018 California Educator of the Year.

As your Santa Ana Councilman, I supported:

Repaving 250 miles of residential streets and fixed potholes.

Advocated for government accountability, transparency, fiscal responsibility, and public safety.

Voted to bring new businesses to Santa Ana with high paying jobs.

Combatting graffiti and keeping neighborhoods safe and clean.

As your Mayor, I will:

Mobilize a plan to provide services and housing for our unhoused population

Improve public safety by promoting good policing and preventative measures

Defend and promote affordable housing

Invest in after school programs to ensure our youth thrives

Promote access to local Public Health resources and services

I respectfully ask that you vote to elect me as your next Mayor so I can continue the progress made in Santa Ana. Please feel free to contact me at 714-913-3515. Thank you.
