

**2024/2025 BUSINESS LICENSE TAX FEE SCHEDULE
Gross Receipts Category**

Business Tax Period is the fiscal year of April 1st through March 31st

NEW BUSINESS TAX RATE SCHEDULE: (DEPOSIT)

Santa Ana business license taxes (described below) are based on the gross receipts or cost of operations (if applicable) of the business generated in the preceding calendar year. Initially, a deposit is required as a surety for payment of City business license taxes (BLT) for the initial licensing period.

Once the initial licensing period expires, the actual BLT will be calculated retroactive to the business' start date. The BLT for the initial period will be based on gross receipts generated during the initial licensing period and will be calculated according to the tax rate schedule below. Once the BLT has been calculated, the deposit will be applied to the initial BLT for the period ending March 31, 2025. The remaining credit, if any, will be carried forward and will be applied to the BLT renewal for the next tax period. Please follow the steps outlined below to apply for a new business license.
