Benefits provided by SafeGuard Health Plans, Inc., a MetLife company

Direct Referral Dental Plan*

0041-D

This Schedule of Benefits lists the services available to you under your SafeGuard plan, as well as the co-payments associated with each service. There are other factors that impact how your plan works and those are included here in the Exclusions & Limitations. We have also added some dental terminology definitions to help you better understand your plan - these can be found at the back of this Schedule.

During the course of treatment, your SafeGuard selected general dentist may recommend the services of a dental specialist.

*Your SafeGuard selected general dentist is responsible for coordinating your dental care, and if necessary, referring you to a SafeGuard contracted specialist, and will submit all required documentation to SafeGuard for any necessary referral.
