

Overview of the CASA Compact

CASA

January 2019

WHAT IS CASA?

COMMITTEE TO HOUSE
THE BAY AREA

CASA is a panel of Bay Area leaders across various sectors convened by MTC and ABAG in 2017 to address the region's housing affordability crisis by identifying and unifying behind bold, game-changing ideas.

Job Growth Far Surpassed New Housing Between 2010 to 2016

The Region Has Not Built Affordable Housing to Meet Demand

CASA PREAMBLE – 3 P'S

The Bay Area faces a housing crisis because we have failed at three tasks:

- Failed to **produce** enough housing for residents of all income levels
- Failed to **preserve** existing affordable housing
- Failed to **protect** current residents from displacement

CASA COMMITTEE STRUCTURE

An Emergency Policy Package
to Confront the Housing Crisis
in the San Francisco Bay Area

December 2018

Components of Compact

- Elements 1, 2 & 3: Protection
- Element 4: Remove Barriers to ADUs
- Elements 5, 6 & 7: Production Initiatives
- Element 8: Surplus Public Land
- Element 9: Potential Funding Sources
- Element 10: Regional Housing Enterprise

ELEMENT #1: JUST CAUSE EVICTION POLICY

- Ensure Bay Area tenants are protected from arbitrary evictions by adopting region-wide requirement landlords cite specific "just causes" (fault and no-fault) for evictions, e.g. failure to pay rent, violating lease.

ELEMENT #2: RENT CAP

- Establish Bay Area-wide emergency rent cap that limits annual rent increases to reasonable amount in order to decrease number of households at risk of displacement and to prevent homelessness.
- For emergency period (15 years), CPI+5% in any one year with certain exemptions and banking provision.

ELEMENT #3: RENT ASSISTANCE AND ACCESS TO LEGAL COUNSEL

- For low-income tenants facing eviction: access to free legal counsel and emergency rent assistance for tenants with an urgent, temporary financial gap.
- Regional Housing Enterprise (Element #10) would establish policy guidelines and provide funding for programs.

ELEMENT #4: REMOVE REGULATORY BARRIERS TO ACCESSORY DWELLING UNITS (ADUs)

- Extend current Bay Area best practices on Accessory Dwelling Units (ADUs) and Junior ADUs to all jurisdictions in the region.
- Allow an ADU and a Junior ADU on single family lots and multiple ADUs in existing multi-family buildings with ministerial approval.
- Require impact fees for ADUs and tiny homes be charged on a per-square foot basis and only on net new living area above 500 sq. ft.

ELEMENT #5: MINIMUM ZONING NEAR TRANSIT

- Establish minimum zoning for housing in neighborhoods with:
 - High quality bus service* – within 1/2 mile of stop, allow up to 36 ft.
 - Major transit stop* (rail and ferry stations) – within 1/4 mile, allow up to 55 ft.
- Make housing an eligible use on large, **commercially-zoned parcels near job centers and in areas served by high quality transit.**
- Retain local development standards such as setbacks, density limits, maximum unit sizes and lot coverage.
- For “sensitive communities” in or adjacent to a **major transit stop**, defer height increases above 36 ft. until jurisdiction develops community plan.

ELEMENT #6: GOOD GOVERNMENT REFORMS TO HOUSING APPROVAL PROCESS

- Establish ‘good government’ standards for entitlement and permitting of zoning-compliant residential projects, including but not limited to:
 - Require local jurisdictions to create and maintain in publicly accessible format all rules, codes and standards that apply residential applications, including how an application is deemed complete.
 - Rules, fees and historic designation are set at the date of a an application’s completeness.
 - For zoning-compliant residential projects, no more than three de novo public hearings should be required.

ELEMENT #7: EXPEDITED APPROVALS AND FINANCIAL INCENTIVES FOR “MISSING MIDDLE”

- Accelerate approval of **zoning-compliant projects** that provide **on-site affordability for “missing middle”** (restrict >20% units to 80-150% AMI), pay **prevailing wage** and use **apprentice labor**.
- Incentives offered to offset higher costs to developer:
 - 15 years of property tax increment abatement, modeled on NYC program, aimed at missing middle housing
 - Impact fees capped at a reasonable level
 - Density bonus of 35%
 - Parking minimums reduced to 50% of local requirement
 - Relief from strict liability standards for ownership

ELEMENT #8: UNLOCK PUBLIC LAND FOR HOUSING

- Promote increased utilization of public land for affordable housing through variety of legislative and regulatory changes, as well as the creation of new regional coordination and planning functions.

ELEMENT #9: FUNDING TO FINANCE THE COMPACT

- Raise \$1.5 billion/year in new revenue from a broad range of sources, including property owners, developers, employers, local governments and the taxpayers, to fund implementation of the CASA Compact.
