Public Comment

ADJOURNMENT

PUBLIC COMMENT

Members of the public wishing to comment on an item on the agenda may do so in the following ways:

1. Email comments to audin@citiesassociation.org
 - Emails will be forwarded to the Executive Board of Directors
 - **IMPORTANT:** identify the Agenda Item number in the subject line of your email. All emails received will be entered into the record for the meeting.

2. Provide oral public comments during the meeting:
 - When the Chair announces the item on which you wish to speak, click the “raise hand” feature in Zoom. Speakers will be notified shortly before they are called to speak.
 - When called to speak, please limit your comments to the time allotted (up to 3 minutes, at the discretion of the Chair).
 - Phone participants:
 - *6 - Toggle mute/unmute
 - *9 - Raise hand

ACCESSIBILITY

We strive for our meetings and materials to be accessible to all members of the public. Those requiring accommodations to participate in this meeting may contact our Office Assistant at audin@citiesassociation.org. Notification at least three business days prior to the meeting will allow us to best meet your needs.

REQUEST TO PRESENT TO THE BOARD OF DIRECTORS

Return to executive_director@citiesassociation.org at least 2 weeks prior to the Board Meeting for consideration.

NAME OF ORGANIZATION:

Name of Contact Person: Maya Pace (Chief Program Officer, Lead for America)
Phone: (707) 322-4303
Email: maya.pace@lead4america.org
Presenters: Maya Pace

REQUEST (WHAT WILL BE PRESENTED?):

Lead for America (LFA) is requesting to present information regarding its fellowship program, which provides support for outstanding young leaders with a long-term commitment to service to return to their hometowns. We will provide contact information for interested city leaders to follow up if they would like to bring the hometown fellowship program to their own cities.

About LFA: Lead For America works to ensure that our most dynamic and diverse young talent is working on our communities' toughest challenges. Our flagship program is a paid two-year high impact fellowship with a four-year commitment for leaders ages 21-30 to serve their hometowns. Fellows work full-time alongside community leaders to 1) address critical challenges (such as the housing crisis and public health issues) and 2) recruit other young leaders to return to and remain in the community. LFA has nearly 100 Fellows serving 81 communities in 24 states. The cohort includes Truman, Udall, and Gates Millennium Scholars; 59% of Cohort 2 Fellows are people of color, 76% are women or gender nonconforming, and 47% of Fellows are from family incomes of <\$50k.

RELEVANCE TO THE CITIES ASSOCIATION:

With the COVID pandemic, cities in Santa Clara County are facing dramatic impacts to budgets and services, while staff capacity is stretched thinner than ever. Our fellows receive training and support to add the transformational capacity that cities need, taking on projects that fit the needs of their communities. Fellows already have a demonstrated track record of impact, especially during COVID-19. To date, Fellows have raised tens of millions of dollars, helped steward multi-million dollar emergency loan programs, drafted and implemented strategic plans, and reached thousands of people.

We are excited to speak with the Association to share about our work and find places to collaborate in service of a stronger Santa Clara County.

WHAT ACTION IS REQUESTED OF THE CITIES ASSOCIATION?

This is an informational item, but members are encouraged to reach out, or indicate interest during the presentation to have Lead for America reach out to them, if interested in learning more about the program or hosting a Fellow.

MATERIALS TO BE SENT TO SUPPORT PRESENTATION:

PowerPoint presentation

Locally-rooted, Nationwide

The LFA fellowship program selects, trains, and places leaders ages 21-30 in high-leverage roles within their local communities. The fellowship is a 2-year paid program with an additional 2 year service commitment to the community, encouraging Fellows to become rooted in the the places they love and begin a life of public service. Our Fellows are catalysts for a larger revitalization and are deeply committed to supporting their community's flourishing. LFA has 93 Fellows in 24 states, with two state affiliates in Minnesota and North Carolina.

80%

of hosts rate their Fellow in top 25% of entry level employees

100%

of hosts are satisfied or extremely satisfied with the fellowship

90%

of Fellows are committed to serving their community for the long term.

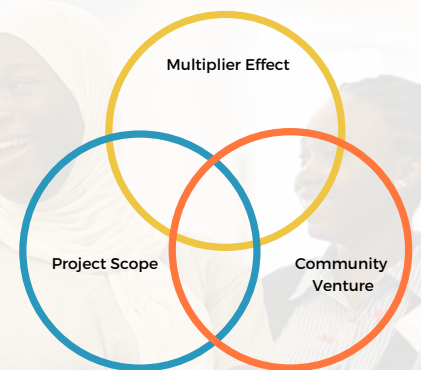

Our Fellowship Model: Attracting Dynamic + Diverse Talent

LFA has developed a fellowship model designed to tackle pressing challenges facing local communities -- particularly in places that most fellowship organizations do not reach (i.e. rural & tribal). Our Fellows serve as resource and talent multipliers. They work on carefully crafted project scopes, building capacity to tackle the most critical community challenges, while supporting workforce development & talent attraction

To cover the cost of the program (Fellow scholarships, trainings, and program support), hosts contribute between \$38-\$55k/year depending on cost of living.

*Hosts with high financial need may apply for subsidies.

3 Components of the Fellowship:

Training, Education & Cohort Community

CONVERGENT LEADERSHIP

1 Recruit.

We conduct high-volume, personalized national talent recruitment. In 2018, we received 1,800 registered applicants from 300 different colleges & universities; 3,000 by 2019. Our talent is diverse; in our most recent cohort, 60% are people of color, 79% from family incomes <\$100k, 75% are women.

2 Identify & scope.

We identify dynamic challenges facing local communities, and work closely with local leadership to scope out a project for a Fellow. Host sites include local/tribal government, nonprofits, higher-ed, and local businesses. These project scopes are measured, high-impact, and innovative.

3 Place & match.

Based off the skills required for the project scope, we geo-target qualified candidates who have a connection to the region and coordinate interviews with hosts. We value deep connection to place and a match according to long-term desire for candidate to continue serving the community.

4 Train & retain.

Fellows undergo a one-month Training Institute, partnered with higher-ed faculty at Tufts & Harvard University, University of Minnesota & North Carolina. Our program support provides robust emotional & technical support, quarterly retreats, and we measure for geographic retention post-fellowship.

Project Scope

Bringing added capacity to local challenges

LFA works closely with each host site to craft a project scope that tackles a major challenge facing the community. Fellows work full time on this scope of work alongside their host institution, bringing additional capacity to advance the host's ability to address these challenges. Project scopes are unique to the community, innovative, engage constituents, and intersect multiple issue areas. Past project scopes have ranged from building digital economies, to regional food systems planning, to new immigrant support.

Grant Kirkpatrick | Stockton, CA
Applied for and won a \$10.2 million Transformative Climate Communities grant and is now the lead for the grant's implementation.

Trevaughn Latimer | St. Louis, MO
Aided in directing \$700,000+ in grants and loans to small businesses negatively impacted by COVID-19. Project lead for the economic redevelopment of Pine Lawn.

Emily Kranking | Washington, DC
Developing a 5-year strategic plan to strengthen the Developmental Disabilities Council's communications to activate a narrative change around disabilities.

Ayodeji Aladesanmi | Atlanta, GA
Developed a framework and methodology to provide quarterly economic assessment and analysis of the COVID-19 pandemic for the Atlanta region.

Lead For America offers entrepreneurial training to all Fellows, providing them with mentors and access to statewide and national opportunities to launch, share, and scale their ventures.

Community Venture

Building an innovation economy

Shandiin Herrera | Monument Valley, UT
Co-coordinated a Covid Relief fund that has raised nearly \$6 million to date and distributed food and PPE to over 10,000 households across the Navajo Nation.

Evan Bonsall | Marquette, MI
Elected in a landslide vote as Marquette's youngest ever City Commissioner. Raised funds to start a pilot emergency home heating repair program for Marquette residents.

Suidi Hashi | Minneapolis, MN
Started Tusaalo Mentoring - a program that provides culturally responsive mentoring for diaspora youth to foster a sense of purpose, leadership, and community.

Center on Rural Innovation ©

Multiplier Effect

Developing workforce through talent attraction

Each quarter, Fellows complete a deliverable to prepare them to be a talent multiplier by Year 2. The Listening Tour acts as a stakeholder & needs analysis, Community Envisioning includes focus group facilitation & workshops, the Opportunity Portfolio is an inventory of workforce shortages and place-based attractions. LFA collects this data and provides a region-specific matching service for the additional talent that Fellows recruit to the region.

Joe Grochmal | Great Barrington, MA
Launched GB Labs, a program that matches young talent in Great Barrington with local organizations and businesses struggling during COVID-19.

Julian Davila | Imperial County, CA
Works in a county with one of the highest unemployment rates in the nation. Will aid in the use of the Workforce Innovation Act to build and attract talent to the county.

John Cooper | Jackson, MS
Built an internship program to connect young leaders with capacity needs across the City government. Bringing together local leaders to build a pipeline of talent across the city.

Mackenzi Lafferty | Aledo, IL
Leading the effort to build a rural remote program to recruit and retain technological talent from and to Aledo. Supporting outreach to local universities and code camps for children.

Subject: Support for Santa Clara County's Innovation Plan

Dear Commissioners,

We write today on behalf of the Cities Association of Santa Clara County (CASCC), an association of the fifteen cities of the county and the elected representatives of more than 1.9 million Bay-Area residents. Since 1990, the city representatives have been gathering to discuss and find consensus and solutions for regional issues. The cities of our association are diverse and include cities of a few thousand people and a city of a million people.

As leaders in Santa Clara County, we write to express our support for Agenda Item 4: Santa Clara County's Innovation Plan, the Santa Clara County's MHSA INN-15 Project and urge you to approve.

Our community came together in June 2020 concerned about the number of officer encounters around the nation that have ended in avoidable tragedies. The Community Mobile Response program will not only have an important impact on Santa Clara County, but also tests a new model that can potentially serve as a resource for many other communities across the State.

We look to the police not just to enforce laws but also to respond to calls related to a variety behavioral health needs including mental health, substance use, homelessness, truancy, family conflict, and welfare checks. Last summer, our community sent a clear message to our elected leaders: We must reduce the level of police response to these emergency calls that are not criminal in nature. Diverting these calls to professionals and peers solely focused on the actual needs of the individuals involved will avoid excessive uses of force, incarceration, injury and, in worst cases, death. Santa Clara County's MHSA INN-15 creates a Community Mobile Response Program--a trauma informed and community rooted approach to respond and best meet the needs of adults experiencing a crisis.

In situations where a person in crisis fears or does not trust police the situation can escalate when an officer responds. Racial bias also plays a significant role as police officers are historically more likely to use excessive force when responding to Black residents and other people of color. Cultural differences can also affect the type of care certain people receive when interacting with family members as well as creating distrust or misunderstandings when police officers get involved. When community-based crisis counselors and peers—the personnel to be employed by the Community Mobile Response--respond to an individual in crisis, the person is more likely to accept help and the crisis de-escalates.

The Community Mobile Response model also includes important components of follow-up after the crisis to connect individuals with services and prevent future crises, as well as facilitating on-going community input and education. That feature leverages the many assets in neighborhoods across the County. This alternative community response was created by reviewing and studying several models being developed throughout the United States and receiving much input from the community.

We pledge to engage in a community-wide effort to train Santa Clara County residents to reach out to the new Community Mobile Crisis as an alternative to law enforcement. Please give us the opportunity to do so by approving Santa Clara County Innovation Project.

Thank you for your consideration.

Sincerely,

Marico Sayoc
President, Cities Association
Mayor, Los Gatos

Andi Jordan
Executive Director
