DRAFT

LEAGUE OF

CITIES**

June 14, 2022

The Honorable Marc Berman
Chair, Assembly Committee on Business and Professions
1020 N Street, Room 379
Sacramento, CA 95814

RE: SB 1087 (Gonzalez) Vehicles: Catalytic Converters.
Notice of SUPPORT (As Amended May 19, 2022)

Dear Senator Bradford:

The League of California Cities (Cal Cities) is pleased to **support** SB 1087 (Gonzalez). This measure would limit who can legally sell and purchase a detached catalytic converter and would make a violation of this law an infraction punishable with a fine between \$1,000 to 5,000.

According to State Farm, data shows, in 2019, the company paid \$2.5 million for 1,104 catalytic converter theft claims. In 2020, it paid out more than four times that amount for 4,507 catalytic converter theft claims. Last year in 2021, California made up almost one-third of all catalytic converter claims in the United States, with \$23 million being spent on 9,057 catalytic converter theft claims within the state.

Existing law makes it extremely difficult for local law enforcement officers to apprehend catalytic converter thieves despite the growing crime trend in catalytic converter thefts. SB 1087 seeks to address the dramatic rise in catalytic converter theft in California's communities by targeting black-market sales, making it more difficult for bad actors in this space to buy and sell stolen catalytic converters.

Cal Cities supports increased penalties for metal theft and recognizes that statewide regulation is needed to discourage "jurisdiction shopping". Cal Cities also supports increased record-keeping and reporting requirements for junk dealers, including the collection of thumbprints from sellers.

For these reasons, Cal Cities supports SB 1087. If you have any questions, do not hesitate to contact me at (916) 720-8025.

Sincerely,

Elisa Arcidiacono
Legislative Affairs, Lobbyist
