NAME OF ORGANIZATION: Santa Clara County, Office of Children and Families Policy

Name of Contact Person: Sarah Duffy

Phone: (408) 678-1398

Email: sarah.duffy@ceo.sccgov.org

Presenters: Sarah Duffy

REQUEST (WHAT WILL BE PRESENTED?):

The Office of Children and Families Policy will present on the \$15 million was allocated for childcare infrastructure grants. Childcare infrastructure grants aim to support licensed childcare center- and family-based provider businesses impacted by the COVID-19 pandemic to address childcare disruptions and enrollment gaps by reopening or increasing the total number of affordable infant and toddler childcare spaces available to families.

RELEVANCE TO THE CITIES ASSOCIATION:

The ARPA Infrastructure grants are open to childcare providers in Santa Clara County. This would be a great opportunity to provide information to the representatives of each City and collaborate to encourage providers in their respective cities to apply for funding. It would also be a great opportunity to engage in a conversation regarding stakeholders and potential organizations OCFP should reach out to when the application is live.

WHAT ACTION IS REQUESTED OF THE CITIES ASSOCIATION?

After the presentation, it would be helpful to share with the members of Cities Association of Santa Clara County, the materials and contact information of OCFP in case any cities would like to individually meet or would like more information.

MATERIALS TO BE SENT TO SUPPORT PRESENTATION:

Powerpoint and a fact sheet

CHILDCARE AND EARLY EDUCATION INITIATIVES

The Board approved \$10 million in funding for FIRST 5 Santa Clara County to develop and implement a three-pronged strategy to bolster and strengthen the early learning and care workforce serving children from birth through five years of age. The strategy includes piloting the Apprenticeship Initiative, Transitional Kindergarten (TK) Teacher Equity Initiative, and Shared Services Alliance.

ARPA FUNDING

On February 28, 2023, the County of Santa Clara Board of Supervisors approved \$15 million to expand quality childcare slots. The funding comes from the American Rescue Plan Act (ARPA), part of the coronavirus-relief package. OCFP is contracting with Valley Health Foundation to support the childcare infrastructure program for family- and center-based providers.

To prioritize high need communities that need access to childcare, OCFP formed an ad hoc Equity Committee that included FIRST 5 and the Office of Diversity, Equity, and Belonging, to determine equity criteria for the grant application process.
