Dear Members of the City Selection Committee:

Please accept my letter of interest for re-appointment as the Cities Association's Primary Representative to Santa Clara Airport Land Use Commission (ALUC).

It has been an honor to serve the Cities Association on the ALUC Board. Prior to my appointment last year, I served several years as Alternate to the Cities Association's previous appointee, Glenn Hendricks.

Each county is required by California law to have an ALUC. The County of Santa Clara has five airports and the Santa Clara ALUC has adopted a Comprehensive Land Use Plan (CLUP) for each. CLUPs specify maximum building heights and densities within specified radiuses around each airport, with a primary goal of ensuring safety of people on the ground and that noise within the CLUP boundaries does not exceed certain thresholds. A city wishing to adopt or amend its land use plans or zoning codes within the boundary of a CLUP is required to apply to the ALUC for a so-called determination of consistency, which is the responsibility of the Commission¹.

During the past six years, I have developed expertise on ALUC. I also have a deep appreciation not only for what it does, but also for what it does not do. This allows me to help ALUC stay focused on its core function. For example, ALUC is not responsible for:

- Operations within an airport, which is the jurisdiction of each airport's governing agency
- Airplane flight patterns, air traffic control, and/or airplane noise, which are the jurisdiction of the FAA

¹ Notably, the City of San Jose has the ability to override, via a Council supermajority vote, a decision made by the ALUC.

- Any air pollution arising from airport operations, which is the jurisdiction of BAAQMD

If appointed, my commitment to the Cities Association is that the ALUC will quickly and diligently handle applications for consistency determinations, and to always be mindful of the important safety goals that come with adherence to the CLUPs.

I will be happy to answer any questions regarding my application and I appreciate the consideration of the City Selection Committee.

Thank you,

Russ Melton

Reappointment to the Association of Bay Area Governments (“ABAG”) Executive Board

Dear City Selection Committee Members,

I respectfully request reappointment to the ABAG Executive Board (“ABAG Board”) as a representative for the cities of Santa Clara County. My experience as the representative since 2020 and serving on different ABAG committees has given me an opportunity to deepen my understanding of ABAG and develop relationships with staff and representatives from across the region, all of which have been and would continue to be beneficial in advancing the interests of our cities.

As a result of my work and leadership on the ABAG Board, the President appointed me to serve on the Administrative Committee and the Housing Committee and then was selected as the Vice Chair of the Housing Committee last year. Of note, the Housing Committee plays a key role in the analysis related to the potential housing bond measure being considered for the November 2024 ballot measure, and I have been able to contribute and provide insight on how such a measure could impact the Santa Clara County cities.

Finally, if I am given the opportunity to continue representing our cities on the ABAG Board, it will ensure continuity and consistency and I would build on the relationships, knowledge and experience I have developed to effectively represent our cities. I would be honored to continue serving on the ABAG Board. Thank you for considering my application.

Best,

January 2024

Dear Cities Association Selection Committee,

I am a Councilwoman in the City of Morgan Hill. I would like to express my deep interest in continuing to serve as an ABAG Executive Board primary appointment. I served as the ABAG General Assembly for 3 years and as the alternate representative for Cities Association for a year. Recently, I was honored to receive the appointment as the Cities Association primary representative and now hope to be re-appointed.

ABAG's work on regional housing and shared interest in transportation is of great interest to me as we work through the myriad of challenges faced by our region, cities and communities and complements my professional background and experience. I've served on the League of Cities HCED (Housing and Economic Development Policy Committee) for years and now serve as Chair of the committee. I am the City representative for the HCDAC (Housing Community Development Advisory Committee). I have followed housing conversations on RHNA, environment and transportation, and am interested in how we will balance it all, fund and build housing and ensure our communities thrive.

I grew up in a small town, suburban Morgan Hill yet studied Urban Planning in New York, the most dense city in the United States. I understand and appreciate the challenges for small cities with the lack of transportation and infrastructure as well as the difficulty of large cities building housing with crowding and lack of sites. This has provided me with a varied background and perspective that we need a balanced regional approach.

I appreciate the great work you all do and ask for your support in re-appointing me to the ABAG Executive Board.

Yvonne Martinez Beltran

City Selection Committee
Cities Association of Santa Clara County

I request an appointment to the Executive Board of the Association of Bay Area Governments. I had the opportunity to represent the City of Campbell to the ABAG General Assembly when I served on the City Council from 1996 to 2010. I served as the Cities Association representative to the Executive Board of ABAG, starting in 2005 for several years. During my service on the Board, I also was appointed to ABAG's Regional Planning Committee and Legislative & Governmental Operations Committee.

I recognize that the Association of Bay Area Governments has a focus on Housing and especially Affordable Housing in the San Francisco Bay Area. There is also a focus on Land Use, Energy, and Infrastructure, and advancing the California Finance Authority for ABAG member cities and counties. Since ABAG membership extends to the one hundred cities and nine counties that surround San Francisco Bay waters, there are programs that also help protect the estuary of the greater San Francisco Bay area.

I request the opportunity to represent the cities of our county in these important regional projects.

Sincerely,

Dan Furtado, Councilmember
City of Campbell

COUNCILMEMBER, CITY OF MOUNTAIN VIEW

THURSDAY, FEBRUARY 1, 2024

Dear Honorable Members of the City Selection Committee,

I am writing to express my interest in serving as an **alternate member on the Association of Bay Area Government (ABAG) Executive Board**. As a dedicated advocate for regional collaboration, sustainable development, and effective governance, I am eager to contribute my skills and experience to support ABAG's mission of addressing critical issues facing the Bay Area.

Throughout my professional career, I have actively engaged in community development, urban planning, and public policy initiatives. I currently serve as a council member for the City of Mountain View and in my time of service, my colleagues and I successfully approved a certified housing element, an environmental biodiversity strategy, and an innovative affordable housing project, which included a land swap with a public storage business. Together, we also moved forward on our city's displacement response strategy, active transportation plan, and affordable housing strategic plan. In my day job as a policy associate, I work on tenant protections and the preservation of affordable housing all across Santa Clara County, which has also equipped me with a comprehensive perspective on the complex interaction of regional issues.

As a lifelong Bay Area resident and a daughter of immigrants, I have a deep understanding of the challenges and opportunities that our diverse Bay Area communities face. I am committed to fostering innovative solutions that promote inclusivity, resilience, and sustainable growth. I am particularly drawn to ABAG's commitment to addressing housing affordability, transportation, and environmental sustainability – key pillars that are integral to the future well-being of our communities.

If appointed as an alternate member, I am dedicated to working collaboratively with the Executive Board when called upon to contribute meaningful insights, advocate for equitable policies, and ensure that the voices of all Bay Area residents are represented. I am confident that my passion for community engagement, coupled with my personal and professional background, aligns well with ABAG's goals.

I look forward to the opportunity to discuss how my skills and experiences can contribute to the success of the ABAG Executive Board during the upcoming City Selection Committee meeting. Thank you for your consideration.

Sincerely,
Emily Ann Ramos

February 2, 2024

Dear Cities Association Selection Committee Members,

I am writing to respectfully request for my appointment to represent you and the cities of Santa Clara County as the Cities Association's representative on the Association of Bay Areas Government's Regional Planning Committee (ABAG RPC).

As someone who is constantly thinking about the future of our larger community, I see ABAG RPC as an integral body to for smart, long-term planning for our region. The ABAG RPC specifically focuses on long range regional planning activities. Ever since I had the opportunity to take City and Regional Planning classes in college, I have been excited and invigorated by thinking far into the future for how best to plan our cities.

The ABAG RCD has a special focus on the [Plan Bay Area 2050+](#). The oversight and implementation of this plan is part of what motivated me to apply for this unique committee appointment. Plan Bay Area 2050+ is a visionary look into the coming decades in the Bay Area. The plan seeks to better plan for transportation, housing, the economy and the environment in order to make "the Bay Area more equitable for all residents and more resilient in the face of unexpected challenges." As an environmentalist, an emergency services professional, and someone dedicated to strengthening our transit network, this perspective is inspiring and something I want to be part of. I am also very interested in getting involved with ABAG more generally, as I see this regional body as one that is having a major impact on our communities and plays a large role in bringing our cities together. The ABAG RCD is a great opportunity both for me to learn more about ABAG and do the work necessary to contribute to its success.

I believe I will bring a valuable perspective to the ABAG RCD. Before I was elected to the Los Gatos Town Council, I served as a member of Los Gatos' Housing Element Advisory Board. In this role, I helped create Los Gatos' first draft of its Housing Element and saw the effect that ABAG's allocation of RHNA units had on each of our communities. While this process did provide clear metrics for each of cities to achieve, it was also a process that appeared opaque to many of our community members. I interested in exploring ways to improve this process for the next Housing Element cycle. My other land use experience includes serving on the Los Gatos General Plan Committee, working professionally as project manager for a large, affordable housing development, and reviewing many land use cases in my role as a councilmember.

I am grateful to you all for your consideration of me for this important role on the ABAG RPC.

Dear Members of the City Selection Committee:

Linda Sell
Councilmember

Thank you for appointing me to this role in January 2023. From 2017 to 2023, I served as the Cities Association LAFCO board alternate.

It is an honor to serve on the LAFCO board with amazing colleagues and alongside a talented and dedicated professional staff.

2023 has been a busy year for Santa Clara LAFCO:

- In April, I was selected by my board colleagues to serve as chairperson for the remainder of 2023; in November I was selected to continue as chairperson for 2024
- In August, LAFCO completed the City of Gilroy's application for Urban Service Area (USA) expansion, culminating with a unanimous board vote
- In October, LAFCO completed and published the Countywide Fire Service Review

The Board's goals for 2024 include:

- Modernization of Board policies for user friendliness and conformance with changes in State law
- Increasing organizational capacity to tackle multiple major initiatives required under State law

LAFCO is unique in that it is a State Agency with the County of Santa Clara as its jurisdiction. The mission of Santa Clara LAFCO is to promote sustainable growth and good governance in the County by:

- Preserving agricultural lands and open space
- Curbing urban sprawl
- Encouraging efficient delivery of services
- Exploring and facilitating regional opportunities for fiscal sustainability
- Promoting public accountability and transparency of local agencies

This mandate comes from State law, originally adopted by the Legislature in 1963 to promote good governance and curb urban sprawl. Today, an important aspect of LAFCO has become protection of the environment, focusing on the reduction of greenhouse gas emissions and the slowing of global warming. This is accomplished especially through LAFCO's mandate to preserve agricultural lands and open space and to curb urban sprawl.

Some refer to LAFCOs at the Legislature's "watchdog institutions" in carrying out the State's power to regulate local government boundaries. I take LAFCO's mandate seriously and my pledge to the Cities Association is to continue to diligently consider each application with it in mind. Each of our Cities has a Climate Action Plan, all of which benefit by votes taken at LAFCO that are in line with the mandate.

LAFCOs are also tasked by the State to perform service reviews of agencies throughout the County (excluding School Districts), conducted on a five-year cycle. My goal is to ensure timely, consistent, and fair reviews, with a focus on governance, transparency, and efficiency of budget and service delivery.

I will be happy to answer any questions regarding my application for re-appointment and I appreciate the consideration of the City Selection Committee.

Thank you,

RE: Letter of Interest for Cities Association's Alternate Commissioner to Santa Clara County Local Agency Formation Commission (LAFCO)

Dear Cities Association Selection Committee Members,

I am writing to respectfully request for my appointment to represent you and the cities of Santa Clara County as the Cities Association's Alternate Commissioner to Santa Clara County Local Agency Formation Commission (LAFCO). I have been watching and participating in LAFCO meetings since I was Chair of the Gilroy Bicycle Pedestrian Commission from 2017-2020 and elected as an At-Large Gilroy City Council Member in 2020.

I value LAFCO's mission of minimizing sprawl, preserving open space, encouraging efficiency of services, fiscal sustainability, and accountability and transparency. I have been deeply involved with Gilroy's General Plan 2040 implementation and getting our Housing Element certified with State HCD. I promote the values of smart growth in Santa Clara County, and we will need to continue to examine the ways in which land use patterns can be the limiting factor as we work towards affordability and equity.

As a Firefighter and Paramedic, I bring a unique and valuable perspective to the Service Review process that LAFCO conducts for each of our cities. I have hands-on experience with what it takes to provide these services efficiently and effectively, as required by LAFCO. I believe my independent 3rd party perspective would be of great benefit for all the cities of Santa Clara County, and I'm excited to be able to serve you all in this way.

I am also a firm believer in LAFCO's policies of protecting agricultural lands and open space from premature conversion to development. While many cities in our county are built out, I see Morgan Hill, San Martin and Gilroy as areas that we need to protect from further urban sprawl. As a Council Member for the City of Gilroy, I represent those in Gilroy and the rest of South County who support sustainable land use planning in line with LAFCO policies. I was proud to publicly support LAFCO staff's recommendation just a few months ago for the City of Gilroy to focus its future housing growth in our Downtown and transit corridors, rather than through the City's application to expand the Urban Service Area to allow single-family home sprawl on adjacent unincorporated farmland. I supported the staff recommendation not only because Gilroy has eight years of capacity for building in infill areas and thus has no need to expand our city boundaries for housing, but also because more sprawl would be costly for our city, which cannot afford to provide urban services to this new development. For these reasons, I humbly request your support.

Sincerely,

Zach Hilton

I am writing this letter to express my strong desire to remain as the Cities Association's representative for LAFCO for several reasons.

One, I have developed a better understanding of LAFCO's mission and objectives. This understanding has allowed me to participate in the discussions. While not a voting member of the LAFCO board, my contribution to the conversations has been helpful to the overall discussions and decision-making process.

Secondly, I have established good relationships with other LAFCO board members and I remain committed to the time and energy necessary to best represent the interests of the Cities Association.

Lastly, with so much open space being in South County, having representation from this area is helpful to those on the board who look for a perspective of someone who represents residents, businesses, and concerned citizens in Morgan Hill and Gilroy.

In conclusion, I kindly request your consideration to allow me to remain as the Cities Association's representative for LAFCO.

Sincerely,

Mark Turner

Dear Members of Santa Clara Cities Association:

I am submitting this letter of application to serve as the Member-at-Large for the Recycling Waste & Reduction Commission (RWRC). I have served the last four years representing the Central County Cities which include Milpitas and Santa Clara. I also had the honor of serving as Chair of the Commission for the years 2022-2023.

Serving on this commission has been time of great opportunity to learn about how many public agencies and organizations are working to make Santa Clara County more green, less wasteful and a better future for our children. I look forward to the honor of continuing to serve.

AIRPORT LAND USE COMMISSION (ALUC)

<https://plandev.sccgov.org/commissions-other-meetings/airport-land-use-commission>

The Airport Land-Use Commission (ALUC) was established to provide for appropriate development of areas surrounding public airports in Santa Clara County. It is intended to minimize the public's exposure to excessive noise and safety hazards, and to ensure that the approaches to airports are kept clear of structures that could pose an aviation safety hazard.

As per ALUC Bylaws, Commission shall be composed of seven (7) voting members be selected as follows:

- Two (2) representing the cities, appointed by the city selection committee; at least one, and preferably both, of these members must represent a city adjacent to an airport.
- Two (2) representing the county, appointed by the Board of Supervisors.
- Two (2) having expertise in aviation, appointed by a committee comprised of the aviation director of the San Jose International Airport, the director of Palo Alto Airport, and the director of the county roads and airports department.
- One (1) representing the general public to be selected by the other six (6) members of the Commission.

ASSOCIATION OF BAY AREA GOVERNMENTS (ABAG)

<https://abag.ca.gov/about-abag/what-we-do/how-we-govern/executive-board>

The ABAG Executive Board is led by the ABAG President and Vice President. Member representatives are elected officials and make operating decisions, authorize expenditures and recommend policy. County representatives are selected by city mayors or the county board of supervisors' president. Most city member representatives are selected by the mayors and council members conferences for each county. Members who sit on the board give a voice — and a vote — to new policies or recommendations that affect their communities and the region as a whole.

ASSOCIATION OF BAY AREA GOVERNMENTS (ABAG) REGIONAL PLANNING COMMITTEE

<https://abag.ca.gov/about-abag/what-we-do/how-we-govern/committees/regional-planning-committee>

The Regional Planning Committee, or RPC, provides oversight to the executive board on matters related to the preparation and implementation of regional planning activities, such as Plan Bay Area. The RPC receives input on special plans, or reports from various task forces or regional agencies. It also advises on comprehensive planning policies and procedures, along with other matters as assigned by the ABAG Executive Board.

LOCAL AGENCY FORMATION COMMISSION (LAFCO)

<https://santaclaralafco.org/about-lafco/commissioners>

The Local Agency Formation Commission, or LAFCO, is a state mandated independent local agency established to oversee the boundaries of cities and special districts in Santa Clara County.

State law dictates LAFCO composition. In Santa Clara County, LAFCO is composed of seven commissioners:

- Two County Supervisors appointed by the Board of Supervisors
- One Council Member from the City of San Jose appointed by the City Council
- **One Council Member from any of the other cities appointed by the Cities Selection Committee**
- Two Board Members from independent special districts – one appointed by the Santa Clara Valley Water District, one appointed by the Independent Special District Selection Committee
- One Public Member appointed by the other members of the Commission

Alternate commissioners are appointed for each of the categories. State law provides that LAFCO commissioners must exercise independent judgment and represent the interests of the public as a whole in furthering the purposes of LAFCO and not solely the interests of their appointing authority.

RECYCLING WASTE & REDUCTION COMMISSION (RWRC)

<https://www.morganhill.ca.gov/2366/Commissions-Committees>

The ten-member RWRC commission is made up of select local elected officials that serve as the principal advisory body to the Santa Clara County Board of Supervisors on countywide solid waste planning issues. The members shall be appointed by the following public agencies or organizations:

1. One (1) County Supervisor appointed by the Board of Supervisors of Santa Clara County.
2. One (1) city councilmember appointed by the City Council of the City of San Jose.
3. One (1) city councilmember from one of the following cities: Cupertino, Los Altos, or Los Altos Hills to represent North County Cities.
4. One (1) city councilmember from one of the following cities: Milpitas or Santa Clara to represent Central County Cities.
5. One (1) city councilmember from one of the following cities: Campbell, Los Gatos, Monte Sereno, or Saratoga to represent West Valley Cities.
6. One (1) city councilmember from one of the following cities: Mountain View, Palo Alto, or Sunnyvale to represent SMaRT Station Cities.
7. One (1) city councilmember from one of the following cities: Gilroy or Morgan Hill to represent South County Cities.
8. Two (2) city councilmembers to serve as members-at-large. The Members-at-large shall be drawn from any city that does not already have a representative on the Commission.
9. One (1) director appointed by the Board of Directors of the Santa Clara Valley Water District.

Seat available: South County Cities

Seat available: Member-at-Large

Note on RWRC Member-at-Large seat:

as per RWRC bylaws, "the Members-at-Large shall be drawn from any city that does not already have a representative on the Commission." Thus the following cities are eligible to apply for the Member-at-Large seat in February 2024: Campbell, Los Altos, Los Altos Hills, Los Gatos, Mountain View, Santa Clara and Saratoga. Depending on which city is represented by the South County Cities seat, either Gilroy or Morgan Hill will also be eligible for the Member-at-Large seat.

Note on RWRC Alternates:

Each Commission member may designate from among the elected officials of its council, board, or eligible cities an alternate representative to serve in absence of the regular member. Alternates may serve on subcommittees, and/or ad hoc task forces.
