Notice: Oregon law (ORS 105.682, et seq.) provides the owner of land is not liable in contract or tort for injury death or property damage that arises out of use of the land for recreational purposes (known as "recreational use immunity"). That immunity from liability does not apply if the owner makes a charge for permission to use the land. This fee is only for use of the assigned campsite for camping purposes and for use of the camping-related amenities in the designated campsite area. Other uses of this park, or any use of the property outside the designated campsite area are not subject to a charge and, therefore, **Sherman County** is not liable for injuries, death, or property damage arising out of such uses of the property for which no specific charge has been made.

I have read and understand and agree to abide by the Sherman County RV Park and Rules.
