e-recording is here...

If your company or organization does real estate recordings with Sherman County, here's good news:

E-Recording is here!

E-Recording makes it easy to record all of your deeds, mortgages and other documents online. You don't have to use the mail, leave the office or stand in line at the County, *saving you time and money.*

Here are some other great reasons to E-Record:

- ✓ Most documents recorded in minutes
- ✓ Avoid mailing costs
- ✓ Eliminate check-writing expenses
- ✓ Increase efficiency
