US 97 Bridge Improvements Underway

The Oregon Department of Transportation has awarded a contract to Stellar J. Construction Company to replace and retrofit eight bridges on US 97.

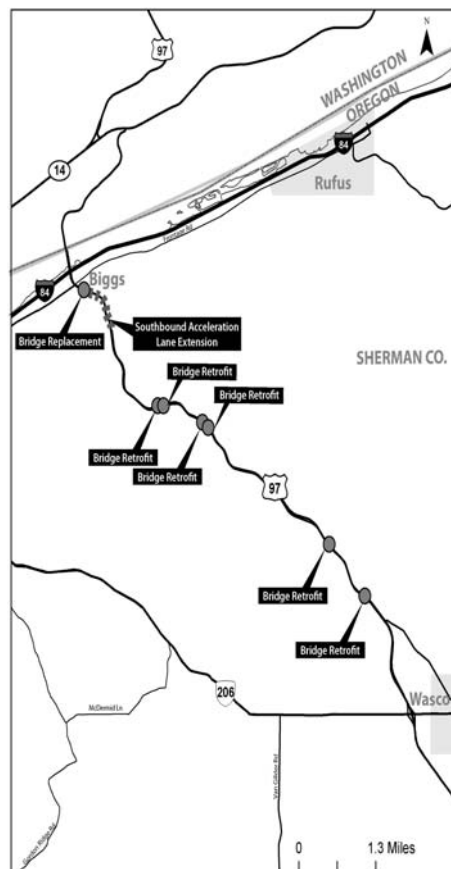

The project will replace the existing US 97 Spanish Hollow Creek Bridge, located a half-mile south of Biggs Junction, and the Trout Creek Bridge, 17 miles north of Madras, to new seismically resilient bridges. Additional work will be done to seismically retrofit six other bridges over Spanish Hollow Creek near Biggs junction. Crews will also extend the southbound acceleration lane of US 97 from the US 30/US 97 intersection at the Biggs Jct. Interchange to match into the US 97 climbing lane, a half mile south of the interchange.

The \$15 million dollar project is essential to add capacity to, and assist with, traffic mobility on US 97 in the case of a major seismic event in Oregon.

Crews have begun preliminary work to prepare for the bridge replacements. Motorists can expect to see temporary signals at both Spanish Hollow & Trout Creek bridges which will reduce traffic

down to one lane. Oregon State Police will be enforcing the work zone for the duration of the project. The project will be complete by fall 2020, with the majority of work being complete by Memorial Day 2019.

For questions about this project, contact Abbey Driscoll, ODOT Community Liaison, at 541-388-6068 or abbey.driscoll@odot.state.or.us.

Tourism Kiosk located in Wasco, Oregon

Tourism Kiosk Installed in Wasco with Grant Funds

A grant from Travel Oregon, the Oregon state tourism commission, matched funds from the John Day River Territory tourism group, to install a tourist information kiosk near the Depot Museum in Wasco. Three identical kiosks were also installed in Arlington, Prairie City and Mitchell to welcome visitors entering the four-county region of Sherman, Gilliam, Grant and Wheeler Counties. "The kiosk will help visitors in Sherman County find more ways to enjoy our region, spending more time and more dollars," said project coordinator Jessica Metta with Mid-Columbia Economic Development District. Many thanks to Wasco for the location and for the volunteers who helped install the kiosk!

Natural Hazards Mitigation Plan

Sherman County Emergency Management in coordination with the Department of Land Conservation and Development (DLCD), along with several cities and agencies, are hard at work to update the Natural Hazards Mitigation Plan. The Plan is designed to identify natural hazards that could possibly be mitigated to decrease the degree of damage that may occur during an event.

The next Sherman County Natural Hazards Mitigation Plan Steering Committee meeting is scheduled for June 13, 2018 at 2:00PM. The meeting will be held at the Emergency Services Building in Moro.

If you would like to be part of the process to update the Plan, or if you have any questions, please feel free to contact Shawn Payne, Sherman County Emergency Manager and Emergency Services Director. She can be reached at emergencyserv@embarqmail.com, called at 541-565-3100, or stop by her office at 309 Dewey Street; Moro, Oregon.

Renovation of Historic 1899 Sherman County Courthouse Continues

During the month of June the Courthouse renovation will be substantially complete, with final completion of the entire project scheduled for July. The Treasurer/Transit Office is now in its permanent location on the first floor of the Courthouse, and the Assessor's office is now permanently located on the second floor. The Offices of Clerk and Finance Director/Tax Collector are temporarily

relocated upstairs and the County Court Office is still temporarily located in the courthouse addition. It is anticipated that in late June all departments will be moved into their permanent location. Painting on both the inside and outside of the Courthouse will continue into the month of June. Landscape work on the outside is well underway, with trees and ground cover now planted and underground sprinkler and sod installation expected in early June. With work on the renovation of the original structure progressing on schedule, contractors are completing all remaining work inside the Courthouse addition, with artwork expected to begin appearing in June. When work at the entrance areas of both structures is complete and landscape and signage work is finished, the Courthouse facility will finally take on its permanent appearance during the weeks prior to the official dedication on September 7th. More details regarding the dedication will follow in the August edition of the Citizen Reporter.

Sherman County Emergency Management Urges People to Sign up for Mass Notification

There are very few people who have actually signed up for the Emergency Notification System. Please **DO NOT** wait until there is an emergency to do so. This is a great way for you to receive emergency notifications.

The Emergency Notification system gives us the ability to deliver pre-recorded emergency notifications and information messages to targeted areas within one of the four Counties. The system utilizes home phones, cell phones, text, and electronic mail messaging. The system within Sherman County is called FRONTIER REGIONAL ALERT.

To opt in, you simply click on the Frontier Regional ALERT Logo and go through the sign-up procedures. Currently the ALERT logo can be found on the Sherman County home page at www.co.sherman.or.us. If you don't have an email address, and would like to receive your alerts by cell phone or texting, or if you need any other assistance with registering, please contact Shawn at Sherman County Emergency Services at 541-565-3100.

Once again, please sign up as soon as possible and **DO NOT** wait until an emergency to do so.

Spring Grant Awards Announced by Cultural Coalition

Spring grant awards for 2018 have been announced by the Sherman County Cultural Coalition (SCCC) committing \$5,635.00 to projects that strengthen existing cultural resources or engage the community in the arts, heritage, or humanities in Sherman County.

Five project applications met the goals and priorities established by the Coalition in the Sherman County Cultural Plan. Successful applicants and projects are as follows: Lisa's In Stitches & Sage Mountain – *Annual Quilt & Fiber Event*; OSU Sherman County Extension – *Kids Summer Drama Camp*; Sherman County Fair – *Susie McEntire @ Sherman County Fair*; Sherman County Public/School Library – *Makerspace – Craft Cutter*; Sherman 4-H Shooting Club – *Equipment*.

Funding for these community projects was made possible with a grant award received from the Oregon Cultural Trust and matching funds generously provided by Sherman County. Applications for the next grant cycle will be available in the fall of 2018.

For additional information on the Sherman County Cultural Coalition, please see the website at <https://www.shermancountyculturalcoalition.com>.

Highly Rural Transportation Grant Program

Oregon's hugely successful Highly Rural Transportation Grant Program cleared its latest milestone this quarter, crossing the million-mile mark in only three and a half years. Funded by the federal Department of Veterans Affairs and administered by the state, this program is crucial in helping connect veterans who live in extremely rural areas with their VA-sanctioned health care providers and other medical needs.

The program is a state, federal and local partnership, working in conjunction with transportation providers in each of the state's 10 "highly rural" counties (fewer than seven residents per square mile): Baker, Gilliam, Grant, Lake, Harney, Malheur, Morrow, Sherman, Wallowa and Wheeler.

For veterans living in these areas, the nearest VA medical centers are in Boise, Walla Walla, Portland and Roseburg — round trips that encompass several hundred miles, at least.

"Veterans should be free to live where they choose, without having to worry about how they'll be able to access their VA doctors," said Sheronne Blasi, director of Statewide Veteran Services for the Oregon Department of Veterans' Affairs. "This program, with the support of the VA and our incredible partners in these areas, is helping make that possible."

Since the program's inception in late 2014, Oregon's transportation providers have logged 1,012,790 miles. They've also spent nearly 37,000 hours on the road during a total of almost 18,000 trips. That's a tremendous return on investment from the annual grant — which provides only \$50,000 for each participating county. Sherman County has logged 99,648 miles from mid-September 2014 through March 2018 with 3,951 hours on the road. The first three months of this 2018 year, Sherman County has logged 11,977

miles and 351 hours transporting our veterans to their medical appointments. "It is the creativity and dedication of these county and transportation districts that has made this program such a success," Blasi said. "How they are able to do so much with the limited resources available is truly remarkable. It is our privilege to be able to support and continue that work."

"It has really helped our rural veterans," said Angela Lamborn, executive director of the Harney County Senior and Community Services Center, ODVA's transportation partner in Harney County. "Out here, we are so far from everything. Besides us, most veterans don't have any option for transportation other than their own vehicle, and can you imagine driving 170 miles or more when you're not feeling well?"

If you are a veteran living in one of the 10 participating counties and would like more information about the Highly Rural Transportation Program, please contact your local county or transportation office. A complete list of the appropriate contacts can be found on ODVA's website at <http://wp.me/p60SnD-Nf>.

Contact the Sherman County Community Transportation if you are a veteran residing in Sherman County to reserve transportation to your next medical appointment by calling the office at 541-565-3553 or stopping by the office at the Sherman County Courthouse, 500 Court Street, Moro, Oregon 97039.

Volunteerism Important at Wasco School Events Center

Over 670 volunteer hours were reported at Wasco School Events Center for the month of April. Some of the tasks done by volunteers include, but are not limited to: cleaning, painting, labeling, and shelving books, DVDs and audiobooks in the city library; painting and replacing kitchen counters in the Leland Schwendel Auditorium; repairing cracks in the building's interior and exterior walls; grounds keeping; and administrative work.

This does not include the many hours donated by Kari Pinkerton Silcox and Jessica Richelderfer Wheeler, who selected some amazing photos of Sherman County done by county residents, and compiled them into a photo book that they have had published. The profit from the sales of these books earned nearly \$1,000, which will be donated to the Events Center.

Wasco School Events Center Sign

Shawn Payne and Carl Langston provided AED/CPR training to eight adults in May. This was part of a Sherman Development League grant, which included acquiring two AEDs for the Events Center. Those attending the training included WSEC staff and volunteers, school staff, day care staff, and senior center staff.

All Fitness Center members who sign

up a new member between now and the end of August will have their name entered into a drawing – one ticket for each new member signed up. The prize will be announced at a later date.

Coming up **Saturday, September 22**, will be our grand re-opening and fund raiser: **dinner and a silent auction**. In keeping with the school theme, the silent auction will include an item for each letter of the alphabet. If you would like to donate to the auction, contact our manager, Melissa Kirkpatrick, at 541-442-5778. Businesses and individuals will be able to purchase/sponsor a table for eight, a half table for four, or individuals tickets. We will keep you posted as the event gets closer, so stay tuned for more details.
