WORK SESSION
SHERMAN COUNTY COMMISSIONERS MEETING ROOM**

MINUTES

JUNE 11, 2019

Present: Judge Dabulskis, Commissioner McCoy, Commissioner Bird, Seth von Borstel, Neil Pattee, Mayor Perry Thurston, Rod Patten, Eileen Wainwright, Aaron Cook, Gary Thompson, Carrie Pipinich

The work session opened at: 6:00 p.m.

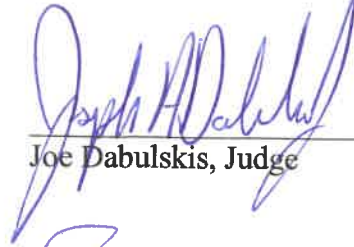

The purpose of the work session was for the Cities and the County to discuss Fiber to the home:

- Gap in funding of \$43,320 – discussed ways to address closing the gap
- County will pay the gap upfront to support project completion in a timely manner. If the Cities are charging a franchise fee to GorgeNet for their services, the Cities will provide revenue generated from that fee to the County to cover their share of the gap for up to five years. After five years if the gap has not been covered, then the County will write off the remaining amount. The Cities will only be obligating the franchise fee revenue from GorgeNet for this repayment.
- Pending contact with County Counsel to draft up a more formal plan.

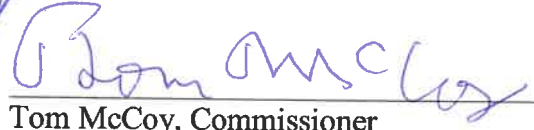

The work session was adjourned at 7:00 p.m.

*Due to technical difficulties this meeting was not recorded.
