C. Solano County DoIT Internship Opportunities in GIS and IT Field Support

- practical experience in Geographic Information Systems and IT troubleshooting. Participants will work under the guidance of IT professional staff, gaining useful skills and habits.
- Key benefits include:
 - Professional Growth: Interns will gain hands-on experience in their chosen field.
 - Community Contribution: The work performed will directly benefit our local community.
 - Compensation: Interns are paid \$17.60 per hour, with flexible scheduling that accommodates school commitments.
- Duration: These opportunities begin in June and can extend for up to six months.
- Applying is straightforward: Interested candidates should send a Letter of Interest and Resume to soco.internship@gmail.com. A Letter of Interest is just a brief explanation of what they want to learn or do during this internship.
- These internships are open to all eligible young adults in California, including recent high school graduates and current college students.
