III. Discussion

- A. Stew update on CGIA (California Geographic Information Association)
 - 1. Stew nominated for a county rep position on Board. Meetings open to all.
 - 2. 3DHP 3D Hydrography Program- to improve hydrographic layers. County in process of completing USGS Lidar QL1, will add bridge, culvert, stormwater to create comprehensive layer for county. Possible USGS matching funds available. Working w ENVI 5 vendor to present to Regis on 3DHP. Asking Regis members to look at budgets to contribute to fund match. CGIA replacing state GIO soon.
 - <https://www.usgs.gov/media/images/3dhp-figure-3-3d-national-topography-model-visualization>
 - <https://www.usgs.gov/national-hydrography>
 - Map of CA GIS Contacts: <https://cgia.org/map-of-ca-gis-contacts/> Fairfield/Jasmin, Daniel included. Missing Suisun City boundary, several entities. Users encouraged to update info via link. Daniel sending city boundaries.
- B. Training updates/Summary of feedback – Daniel
 - 1. Survey results: Teach Me GIS – 2 days, 20 participants (10 county, 10 Regis, 64 on waitlist), 15 respondents to survey (internal). Overwhelmingly positive responses. Prefer more explanation of class structure (some last minute attendee changes). Interest in

Intermediate class. Max is 20 per class (pace, content limitations). Daniel to share draft of Sanborn cooperative agreement. Quote 10k/\$500 pp. from Teach Me GIS. Build cooperative effort at \$500 per org to guarantee one seat, county cover any remaining. Exec committee taking the lead to put together future training/cooperative agreements. Will email info to Regis members.

2. Nellie Q. Is there a schedule for next intro class and/or intermediate class?
 - a. Not yet, looking at fall for intermediate, open to either.
3. Jasmin Q Will contract be ongoing each year? Perhaps 2 a year
4. Rosaly Q are classes available for recording? Daniel to ask
5. Stew Q Cost comparison w ESRI ~\$2200/pp), savings approx. \$1700/pp/class

C. Solano County GIS Resource list – Daniel

- <https://docs.google.com/document/d/1Gw97Ik0JdvyUvHnS6obkeFL70LdQDcAu/edit>
- 1. List of common GIS resources for Emergency/Disaster responses, etc.. Please feel free to add via comment- available for Regis members (may need to request credential access for some links).

D. Update on OES- Daniel

- <https://solano-oes.hub.arcgis.com/>
- 1. OES implemented Zonehaven for Evacuation Management. Zonehaven acquired by Genasys. Will be rebranded. URL's will be updated. Brian requested feed from Zonehaven, Daniel rec'd WMS, WFS with authentication credentials, waiting on new URLs, can add data to Portal/Online to see content, changes still only through Zonehaven environment. Daniel working with Robyn Rains to push county Hub for evac data. Concerns/need to insulate from potential future changes and manage content.
