COMMITTEE REPORTS

T. Mitchell - Mark Ibrahim, of Public Works, met with the contractor to discuss installation of a gutter and leader system to direct rainwater away from the fire museum. The November meeting of the Historic Advisory Committee was adjourned due to lack

of a quorum. Finally, Santa Claus is coming to the Holiday Jubilee this Friday, December 6th.

G. Denys - This Saturday is the 13th Annual Light Parade, sponsored by the Fire Department. We'll be starting right around 6 pm once it gets nice and dark, and then we'll be driving throughout town. You can check out the new route at SomervilleNJ.org.

R. Vroom - This past Thursday, we had the 9th annual Turkey Trot. It's truly tremendous to see how many people will show up and run in the rain with smiles on their faces. I would like to thank everyone for the amount of time it takes to put together an event like that.

Discussion

T. Mitchell - Looks like we're loaning a million dollars to this other town. Is that correct?

K. Sluka - That’s correct. We’ve done this before. The interest rate that we're receiving for this is 4.75 percent, which is greater than the interest rate we receive on other investments.

Discussion

T. Mitchell - Is this a grant?

K. Sluka - No, it’s a class-action lawsuit we’ve been involved with for a couple of years. This is the payment we receive from the defendants in the case that settled the matter.

T. Mitchell - It’s not going into general revenue?

K. Sluka – It has to be used specifically for areas that are identified in the lawsuit.
