G. Brady - This is part of an agreement with the developer. They will pick up the debt service for the first five years. They're close to completion. This will be a borough road.

K. Sluka - We're making an adjustment. The original agreement was five years amortized over 30 years. We're looking at a full financing program with the county and may finance this over 15 years, at a lower rate.

Comments

T. Mitchell: Asked for an explanation of what this is and how much it will cost.

K. Sluka: About a year ago, you authorized the purchase of a fire truck with a cap of about \$800,000. The Fire Department have cut back in different areas, but need additional money. We're amending the ordinance to authorize the purchase.

G. Stravic: Is some money coming from flood insurance?

K. Sluka: Not for this acquisition. They're going to hold on to the vehicle they purchased from Scotch Plains and that will be a backup. The purchase is allocated at \$819,000. Prices have increased, but this is still a reasonable purchase price.

G. Stravic: What is the expected life?

K. Sluka: Generally it's 20 years, then it will be appraised and reviewed. The length of debt service is 20 years as well.

R. Vroom: This will replace Engine 1.
