# CITY OF SONOMA

## RESOLUTION NO. 19 - 2016

### A RESOLUTION OF THE CITY OF SONOMA AND THE SUCCESSOR AGENCY OF THE FORMER SONOMA COMMUNITY DEVELOPMENT AGENCY ADOPTING THE OPERATING AND CAPITAL BUDGET FOR FISCAL YEAR 2016-2017 AND WAIVING THE ANNUAL ALLOCATION EQUAL TO ONE-QUARTER OF ONE PERCENT OF THE BUDGETED GENERAL FUND EXPENDITURES TO THE PUBLIC ART FUND FOR THE FISCAL YEAR 2016/2017

WHEREAS, the City Manager submitted a preliminary one-year operating budget to the City Council which has been given due and careful study and consideration, and which the Council finds to be a true and concise statement of projected revenues and disbursements for fiscal year 2016-2017 and designed to effect the best possible use of City revenues.

WHEREAS, the City Council, in keeping with its desire to encourage the development of public art within the City, adopted Ordinance No. 04-2009 establishing a Public Art Program in the City of Sonoma on April 1, 2009; and

WHEREAS, the ordinance established funding mechanisms which included a contribution to the Public Art Fund of 1% of the project valuation costs in excess of \$250,000 for public development projects and an annual City allocation equal to one-quarter of one percent of the City of Sonoma's budgeted general fund expenditures; and

WHEREAS, the ordinance included a provision allowing the City Council to waive or reduce the annual allocation if the City's financial situation did not allow for the funding to be set aside. Said waiver to be adopted by a resolution setting forth findings for the waiver; and

WHEREAS, since 2012, the City of Sonoma has been impacted by the dissolution of the Sonoma Community Development Agency and has absorbed a number of costs into the City's General Fund including the costs of capital projects and administration and, as a result, the City lacks sufficient operating funds in Fiscal Year 2016 – 2017 for a transfer to the Public Art Fund; and

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Sonoma that the total operating and capital budget submitted by the City Manager in the amount of \$31,381,210 as set forth in Exhibit "A" which is attached hereto and by this reference made a part hereof is hereby adopted as the total operating and capital budget of the City of Sonoma for fiscal year 2016-2017.

BE IT FURTHER RESOLVED, that the 2017 Capital Improvement Plan is approved in accordance with the CIP plan attached as exhibit "B" and incorporated into the 2016-17 Operating and Capital Budget for the City of Sonoma:

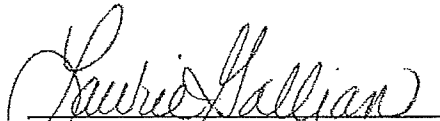

BE IT FURTHER RESOLVED by the City Council of the City of Sonoma that based on the following findings, the annual allocation equal to one-quarter of one percent of the budgeted general fund expenditures to the Public Art Fund is hereby waived for Fiscal Year 2016/2017.

FINDINGS:

- 1) Since 2012, the City of Sonoma has been impacted by the dissolution of the Sonoma Community Development Agency resulting in absorption of significant costs by the City General Fund;
- 2) The City of Sonoma is anticipating that growth of major revenue sources will be lower than growth in major costs for the City's core services.
- 3) Public Art funding does not fall within the City's priority for maintaining its core services.
- 4) The City Council adopted a balanced Operating and Capital Budget for Fiscal Year 2016-17 with no excess funds for services that are not identified as core services.

PASSED AND ADOPTED by the City Council of the City of Sonoma at their regular meeting held on the 27<sup>th</sup> day of June 2016 by the following vote:

AYES:	Hundley, Cook, Gallian, Agrimonti, Edwards
NOES:	None
ABSENT:	None

## 2016 - 2017 OPERATING & CAPITAL BUDGET CITY MANAGER MESSAGE

June 27, 2016

To Mayor Gallian and Members of the City Council:

On behalf of the entire City staff, I am pleased to present the 2016-17 Operating and Capital Budget for the City of Sonoma. This budget includes the resources to accomplish Council Goals while identifying and funding vital services that are important to the community. This budget also reinvests in infrastructure, maintains core public responsibilities and provides employees with the tools and equipment to deliver services to our citizens in the most cost effective way.

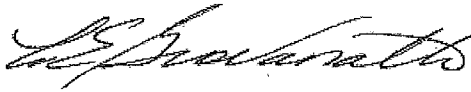

The City's Operating and Capital Budget is one of the most important discussions that the Council engages in during the year. The annual budget is a policy document which sets the financial course for the City of Sonoma and defines the service priorities provided to the community. The prudent management of annual revenues and expenses protects the City from engaging in obligations beyond reasonable limits or setting expectations for growth that cannot be sustained. The City has experienced a healthy economy with significant gains in major revenue sources over the past several years. This is mainly due to the recovery from the recession and the vibrant tourism and real estate market. What staff has seen during fiscal year 2015-16 is the leveling off of the economy which is and should be expected. Therefore, projections for revenue growth have been set conservatively and will need to be monitored closely throughout this year. Sonoma has a built-in economic mediation level which is at an enviable peak compared to other communities. Still, it is one that needs to be recognized and respected now to assure that should the State and National economists be correct, when the next recession wave hits (predicted in 2018) the City will have maintained its solvent financial position especially considering the significance of economically sensitive revenues such as Transient Occupancy Tax and Sales Tax.

Council's direction through their 2016 - 2017 FISCAL MANAGEMENT Goal is to *Maintain a high level of fiscal accountability that ensures short and long-term sustainability of City's financial position; provide for effective and efficient management of local taxpayers' dollars; apply prudent internal policies and practices to assure the most cost-effective methods are utilized; be wise with our resources.* Applying this principle, before you is a fully balanced budget for the City of Sonoma and the Sonoma

Successor Agency for FY 2016-17 for all City funds in the amount of \$31,363,836. Every Department Manager and all staff members are to be commended for their hard work and dedication in putting this budget together, most notably Finance Director DeAnna Hilbrants who provided exemplary leadership this year in budget development. Collectively and individually they played an integral part in formulating this budget from research, to recommendations, to reconciliations, to “watching every penny”. I hold every member of City staff in high esteem as they are very prudent in spending taxpayer dollars. This is most clearly visible in the fact that several departments have reduced their budgets without a requirement or specific direction to do so.

It is because of the efforts of all staff, working together with the City Council as a team, that the City of Sonoma maintains a quality of life and standard of excellence that is experienced by residents, businesses and visitors on a daily basis. As a City Manager, I am fortunate to lead such a stellar group of individuals.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Carol E. Giovanatto".

Carol E. Giovanatto, City Manager

## **EXECUTIVE SUMMARY**

### **Profile of the City of Sonoma**

The City of Sonoma is located in southeastern Sonoma County in the San Francisco Bay area on State Highway 12. The City is about 50 miles northeast of San Francisco and 20 miles southeast of the City of Santa Rosa. Approximately 2.2 square miles in size, the City of Sonoma is a small, historic community of some 10,933 residents. Located in the heart of the Wine Country and surrounded by world-class wineries and scenic vineyards, the mainstays of the local economy are agriculture, tourism, and public services. The City serves as the economic hub of Sonoma Valley.

Originally founded in 1823, the City was incorporated on September 3, 1883 under the general laws of the State of California. The City is a municipal corporation operating as a general law city. The Sonoma City Council consists of five members, elected at-large to four-year overlapping terms. Council members must be residents of the City. The positions of Mayor and Mayor Pro Tem are chosen by the City Council through policy direction determined by the City Council. The Mayor conducts the Council meetings and represents the City on ceremonial occasions.

The City Council serves as the policy board for the municipality. As an elected quasi-Board of Directors, the City Council provides policy direction, establishes goals, and sets priorities for the City government. In addition to serving as the policy makers for the community, the City Council also is responsible for numerous land use decisions within its borders, including the General Plan. The City Council appoints the City Manager, City Attorney, and all members of advisory boards, commissions, and committees.

The City of Sonoma operates under a Council-Manager form of government. The City Manager is considered the Chief Executive Officer (CEO) of the City as a municipal corporation. The City provides municipal services that include public safety, public works and parks, community development and community activities. In addition, the City operates a water system and three cemeteries in the form of enterprise activities. This report includes all funds of the City of Sonoma and its blended component unit, the Successor Agency of the Sonoma Community Development Agency, for which the City is financially accountable.

The City Council establishes annual budgets for the General Fund and all Special Revenue Funds, except for certain Special Revenue Funds for which expenditures are controlled by grant funding or by assessments received. Budgetary control is legally maintained at the fund level for these funds. Department heads submit budget requests to the City Manager. The City Manager prepares an estimate of revenues and prepares recommendations for the next year's budget. The preliminary budget may or may not be amended by the City Council and is adopted by resolution by the City Council on or before June 30 in accordance with the municipal code.

In Sonoma, the total labor force is approximately 8,200. In April, the State Employment Development Department reported that unemployment in Sonoma County is approximately 3.8%. This is the lowest level since 2006.

### **Purpose of the Budget**

The budget is a comprehensive financial plan that articulates the goals and objectives of all City departments for the following year. Department managers prepare budgets and outline goals and objectives for the next year. The budget is also an opportunity to look back and accomplishments in the current fiscal year.

### **Current Financial Condition**

The City survives and thrives on a tourist based economy. The City has seen a vibrant recovery from the recession and economic downturn. As had been anticipated, the continual incline is beginning to reflect a gradual leveling off. This is not without justification as hotel occupancy rates are bumping the 85-90% ranges. While most revenues are anticipated to continue to grow, there is concern at the economic levels about a future recession and the protracted economic recovery. Typically economic recoveries have lasted five years and the current recovery has lasted seven years.

After weathering the recession, the City was significantly impacted by the State's dissolution of redevelopment in 2012. City Council took proactive action and prepared a Transactions and Use Tax measure (Measure J) for the ballot. This was approved by voters and has provided for ongoing capital projects and to continue to maintain desired and critical services to the community. Measure J local tax has performed well for the City resulting in ongoing capital maintenance especially of City streets. This measure expires in June 2017. Therefore, during this budget year, City Council will need to consider replacing this measure on the ballot or consider ongoing cuts to services.

Overall, the City is in sound financial position and the current State of the City is good-to-excellent. This "rating" is attributed to current and past municipal fiscal stewardship by Council and staff who have focused on maintaining a conservative approach to revenue projections, tight budget controls and the on-going review of internal policies and procedures to assure that all work products and tasks gain the highest of efficiencies. The public can be secure that taxpayer assets are managed with the utmost respect and oversight. The addition of a 'stand-alone' Finance Department in 2014-15 has increased this level of professional management and accountability for the use of taxpayer funds. The next transition to be completed in the 2016-17 fiscal year will be to update the City's Reserve Policy in accordance with new Governmental Accounting Standards and to insure that City reserves are properly designated for future municipal needs.

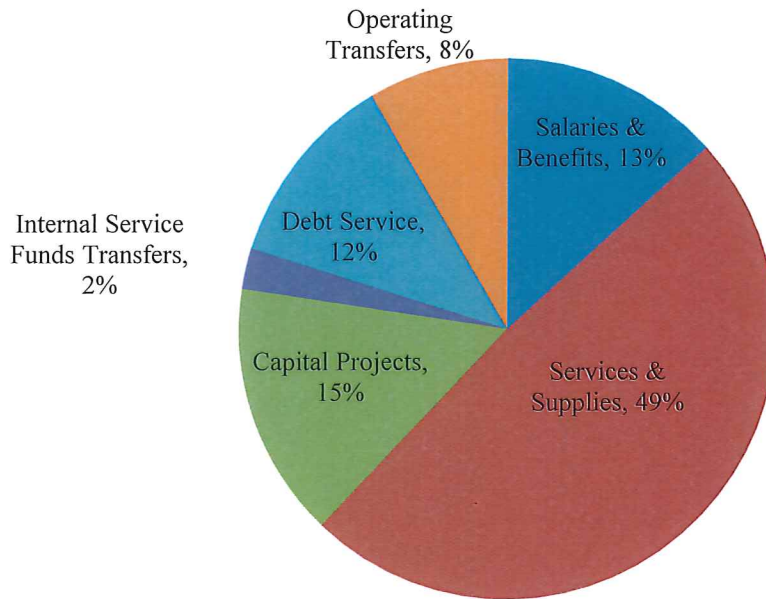

### **Budget Overview:**

The City of Sonoma presents a total balanced City budget for the period July 1, 2016 through June 30, 2017 in the amount of \$31.3 million which is inclusive of all funds. This is a slight decline from Fiscal Year 2015 – 2016 primarily related to completion of several large capital projects in Fiscal Year 2016.

City of Sonoma expenses can be grouped into several broad categories. The largest category of expenses is Services and Supplies. This is primarily a result of contracting police and fire services.

## Expense By Category

### Expenses by Fund:

A breakdown of budget by fund follows:

Fund	2016	2017	Change	% Change
General Fund (100)	16,958,914.00	17,010,423.00	51,509.00	0.3%
Maysonnave (221)	10,430.00	10,430.00	0.00	0.0%
Capital Improvement (301)	100,000.00	60,000.00	-40,000.00	-40.0%
Gas Tax (302)	1,145,103.00	878,947.00	-266,156.00	-23.2%
Successor Agency (391)	3,727,493.00	3,818,008.00	90,515.00	2.4%
CREBS (495)	41,749.00	41,749.00	0.00	0.0%
POB (498)	411,350.00	412,225.00	875.00	0.2%
Cemetery (501)	253,446.00	255,277.00	1,831.00	0.7%
Cemetery Endowment (504)	50,000.00	50,000.00	0.00	0.0%
Water (510)	8,340,367.00	7,945,506.00	-394,861.00	-4.7%
Management Information Systems (601)	254,820.00	324,590.00	69,770.00	27.4%
Vehicle Replacement (603)	247,625.00	232,780.00	-14,845.00	-6.0%
Long Term Building Maintenance (610)	227,471.00	341,275.00	113,804.00	42.4%
<b>TOTAL</b>	<b>31,768,768.00</b>	<b>31,381,210.00</b>	<b>-387,558.00</b>	<b>-1.2%</b>

### **Global Changes for 2016-17 Affecting All Budgets**

In each of the Departmental Budgets, some general changes have been included based on prior contractual agreements or realignment of costs initiated to better capture the appropriate accounting structure or cost share. Each is briefly discussed as follows:

- **Personnel Salary Increases Per Memorandum of Understandings (MOU):** Agreements for wages and benefits increases incorporated an overall 1.75% salary increase for FY 2016-17 offset by City employees paying an additional .25% towards City retirement. The current MOU expires on June 30, 2017.
- **CalPERS increase:** The City's share of employee retirement rate increased from 9.353% of payroll to 9.558% of payroll not including the share paid by employees. As a result of changes in labor agreements, the effective City share of employee retirement costs is 8.558% effective January 1, 2017 excluding a fixed annual payment for Unfunded Actuarial Liability (UAL). As the result of an accounting change, the fixed annual payment for Unfunded Actuarial Liability (UAL) was moved from each department's budget to the "Transfers to Other Funds" budget. Those changes are further in that department budget review.
- **Employee Health Insurance:** While many California cities are experiencing significant increases in employee health insurance costs, the City of Sonoma has experienced minimal cost increases for two reasons: (1) a change to REMIF self-insured health plans has kept rates relatively stable and (2) City's contribution to employee health insurance is fixed based on enrolled members (single, couple, family). Therefore, if health insurance rates rise, those increases are not borne by the City. It is also important to note that the City does not offer medical benefits upon retirement therefore it does not have any outstanding liability for former employees. This is an outstanding credit to past administrations which protected the City and future taxpayer obligations.

## General Fund Overview

The General Fund is the largest Fund in the City budget with proposed budget for FY 2016-17 at \$17,010,424 an overall increase of 0.3% over the FY 2015-16 budget. The primary source of this increase is related to costs that were formerly paid using Redevelopment Property Tax Trust Fund dollars which now much be paid from the City General Fund. While this amount represents a fully balanced budget, there are no excess revenues over expenditures. Normal operating increases are anticipated and included. The General Fund provides funding for all direct public services including Administration, Community Development, Public Works and Public Safety. The City of Sonoma continues to experience fiscal stability, based in major part on wise decisions by current and past City Councils and staff to maintain expenditure controls coupled with a solid tax base of three dominant revenue sources – Transient Occupancy Tax (TOT), property tax and sales tax (including Measure J). In conjunction with this stable tax base, the City’s budget also includes a local revenue measure to assist with meeting the long-term Goals set by the City Council for a sustainable Sonoma. In October 2012, a majority of voters approved Measure J, a City .1/2% sales tax for a period of five years (sun-setting in June 2017). As a “general” tax, Measure J revenue is dedicated to local services in the City of Sonoma. This was the promise to the voters who passed the tax and this is what the proposed budget validates. This fiscal stability has provided continued security in terms of keeping City services intact and expanding where appropriate, to meet the needs of our residents. As directed by the City Council in their 2015-16 Goals, staff will be initiating efforts to begin formulating the election cycle for renewal of Measure J for the November 2016 ballot. As required by State revenue and taxation code, a tax measure must be (other than by Special Election) placed on a ballot of general election during which candidates for local electoral seats are running for office. Parallel to this requirement are the timeframes that the expiration of the Measure J tax measure which will occur mid-point of a regular election cycle. Total tax dollars from Measure J contributing to the sustainability of the public services and Capital Infrastructure upgrades for the citizens of Sonoma is approximately \$2.2 million annually.

The General Fund maintains stable reserve levels in accordance with the City’s Reserve Policy and Council Goals. Prudent and effective financial, economic and service planning over many years by Council and staff has resulted in the General Fund being in a very stable condition. Reserve levels for the City’s General Fund are at approximately 26% of discretionary revenues, excluding the Emergency Reserve dedicated as business continuance in the event of a major disaster. Over the last two years, Council has directed transfers from reserves including the pool scholarship fund (\$250,000 in Fiscal Year 2015); additional contribution to the Community Fund (\$27,900 in Fiscal Year 2015); and the Broadway housing project (\$100,000 in 2016). Once financials are closed for these years, the City may find that percentage of cash in reserves is declining resulting from these tranfers combined with increasing revenue on which reserve targets are based. In the coming months, staff anticipates bringing a new Fund Balance Policy in compliance with new Government Accounting Standards Board (GASB) recommendations. This Fund Balance Policy would replace the existing reserve policy.

### General Fund Revenue:

The General Fund supports most City services such as Public Safety, Public Works, Community Activities, Development Services, and Administration. Primary General Fund revenue sources include: Transient Occupancy Tax (TOT), Sales Tax, Measure J, and Property Tax. These revenue sources represent over 80% of discretionary revenue for the City.

Other discretionary revenue includes: Business License Tax, Franchise Tax, Real Property Transfer Tax, and Interest.

The following are excluded from Discretionary Revenue:

- Fees, permit charges, and licenses which are intended to recover costs associated with certain activities and cannot exceed the cost of providing those activities.
- Transfers which are associated with specific activities such as capital projects and debt service.
- Redevelopment Property Tax Trust Fund (RPTTF) Successor Agency Administration reimbursement from the Recognized Obligation Payment Schedule (ROPS)

- Grants which are associated with specific projects.

During the last few years, the City has benefitted from robust property taxes and significant tourism related revenues including Transient Occupancy Tax (TOT) and Sales Tax. During Fiscal Year 2015-2016; staff reported that growth in these revenue sources is declining. The budget for Fiscal Year 2016 – 2017 projects that growth in these revenues will remain flat. Sonoma's largest industry is tied to tourism and as such we measure our revenue stream and economic viability by those "tourism-related dollars" of TOT, Sales Tax, and Measure J. As a result of a continuously growing tourism industry in Sonoma, over 50% of all General Fund revenue comes from these three sources. Tourism is not solely related to overnight visitors (i.e. "heads in beds"). In fact restaurants and food-products are the top sales tax producing category. Tourists are also supporting our local restaurants. Sonoma is fortunate to have these sources to sustain the public services for our residents and keep our business community whole but it is important to recognize that these revenue sources are very sensitive to economic fluctuations. To assure that the City maintains prudent fiscal management of revenue resources, staff is reducing growth predictions in the tourism-related areas.

**Transient Occupancy Tax (TOT):** The City of Sonoma TOT or "hotel tax" is 10%. An additional 2% is collected and remitted to the Tourism Improvement District. The Sonoma Tourism Improvement District was formed to provide a stable source of funding for a sustained marketing program with the goal of increasing occupancy and room revenues at lodging properties in the City of Sonoma. TOT represents 27% of discretionary revenue. After growing nearly 10% in Fiscal Years 2014 and 2015; TOT revenue growth appears to be declining. For Fiscal Year 2017, staff projects an increase of 2% in this revenue source. This is also consistent with projections made by the Tourism Improvement District (TID).

#### **Sales Tax and Measure J:**

The sales tax rate in the City of Sonoma is 8.75%. The City generally receives 1% of as local sales tax and 0.5% from the Measure J Transactions and Use Tax. In addition, the City receives 6% of Public Safety Sales Tax collected in the County. Use of this revenue is restricted to public safety purposes. The City also receives an allocation of Measure M from the County for use on streets projects.

The largest performing economic sector for sales tax is food products especially restaurants and markets. Staff again exercises caution as these sectors are very economically sensitive.

In Fiscal Year 2014 and 2015, sales tax grew 4% per year. For Fiscal Year 2016, sales tax growth is projected at 1%. Measure J is anticipated to decline over 5% from 2015. While Sales Tax is forecasted to grow 3% in 2017, Measure J is forecasted to decline in 2017. As noted previously, the Measure J Transactions and Use Tax is scheduled to expire in June 2017.

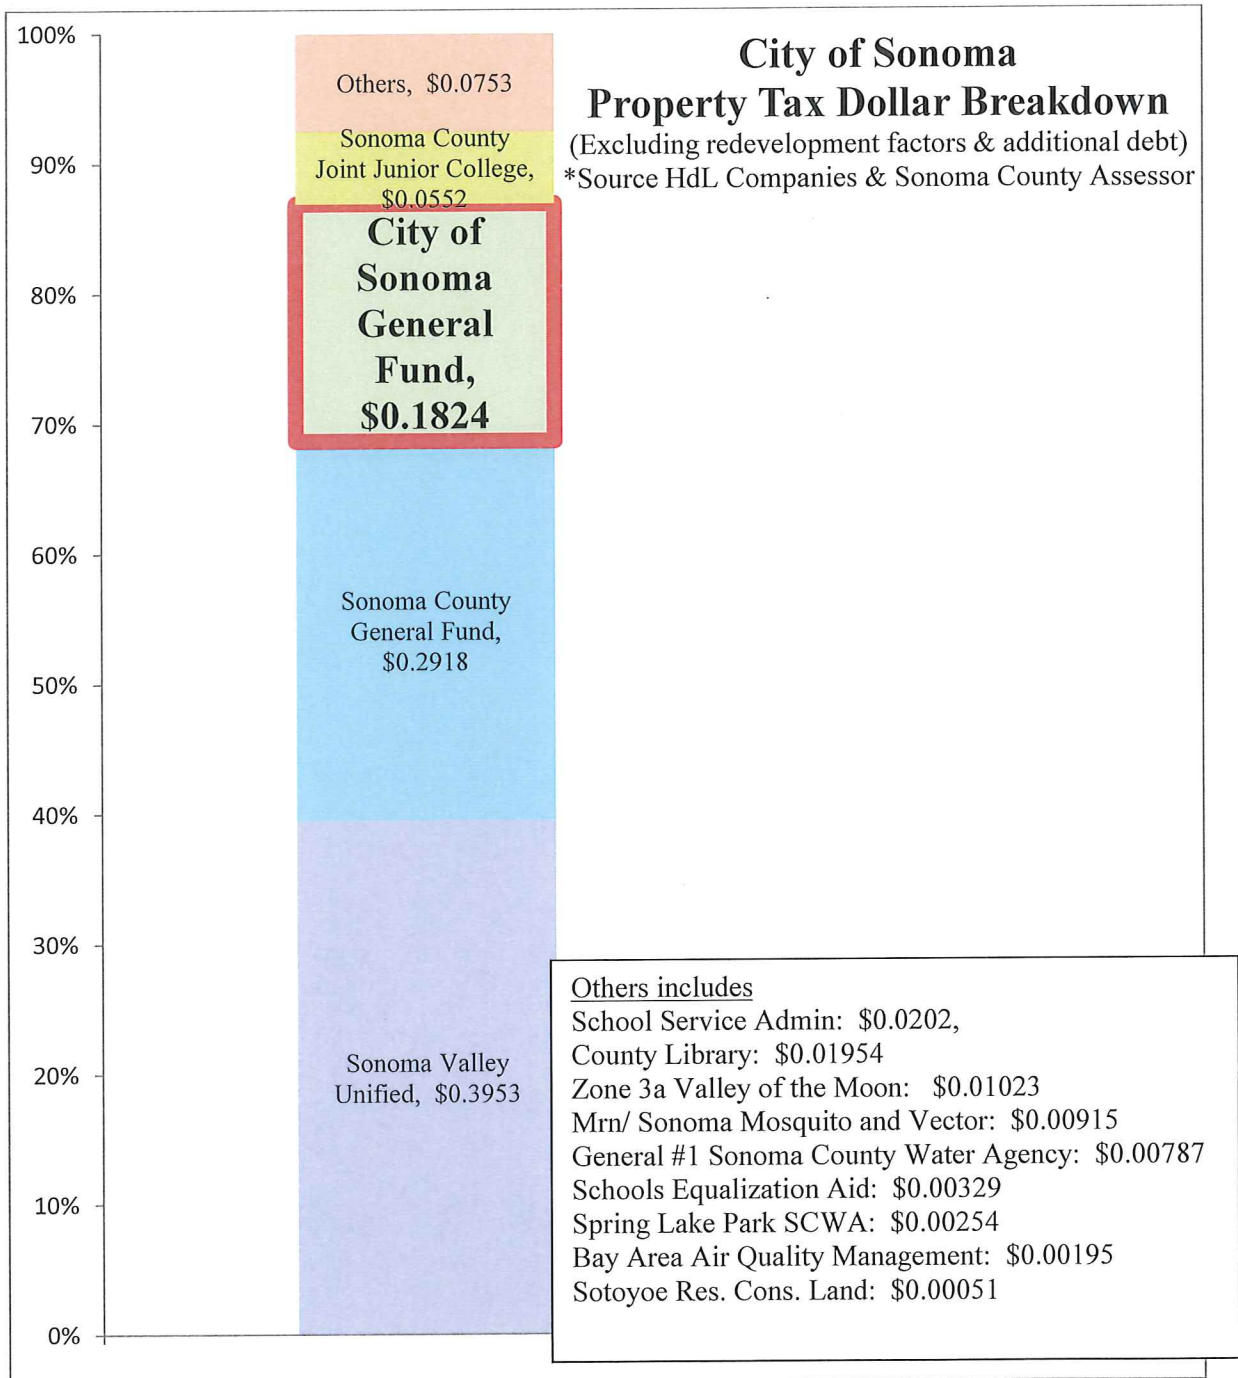

Sales tax revenues are collected by the State and allocated as depicted in the below graph:

## City of Sonoma: Breakdown of Current Sales Tax Rate

**Property Tax:**

The City of Sonoma receives approximately 18 cents of every property tax dollar remitted. The largest portion of property tax dollars is remitted to local school districts with the next largest portion submitted to Sonoma County. The chart on the following page is a general breakdown of sharing for property tax funds for City of Sonoma properties.

Based on information received from the Sonoma County Assessor and historical trends, property tax is projected to increase 3.5% for Fiscal Year 2016-2017.

**Other Revenue Sources:**

- Users Fees, Licenses, Permits, Fines, Forfeitures, Rent: While the primary mission of government is to satisfy community needs, many City services solely benefit specific individuals or businesses. It is the City's policy that the public at large should not subsidize activities of private interest through general tax revenues. The City has therefore established user fees to ensure that those who use proprietary services pay for those services in proportion to the benefit received. Fees that do not recover the full cost of providing the service result in a General Fund subsidy which shifts funds away from other critical and high priority programs that may not have similar cost recovery options. Council adopted the most recent annual fee schedule update with an effective date of January 2016. Primarily as a result of improved collections of Emergency Medical Services (EMS) Charges and the Fire Departments participation in additional revenue recovery programs such as Intergovernmental Transfers (IGT) and the Ground Emergency Medical Transport (GEMT) program, revenues from fees are related sources are anticipated to increase in Fiscal Year 2017. Fees are typically reviewed annually and staff anticipates a review in before the end of the calendar year.
- Business License Tax: Improved enforcement of the Business License Tax, including engagement of the City's Code Enforcement Officer and City Prosecutor, has resulted in collections and penalties for unpaid licenses in prior years. Business License Tax revenue is anticipated to increase in 2017 as these strong enforcement programs continue.
- Franchise Tax: Franchise Taxes are collected from businesses that are granted franchises to provide services in the City such as gas and electric, cable TV, telephone, and garbage collection. The City is realizing strong performance in this revenue item but cautions that collections are based on fluctuations in commodity prices and economic issues.
- Real Property Transfer Tax: Real Property Transfer Tax is forecasted to decline in 2016 from actual collections in 2015 but remains above budget. Therefore, staff projects small increase in 2017. The City rate is at the maximum tax rate allowable under state law.
- Other Revenues: In 2016, over \$400,000 was anticipated in grant and reimbursement revenue for capital projects. For Fiscal Year 2017, only \$70,000 in anticipated. This is offset by a similar decrease in capital project expenses. Staff continues to seek out new grant opportunities to offset the cost of projects.
- Prior Year Roll Forward: Due to incomplete capital projects budgeted in Fiscal Year 2016 and unearned revenues (such as for incomplete building permit activity that has been paid by applicants), \$600,000 has been identified as available funds to roll forward into Fiscal Year 2017.

## **General Fund Expenses:**

The General Fund budget includes:

- Administration: City Council, City Clerk, City Manager, Finance, City Attorney, Successor Agency Administration, Non-Departmental
- Public Safety: Police and Fire
- Development Services: Planning & Building
- Public Works and Capital Projects
- Community Activities
- Transfers: This “department” comprises all funding from the General Fund which supports other operations of the City [referred to as “Transfers to Other Funds”].

The General Fund is the supporting fund for both the Gas Tax and Cemetery Funds each of which historically have not have sufficient annual revenues to balance expenditures. In 2012, the Council adopted a budget policy to contain the deficits by making annual transfers from the general fund to balance the annual budget until a long-term financing plan can be established. The deficit in the Gas Tax was resolved in a prior fiscal year but the General Fund continues to provide funds to balance the budget on an ongoing basis. The Cemetery Fund remains in a significant cash deficit fund balance position which effectively reduces General Fund cash available for reserves. This year, for the first time since 2002, the Cemetery Fund will not require a transfer from the General Fund to balance. (The deficit from prior years remains but will not grow.)

The following recommended budget includes a general fund that is in balance without the use of City reserves. The expenditures within the General Fund [as well as other Funds within the Budget] reflect the Council Goals and Priorities for 2017.

## **Other Funds Overview**

### **SPECIAL REVENUE FUND - Gas Tax Special Revenue Fund:**

The Gas Tax Fund is designated as a Special Revenue Fund which is dedicated for specific purposes/projects and their uses are legally restricted. The City Gas Tax Fund accounts for all street-related expenditures including personnel, street sweeping, engineering, pavement and sidewalk maintenance, and capital infrastructure projects. Gas Tax revenues are derived from fuel surcharge taxes. Uses of these funds are strictly regulated by the State Board of Equalization to be utilized solely for travel way purposes. The Gas Tax Fund must maintain a “Maintenance of Effort” (MOE) level to be eligible to receive grants and State funding. The City accounts for all street general maintenance costs through the Gas Tax Fund to maintain its MOE level. This fund has become non self-sustaining as the State has lowered the funding level of Gas Tax and shifted other street-related dollars. In addition, Gas Tax revenues have been impacted by lower gas prices. Since approximately 2010, the General Fund has continued to transfer funds to sustain this fund. The Governors initial proposed budgeted anticipated some additional highway maintenance funding but, as of the date of publication of this budget, no new funds have been identified. In FY 2016-17 the total transfer from the General Fund is \$401,805.

## **ENTERPRISE FUNDS- Cemetery & Water**

The City maintains two Enterprise Funds (Water and Cemetery). By Governmental Accounting definition, Enterprise Funds are *“to account for operations that are financed and operated in a manner similar to private business enterprise-where the intent of the governing body is that the costs of providing goods or services are financed or recovered primarily through user charges.”*

### **Water Fund:**

The Water Fund is an Enterprise Fund and is therefore funded through user fees as required by Governmental Accounting Standards. This was ratified through the adoption of the 2014 Water Rate Study and Rate Plan update in compliance with Proposition 218.

The Water Utility provides for the maintenance and operation of the City's water distribution system. Water supplied to Sonoma customers is wholesale-purchased through an agreement with the Sonoma County Water Agency augmented in part by City wells. The FY 2016-17 Budget was developed based on the adopted 2014 Water rate structure and operational model including the change in the tiered rates for both residential and commercial customers. In 2016, Council adopted a pass-through increase due to the greater-than-anticipated increase on wholesale water costs from the Sonoma County Water Agency. Continued focus in water conservation education, monitoring and maintenance efforts is forefront in this year's budget. Shifting duties and responsibilities and participation in Countywide promotions to raise public awareness is a constant. The Water Conservation line item includes \$100,000 in funding for conservation and rebate programs. The City has engaged the major tourism establishments to assure that they are distributing the water conservation message to their guests. This budget also includes funding to continue evaluating the recycled water project and groundwater management program.

### **Cemetery Fund:**

The Cemetery Fund accounts for maintenance and operation of the Mountain, Valley, and Veterans' cemeteries. Operational revenues are generated through site sales, burial costs, and miscellaneous lettering charges. Expenditures from the funds result from activities related to burials, maintenance of existing plots and landscaping, brush clearing, weed abatement, litter, and utilities. The Cemetery Fund remains in a serious cash deficit position of approximately \$1.6 million. Because of the nature of this long-term deficit (Cash), the General Fund became the provider of operational cash from the years that the Cemetery was in a declining fiscal position. The City has not ignored this deficit and has worked diligently to address possible solutions including previously convening a Cemetery sub-committee to review operations and potential to privatize the operations [including sale of the Cemetery property]. During the past two fiscal years, the City's General Fund has added additional operational support to the Cemetery fund by transferring an annual amount generally in excess of \$100,000 each year to sustain the fund and not increase the existing deficit.

After a number of years with a growing deficit, in 2012 the Council adopted a policy to transfer funds (from General Fund revenue) to the Cemetery fund so that a balanced budget is adopted each year. While this has not removed the deficit, it has prevented the

deficit from growing larger. In 2016, for the first time since 2002, the Cemetery fund is in balance without the need for a general fund transfer. Again, this does not reduce the prior year deficit but does prevent further growth of the existing deficit. Staff will be addressing a process to begin a repayment or write-down of the deficit from the Cemetery Fund to the General Fund in FY 2016-17.

### **SPECIAL FUND**

#### **Successor Agency to the Former Community Development Agency**

**Successor Agency:** The Successor Agency provides for receipt of RDA Property Tax Trust Fund (RPTTF) funds and payment of former Community Development Agency expenses approved by the State Department of Finance.

### **INTERNAL SERVICE FUNDS**

The City uses Internal Services Funds to provide options to:

- Develop reserves for large purchases such as vehicles (Vehicle Replacement Fund) or large building maintenance activities (Long Term Building Maintenance Fund). This avoids large fluctuations due to large asset purchases or significant repairs.
- Finance and Account for activities provided to all City Departments (Insurance Fund and Benefits Fund)

(The Management Information Systems Fund includes both of the above activity types)

### **OTHER MINOR FUNDS**

#### **Minor Funds:**

Secondary minor funds and Internal Service Funds are self-balancing through interfund transfers. This includes: Maysonnave (221), Capital Improvement Fund (301), Debt Services Funds [CREBS (495) and Pension Obligation Bond (498)] and Cemetery Endowment (504)

## EXPENSE OVERVIEW

The recommended expense budget in the General Fund [as well as other Funds within the City Budget structure] reflect the Council Goals and Priorities for 2017.

This action would authorize budget appropriations for the General Fund and several other funds as outlined below:

- General Fund: The General Fund budget as presented is balanced with no proposed transfer from reserves. An overview of all departments follows with details included in supplemental information provided at the City Council budget workshop held on June 9, 2016:
  - City Council: The recommended budget for City Council includes an increase of \$47,839 (53%). This change primarily results from changes to Councilmember benefit elections.
  - City Clerk: The recommended budget for City Clerk Department includes an increase of \$47,176 (29.5%). This change is primarily related to election costs and costs of transition of new City Clerk due to retirement of the incumbent.
  - City Manager: The recommended budget for City Manager Department includes a decrease of \$11,811 (-6.1%). The change is primarily related to accounting changes and completion of one time projects in 2016.
  - Finance Department: The recommended budget for Finance Department includes a decrease of \$8,349 (-3.7%). This change is primarily related to salary savings resulting from sharing a position with the Police Department.
  - Legal (City Attorney & City Prosecutor): The recommended budget for Legal includes an increase of \$43,035. This change is primarily a result of the addition of a code enforcement program to the City Prosecutor agreement.
  - Police: The recommended budget for Police Department includes an increase of \$188,793 (4.2%) primarily related to increase costs of the contract with the Sonoma County Sheriff's Office.
  - Fire: The recommended budget for Fire Department includes an increase of \$1,094 primarily related to increase in the costs of the contract with the Valley of the Moon Fire Protection District.
  - Public Works: The recommended budget for Public Works includes a decrease of \$47,907 (-3.9%). The change is primarily related to accounting changes and completion of one time projects in 2016.
  - Streets / Capital: The recommended budget for Streets / Capital includes a decrease of \$636,400 (-35.1%) resulting from completion of some streets capital projects.
  - Planning: The recommended budget for Planning Department includes a decrease of \$8,339 (-1.2%) resulting from the completion of the Circulation Element.
  - Development Services: The recommended budget for Building / Development Services Department includes a decrease of \$6,877 (-1.3%). The change is

primarily related to accounting changes and completion of one time projects in 2016.

- Community Activities: The recommended budget for Community Activities includes an increase of \$225,217 (64.5%). These changes are primarily a result of:
  - Transfer of costs from other budgets to better reflect expenses allocated for outside organizations. This includes:
    - Transfer of costs previously included in the former Community Development Agency Recognized Obligation Payment Schedule (ROPS). This includes: Sebastiani Theatre (\$89,316) and Visitor's Bureau (\$100,000).
    - Transfer of costs from other budget units such as transfer of Cultural and Fine Arts Commission costs from the non-departmental budget.
  - Increase in Community Fund Grants due to new Council policy that determines funding based on 1.5% of specific revenue sources (\$6,401).
  - Addition of Special Events Coordinator.
- Successor Agency Administration: The recommended budget for Successor Agency Administration includes an increase of \$67,070 primarily as a result of litigation that disallowed legal fees to be paid as Recognized Obligation Payments and, therefore, the responsibility of the City's General Fund.
- Non-Departmental: The recommended budget for Non-Departmental expenses includes an increase of \$16,927 primarily related to the need to update the City's All Hazards Mitigation Plan.
- Transfers to Other Funds: The recommended budget for Transfer to Other Funds includes an increase of \$176,042 primarily related to an accounting change for budgeting and posting of PERS Unfunded Liability payments for miscellaneous employees. This is offset by a corresponding reduction in department budgets.
- Special Revenue Funds
  - Maysonnave Property Fund: The recommended budget for the Maysonnave Fund includes no changes from the prior year.
  - Gas Tax Fund: The recommended budget for the Gas Tax Fund includes a decrease of \$266,156 (-23.2%) primarily resulting from the completion of the LED Lighting Project.
- Debt Service Funds:
  - Clean Renewable Energy Bonds (CREBS Bonds): There is no change to the CREBS Bond payment amount. In the recommended budget, the payment amount is transferred in from departments benefitting from the program.
  - Pension Obligation Bond (POB): The POB fund includes an increase of \$1,600 for fiscal agent fees. In the recommended budget, the payment amount is transferred in from departments based on employee costs.

- Successor Agency to the Community Development Agency: The recommended budget for the Successor Agency / RPTTF includes an increase of \$90,515 primarily to recover shortfalls in tax increment from previous periods.
- Internal Service Funds:
  - Management Information Systems (MIS) Fund: The recommended budget for the MIS Fund includes an increase of \$69,770 (27.4%) for scheduled replacement of server and records imaging software and hardware.
  - Vehicle Replacement Fund: The recommended budget for the Vehicle Replacement Internal Service Fund includes a decrease of \$14,845 (-6.0%). This is a result of annual review of vehicles to be replaced amortized over the anticipated useful life of the vehicle. Transferred funds exceeding planned purchases during the year are held in reserve until vehicles are purchased.
  - Long Term Building Maintenance Fund: The recommended budget for the Long Term Building Maintenance Internal Service Fund is \$341,275 for the projects identified for activity in Fiscal Year 2017 including: Youth Center (Valley of the Moon Nursery School) ADA Improvements; Carnegie Building Repairs and Improvements; Depot Museum ADA and Code Improvements; Fire Station Stairway Flooring Replacement Project. Funds held in reserve for these projects will be transferred from reserves as the activities take place.
- Enterprise Funds
  - Cemetery Fund: The recommended budget for the Cemetery Fund includes an increase of \$1,831 (<1%).
  - Water Fund: The recommended budget for the Water Fund includes a decrease of \$344,861 (-4.2%) primarily due to the completion of capital projects in the prior year.

## General Fund Appropriations by Function

Department	2016	2017	Increase (Decrease)	% Change	% of Total

## **Other Actions**

### **Capital Improvement Plan**

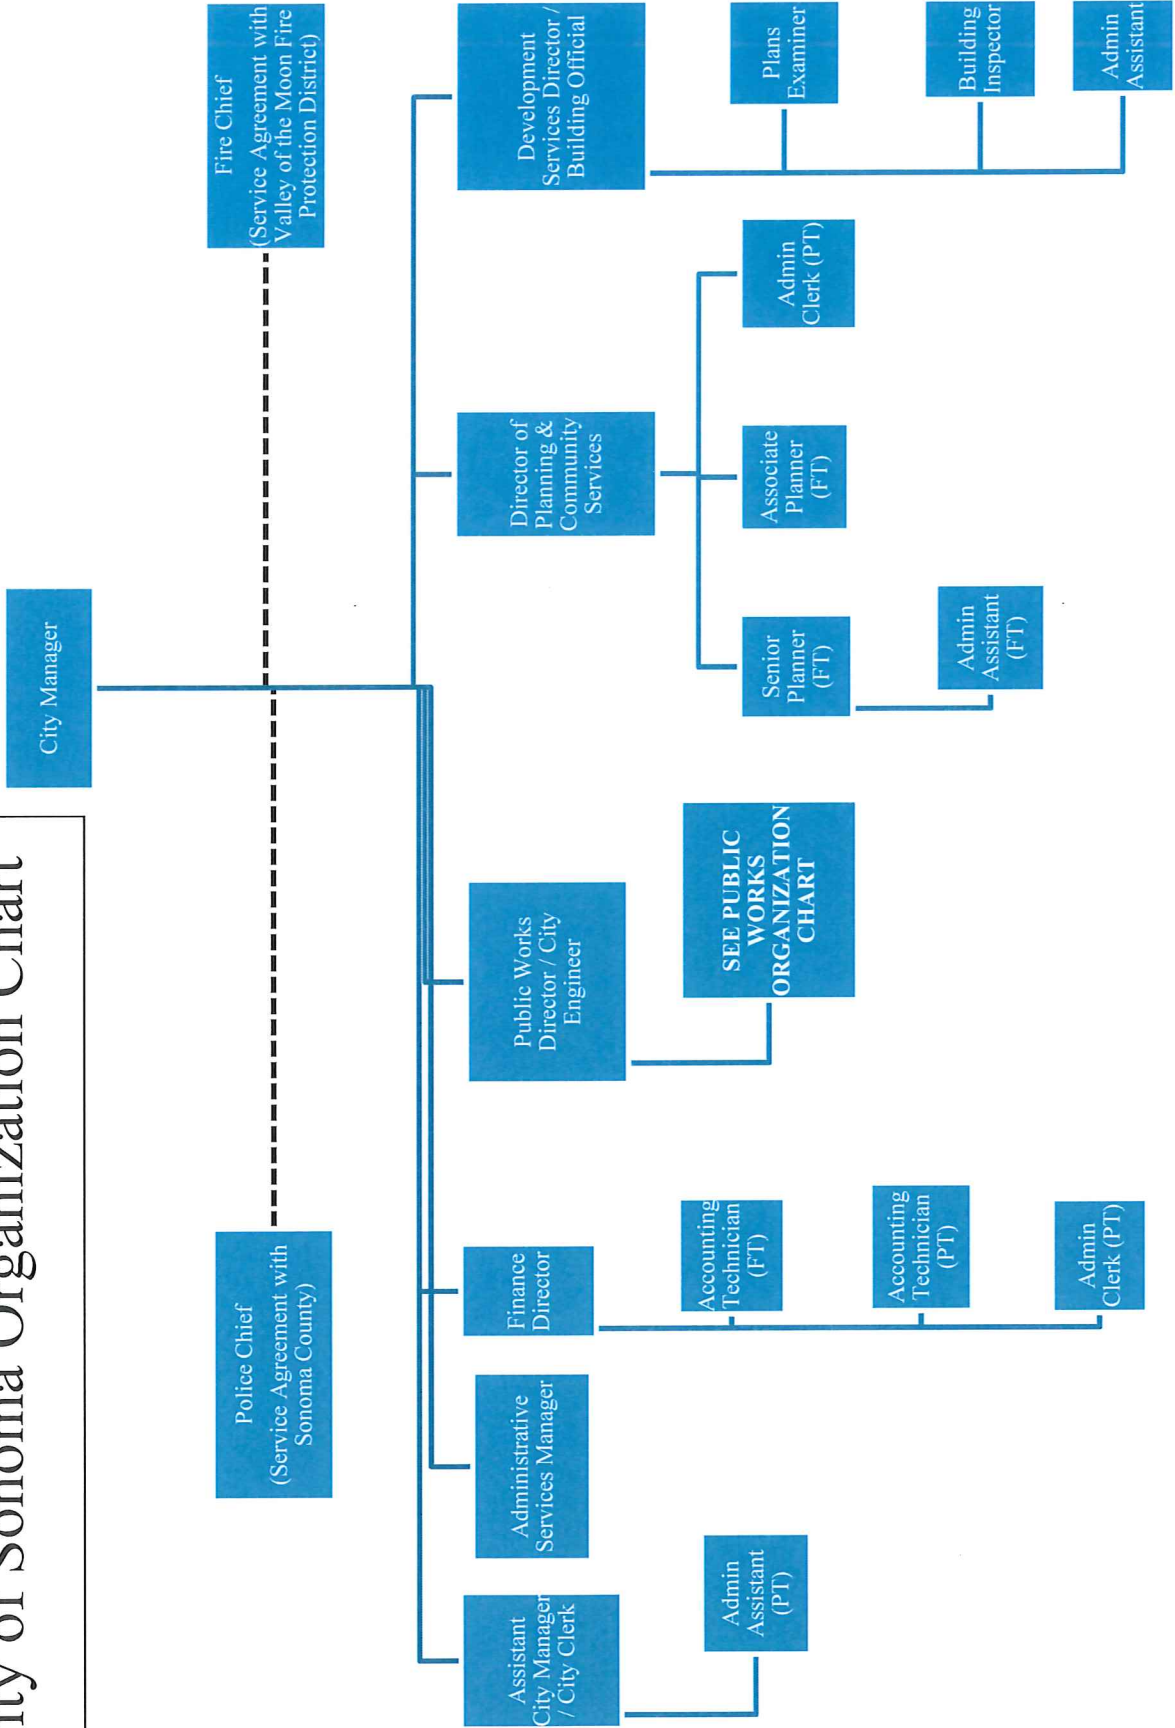

The City's Capital Improvement Plan [CIP] has become an integral component of the City's Budget process. In prior years, the CIP was adopted after the budget process and was not viewed within the context of the budget. Beginning in FY 2013-14, staff initiated presenting the CIP as a companion document with the proposed budget to reflect the ongoing workload of Capital Projects. With the restructuring of the Public Works Director position to include the City Engineer responsibilities, this is a key focus of the budget. The projects recommended for completion have been included in the proposed 2016-17 Budget.

## **CONCLUSION**

The City of Sonoma is a leader in providing a high quality of life for its residents and businesses and it supports a community where people can live, work, and play. These efforts are guided and enhanced through the proposed FY 2016-17 Operating and Capital Budget. Sound budgeting practices allow the City to maintain our streets and roads, keep our Parks beautiful, contribute to local non-profit services and provide public safety and emergency medical services. This budget addresses the need to continue to focus on sustainability of our water system and conservation, evaluate housing policies and move forward with climate protection policies. It is reflective of the leadership of the Council set through the adoption of the 2016-17 Council Goals and provides the work plan for the stellar staff of the City who will carry forth and complete the ideals reflected in this budget.

**CITY OF SONOMA**  
**FY 2016-2017 OPERATING BUDGET NARRATIVE**

*City Council Department (100-41001)*

*Carol E. Giovanatto, City Manager*

**DESCRIPTION:**

The City Council is the elected body that oversees all municipal operations. The City Council provides policy leadership and acts as the legislative arm of City government. The five members of the City Council are elected at large and serve overlapping four year terms. This overlapping ensures that there are experienced councilmembers guiding the City at all times. The City Council serves as the Successor Agency to the Dissolved Sonoma Community Development Agency.

Each member of the City Council is provided a salary in accordance with State law. In addition, Councilmembers are eligible for full health, dental, and vision care coverage for Councilmembers and their dependents.

The Council meets the first and third Mondays of each month at 6:00 p.m. in the Community Meeting Room. Councilmembers also participate in local, regional, and statewide meetings and activities.

**COUNCIL GOALS:**

**TO PROVIDE SOUND MUNICIPAL LEADERSHIP IN A MANNER THAT EXEMPLIFIES SONOMA'S HISTORIC CHARACTER WHILE ENSURING LONGTERM VIABILITY, RESILIENCY AND SUSTAINABILITY**

The City Council held a Goal Setting Workshop on May 23, 2016 and established a set of goals that will be included in the 2016 -2017 budget and work plan and provide overall guidance for the City Manager and staff.

Those goals are included in this budget document and include seven key areas: • City Character • Fiscal Management • Housing • Infrastructure • Policy and Leadership • Public Service and Community Resources • Water

**RECOMMENDED BUDGET MODIFICATIONS:**

The City Council budget includes a recommended increase of \$47,839 (53%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>

## CITY OF SONOMA

### FY 2016-2017 OPERATING BUDGET NARRATIVE

*City Clerk Department (100-41002)*

*Gay Johann, Assistant City Manager / City Clerk*

---

#### **DESCRIPTION:**

The City Clerk department consists of the Assistant City Manager (ACM) /City Clerk and a Part Time Administrative Assistant. The City Clerk department provides executive and administrative support to the City Council as a whole, to individual Councilmembers, and to the City Manager. The City Clerk's mission is to be a steward and protector of democratic processes, such as elections, and access to official records, as well as to comply with federal, state and local statutes. The department supports the City Council in its goals of innovation, transparency and fairness while promoting community participation and awareness.

The City Clerk is responsible for facilitating the business proceedings of the City Council, and fulfilling legal requirements as set forth in City Codes and State law. The Office of the City Clerk conducts all City elections and administers campaign and financial disclosure laws.

#### **CHALLENGES:**

Meeting the deadlines associated with production of the City Council agenda packets and associated public noticing to ensure compliance with State law while at the same time keeping up with the routine functions of the office.

#### **DEPARTMENT GOALS:**

The City Clerk's Department, which serves as the information nucleus of the City and its departments, is dedicated to providing the highest level of professional service to the citizens of Sonoma. The City Clerk's main goal is to provide these services expeditiously while ensuring compliance with all California Statutes and City Ordinances.

#### **ABOVE BASE BUDGET ITEMS (One-time expenses):**

The City Clerk budget includes a recommended increase of \$47,176 (29.5%). As detailed below, these increase primarily reflect one-time costs.

DEPARTMENT / CATEGORY	COST INCREASE (REDUCTION)	DETAILS	COUNCIL GOAL
Salaries & Benefits	\$13,789	Costs of transition due to restructuring of the department upon retirement of the incumbent ACM / City Clerk. (Ongoing salary savings are anticipated after initial transition period.) This increase is offset by decrease in benefits costs due to accounting change related to CalPERS unfunded liability.	Fiscal Management
Services & Supplies	\$32,563	Increase based on cost of bi-annual election: Regular Election (\$12,500) & three ballot measures (\$6,500 each).	Fiscal Management, Policy & Leadership
Internal Fund Transfers	\$824	Increase in Management Information Services and Insurance Costs.	Fiscal Management

## CITY OF SONOMA

### FY 2016-17 OPERATING BUDGET NARRATIVE

*City Manager Department (100-41003)*

*Carol E. Giovanatto, City Manager*

---

#### **DESCRIPTION:**

The City Manager Department Budget encompasses two core functional areas of the budget: City Manager and Administrative Services/Human Resources.

The role of the City Manager Department is to assist City Council and Departments in defining and achieving their collective goals and to assist citizens, City Council and Departments to proactively avoid crisis situations and use programs to solve problems. The City Manager department personnel consists of the City Manager, Administrative Services Manager and a part time Administrative Assistant.

The City Manager is the Chief Executive Officer of the City. The City Manager is appointed by and takes direction from the City Council. She is responsible for the day-to-day efficient performance of all City operations, implementing Council policy, formulating staff recommendations to Council on policy and other matters, and preparing and submitting the annual budget. The City Manager currently provides direct oversight of the Human Resources, Cemetery and City Clerk department personnel. The full human resources function is included in the City Manager Department budget.

Major functions included in this program are: Council administrative support and policy analysis, organizational management and development, administrative analyses, community relations, intergovernmental relations, risk management and general leadership/oversight of City operations. The City Manager establishes the implementation actions for the City Council's goals and objectives identified to enhance the quality of life for residents, businesses, community organizations, and visitors.

#### **CHALLENGES:**

Continue to assure City's fiscal solvency with awareness of future financial projections and challenges. Monitor local, State and Federal issues and identify impact on the City including recommendations to mitigate where needed.

#### **DEPARTMENT GOALS:**

Effectively implement the 2016 City Council Goals with emphasis seven key areas: • City Character  
• Fiscal Management • Housing • Infrastructure • Policy and Leadership • Public Service and Community Resources • Water

Continue active and constant City management of public safety services provided through City contracts with the Sonoma County Sheriff's Department and the Valley of the Moon Fire District.

Ensure the City Council is kept informed as to the short-term and long-term fiscal viability of City government.

Provide responsive, analytical and concise recommendations upon which the City Council can make informed policy decisions.

Interact with local community organizations and groups regarding issues, concerns, and current and future service needs of City residents and businesses.

Create an environment that promotes innovative and creative methodologies to provide better service and value to residents.

**FISCAL YEAR 2015-2016 ACCOMPLISHMENTS:**

- Completed RFP and executed contract with Special Events manager
- Created a Code Enforcement Program through the City Prosecutors office
- Accomplished 2015-2016 goals and held Council Goal setting for 2016 - 2017
- Developed a Community Grant Program in accordance with Council Goals
- Completed required policy changes and reporting related to the Affordable Care Act
- Completed Classification Study for all Public Employees
- Completed Quality Service in the Public Sector training for most City staff
- Maintained the Sonoma Valley Economic Vitality Partnership with the Chamber of Commerce  
The Chamber has served as a public relations liaison conduit with the business community.
- Implemented the Tobacco Retailer’s Licensing Ordinance Program
- Participated in regional discussions regarding housing and related human services.

**FISCAL YEAR 2016-2017 GOALS:**

- Implement and accomplish 2016-17 Council Goals
- Complete Compensation Study for all Public Employees
- Negotiate successor Memorandum of Understanding with SEIU 1021 Sonoma Employees Association and Management Employees
- Determine a sustainable course for Housing programs that meet the needs for rental and workforce housing.
- Secure a successful extension of local sales tax measure for future revenue stability

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the City Manager Department includes a decrease of \$11,811 (-6.1%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salary & Benefits	(\$6,187)	Decrease is primarily due to an accounting change related to CalPERS unfunded liability.	Financial Management
Services & Supplies	(\$6,000)	Decrease due to completion of classification study offset by costs of compensation study.	Policy and Leadership
Internal Service Fund Transfer	\$376	Decrease in Management Information System Costs and increase in Liability Insurance Costs	Fiscal Management

## CITY OF SONOMA

### FY 2016-2017 OPERATING BUDGET NARRATIVE

*Finance Department (100-41004)*

*DeAnna Hilbrants, Finance Director*

---

#### **DESCRIPTION:**

The mission, vision and values of the Finance Department are to manage and safeguard City resources responsibly, with the highest regard for ethics and the future interests of the community. This is accomplished through the functional areas of accounting, billing, and budgeting. Responsibilities of the finance department include water billing, accounts payable, payroll, accounts receivable, audit, cash management, forecasting, and planning.

In Fiscal Year 2016 - 2017 the Finance Department will be staffed with 3.2 Full-Time Equivalent employees including the Finance Director, two Accounting Technicians and an Administrative Clerk. Finance department employee costs are allocated between the Finance Department, the Successor Agency, and the Water Utility. The Administrative Clerk is shared with the Police Department.

The department provides management review, ongoing monitoring and comprehensive planning that will better enable City executive staff and City Council to make informed financial decisions. Ultimately, the department will provide and support more comprehensive planning and forecasting activities as the City addresses needs for new revenue sources and funding options.

#### **FISCAL YEAR 2015 – 2016 ACCOMPLISHMENTS:**

- Developed City's first Annual Consolidated Financial Report (CAFR). This report is an extension of the Annual Financial Audit providing more statistical information about the City and its finances. A portion of this activity was completed by a volunteer reducing cost to the City. Continued working to simplify chart of accounts by closing additional funds and unused accounts. Worked with City Auditor to make additional accounting changes to simplify year end reporting especially related to capital assets and interfund transfers.
- Implemented monthly water billing, improved water billing statements, and added lock box for receipt of payments. Improved process for timely collection of water payments.
- By training and empowering existing staff, improved timelines for reconciliations and entries other entries to financial system even while staffing levels are below authorized strength. Shared clerical position with Police Department resulting in financial savings for the City. Coordinated and led training for other City Staff that provides finance services such as cashiering.
- Led fee schedule update for 2016 and budget process for 2016 – 2017. Maintained ongoing changes to rate schedules.
- Completed reconciliation of Successor Agency. Worked closely to recover funds (over \$1 Million) not received due to shortfalls in tax increment during prior years. Refunded bonds resulting in ongoing savings and additional recovery of tax revenue.
- Collaborated with City Prosecutor and Code Enforcement Officer to improve collection of business licenses taxes.
- Participated in League of California Cities Revenue and Taxation Committee permitting staff to have advance understanding of state legislative activities that may impact the City's revenues.

**FISCAL YEAR 2016 – 2017 GOALS:**

- Provide support for implementation of 2016 - 2017 City Council goals
- Develop and improve policies related to financial activities especially the City's Fund Balance (formerly Reserve Fund) policy. Develop plan for resolution of deficit in the Cemetery Fund.
- Continue cross training and identifying other opportunities for finance staff to add value to City staff, residents, and customers. Identify areas where use of technology can create operating efficiencies for the department and the City allowing staff to provide higher value activities.
- Continue to participate in League of California Cities Revenue and Taxation Committee to better prepare the City for future revenue changes especially related to State legislative activities.

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the Finance Department includes a decrease of \$8,349 (-3.7%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	(\$19,854)	Reduction in costs due to sharing of Clerical position with Police Department	Fiscal Management
Services & Supplies	\$10,900	Increase in audit costs to provide additional information. Increase in costs of mailings for business license collection. Increase in staff training costs to provide staff with the tools needed to take stretch assignments.	Fiscal Management, Policy & Leadership
Internal Fund Transfers	\$605	Increase in Management Information Services and Insurance Costs.	Fiscal Management

## CITY OF SONOMA

### FY 2016-2017 OPERATING & CAPITAL BUDGET NARRATIVE

#### POLICE DEPARTMENT

*Chief Bret Sackett*

---

The police department is responsible for the protection of life and property, maintenance of order, control and prevention of crime and the enforcement of motor vehicle laws and regulations. Since 2004, the City has contracted with the Sonoma County Sheriff's Office for law enforcement services.

The police department has a staff of 16.5 employees, which consists of a chief, 2 sergeants, 10 deputies, 2 community service officers, 1 administrative assistant, and a part-time clerk. The police department also utilizes a cadre of dedicated volunteers through the Sheriff's Volunteer in Policing Services (VIPS) program. Under the law enforcement contract, many professional administrative and managerial functions, such as dispatch, investigations, fiscal and records management, and property/evidence are handled by subject matter experts located at the Sheriff's main office in Santa Rosa.

The police budget for FY 16-17 will see a slight increase – approximately 4% – from the previous year. The Sheriff's contract is estimated to increase by approximately 3.6 %. The increase can primarily be attributed to the county's new labor agreements approved by the Board of Supervisors, along with increases in Worker's Compensation, Social Security, and Health Care.

This year the Administrative Overhead rate is 24.78%, which is still comparatively low, which I feel underscores the Sheriff's commitment to keep costs as low as possible, while being fair and equitable to both the city and the county taxpayer.

#### **FISCAL YEAR 2015 – 2016 ACCOMPLISHMENTS:**

- Successfully managed the Law Enforcement Services contract with the County to ensure a high quality of public service and fiscal accountability.
- Successfully completed the grant from the California Department of Alcoholic Beverage Control. All identified goals and objectives were met.
- Completed the full roll-out of our new Body Worn Camera program. All patrol sergeants, deputies, and community services officers now utilize body worn cameras.
- Our K-9 team partnered with a Sonoma Valley High School senior for his senior project, which resulted in the donation of a bite suit for training purposes.
- Provided Responsible Beverage Service Training to our local ABC licensed merchants.
- Purchased a new electric vehicle for our Parking Enforcement Program.
- Provided the "Every 15 Minutes" program to the junior and senior class at the high school. This impactful program demonstrates the tragedy associated with drunk and distracted driving.
- Launched the "Coffee with a Cop" program to enhance public relationships and strengthen community ties.
- Working with the Visitor's Bureau and public works, we developed a Passenger Bus Loading/Unloading zone in The Plaza, which should mitigate tour buses from haphazardly parking around The Plaza area.
- In collaboration with Sonoma Valley Fire Rescue Authority, we were awarded a grant to replace our old EOC computers with tablets.

**FISCAL YEAR 2016 - 2017 GOALS:**

- Manage the Law Enforcement Services contract with the County to ensure the delivery of high quality public service and fiscal accountability.
- Renew the School Resource Officer contract with the Sheriff's Office and Sonoma Valley Unified School District.
- Recruit, select, and train a new School Resource Officer.
- Seek grant opportunities as appropriate and consistent with our mission.
- Transition EOC computers to new tablets.
- Continue the "Coffee with a Cop" program as community outreach.
- Present a new, anti-dropout, program called "CHOICES" to the freshman class at Sonoma Valley High School

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the Police Department includes an increase of \$188,793 (4.2%).

DEPARTMENT / CATEGORY	COST INCREASE (REDUCTION)	DETAILS	COUNCIL GOAL
Salaries & Benefits	\$17,395	Increase in costs due to shared position with Finance Department. (Part time position was converted to full time with benefits.) This is offset by savings in the Finance Department.	Fiscal Management
Services & Supplies	\$169,916	Increase in costs primarily related to increase in Sheriff's Contract Costs.	Fiscal Management, Policy & Leadership
Internal Fund Transfers	\$1,482	Increase in Vehicle Replacement, Management Information Services and Insurance Costs.	Fiscal Management

**CITY OF SONOMA**  
**FY 2016-17 OPERATING & CAPITAL BUDGET NARRATIVE**

**FIRE DEPARTMENT**

*Fire Chief Mark Freeman*

---

The mission of the fire department is to protect the quality of life for present and future generations through interaction with our community, compassionate service, and an atmosphere that encourages innovation, professionalism and diversity.

The fire department consists of 39 full-time employees, 1 part-time employee and a cadre of 41 dedicated volunteer firefighters that supplement daily staffing. The daily staffing consists of 14 personnel who staff 3 engine companies, 2 ambulances, and a command vehicle out of three strategically-located fire stations.

The fire department provides advanced life support (ALS) medical services through the use of dual-role employees, who are also trained as paramedics and emergency medical technicians. All staffed engines and ambulances are ALS equipped and staffed with at least one paramedic.

The Fire Prevention division is responsible for managing the Life-Safety Inspection Program, conducting plan reviews of residential and commercial occupancies, and providing fire investigation services to determine cause and origin.

The fire department also provides ambulance billing services. Billing is efficiently handled using advanced software that integrates with the fire department's records management system. The billing office continues its expanded focus on increased collection of delinquent revenues, increasing AMP memberships, and staying current with and applying industry best practices.

The fire budget for FY 2016-2017 will see a slight operational increase, less than 1%, from the previous year.

**FISCAL YEAR 2015 – 2016 ACCOMPLISHMENTS:**

- Initiated a reorganization of the number of allocated positions in the firefighter and engineer classifications resulting in the reinstatement of a Training Officer on a part-time basis at no additional cost.
- Participated in the Ground Emergency Medical Transport (GEMT) reimbursement program for FY13-14, from which we received \$26,022 in reimbursement.
- Participated in the Inter-Governmental Transfer (IGT) reimbursement program for FY13-14, from which we received \$114,433 in reimbursement.
- Billing office is projected to exceed revenue projections by 15%. This is due to increased call volume, revised fee schedule, and refinement of internal processes.
- Increased AMP membership by 16% through our continued marketing of said program.
- Rolled out the "Save Lives Sonoma" program that instructs 7<sup>th</sup> grade students in hands-only CPR.
- Completed and published a Community-Driven Strategic Plan that establishes goals for the period FY15 through FY20.
- Revised the City's Emergency Operations Plan and have started training staff on NIMS/SEMS, as well as required Disaster Service Worker Orientation.

- Applied for and were awarded \$10,000 from the Sonoma County Advertising Program for the purchase of a live fire training prop.
- Took delivery of and placed into service a new Command Vehicle.

**FISCAL YEAR 2016 – 2017 GOALS:**

- Seek and solicit additional grant funding opportunities when appropriate.
- Pursue additional ambulance revenue opportunities.
- Increase subscriptions in the Ambulance Membership Program (AMP).
- Participate in both the GEMT and IGT reimbursement programs.
- Assist in the revision of the City's Local Hazard Mitigation Plan.
- Produce and publish an Annual Report.
- Continue to support our community outreach effort by being more participative and visible.

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the Fire Department includes an increase of \$1,094 (less than 1%).

DEPARTMENT / CATEGORY	COST INCREASE (REDUCTION)	DETAILS	COUNCIL GOAL
Services & Supplies	\$16,069	Increase in SVFRA contract costs offset by removal of budget for one-time expenses added at FY 2016 mid-year.	Fiscal Management, Policy & Leadership

## CITY OF SONOMA

### FY 2016-2017 OPERATING & CAPITAL BUDGET NARRATIVE

#### *Public Works Department*

*Public Works Parks and Administration (100-43020)*

*Streets / Capital Projects (100-43021)*

*Maysonnave Property (221-44061)*

*Gas Tax / Streets (302-51001)*

*Cemeteries (501-61010)*

*Water Utility (510-62001)*

*Dan Takasugi, P.E., Public Works Director / City Engineer*

---

#### **DESCRIPTION:**

The mission of the Public Works Department is to maintain, operate, and improve the City's infrastructure to serve the needs of its citizens. The Department is responsible for managing and maintaining streets, water distribution, well water supply, storm drainage, parks and trails, City-owned streetlights, City-owned buildings, and the City-owned cemeteries. The Department also serves a coordination role for special events, other utilities, and solid waste collection services. City Engineering services are provided. Public Works has 21 full-time staff positions and 2 part-time positions (see Public Works Department Organizational Chart below). The Department seeks to cross-train staff in order to maximize cross-functional resource sharing efficiencies across various programs.

The Parks program is funded through the General Fund. There are 17 parks encompassing nearly 40 acres, nine play structures, two public restrooms, Class I bike trail, hiking trail, a duck pond, and a rose garden. The Parks program strives to make all City parks safe, functional, and presentable to its citizens and visitors. The Parks staff also perform vandalism abatement and are closely involved in Special Event planning.

The Facilities Maintenance program maintains over 48,000 square feet of building space in eight facilities, managing a janitorial contract and performing maintenance. The Public Works Department also administers the Bond and Maysonnave Properties. In Fiscal Year 2016 -2017, the Bond Fund was closed to the general fund. Ongoing costs related to maintenance of the Bond Property will be borne by the General Fund.

The Engineering Services program includes: providing engineering and technical support to various City departments, providing responses to citizen inquiries about public infrastructure and traffic concerns, performing development review and plan check, performing engineering and construction management of capital improvement projects, providing mapping and engineering records support, and seeking grant funding for capital projects.

The Storm water Compliance program is a rapidly evolving function to comply with the State's recent mandates included in the Construction Storm water Permit and the Municipal Phase II Storm water Permit. The primary responsibility of this program is to ensure that local storm water drainage does not contain pollutants or erosive flow volumes. This program is funded primarily from the General Fund.

The Streets program, partially funded by Gas Tax, maintains the City's streets, bridges, sidewalks, street trees, and right of ways. There are 33.8 miles of streets, 11 bridges, 40 miles of storm drainage piping, 3 miles of roadside ditches, and 485 catch basins. Right-of-way code enforcement is a major responsibility that includes streets, sidewalks, drainage, trees, and signage. The Streets program keeps City right of ways in a safe and functional condition for multi-modal circulation.

The Cemetery program is funded by the Cemetery Enterprise. There are three cemeteries: Mountain, Veterans, and Valley cemeteries, encompassing over 15 usable acres. Operations and maintenance responsibilities include burial and inurnment preparation and coordination, grounds maintenance, mausoleum maintenance, road maintenance, and vandalism abatement. For the last two years, the General Fund has made transfers to the Cemetery Fund to balance the budget. In prior years, the Cemetery Fund was submitted with expenses exceeding revenues. This year, Cemetery Fund revenue is anticipated to be sufficient to meet expenses and a transfer from the General Fund is not needed. Staff anticipates bringing recommendations to address the historical deficit to Council in the coming months.

The Water program is funded through the Water Enterprise. There are 4,380 water service connections/meters, 1,437 valves, 476 fire hydrants, six water tanks, eight wells, two booster pump stations, and 56 miles of water main. Last year, over 479 million gallons of water were delivered to customers. The Water program's primary responsibility is to deliver safe and reliable water to City residents and the outside service area, while seeking to improve water supply reliability and water conservation. City water continues to meet all state and federal drinking water standards. The water capital improvement plan is also managed from this program.

#### **FISCAL YEAR 2015 – 2016 ACCOMPLISHMENTS:**

- Completed the Well 8 / Field of Dreams Well Conversion Project, and as a result, improved water reliability for the City.
- Completed the East Napa Road Rehabilitation Project, implementing new Class II Bicycle Lanes and improved road conditions.
- Completed the Light-Emitting Diode (LED) Streetlight Conversion Project and replaced over 1,100 City streetlights with LED fixtures to conserve energy, reduce maintenance, and improve safety. This project is expected to reduce approximately 178,000 pounds of CO<sub>2</sub> annually.
- Completed the 2015 Slurry Seal Pavement Maintenance Project of 23 street segments on time and on budget.
- Completed the Broadway/Leveroni/Napa Intersection Safety Improvements Project.
- Completed stockpile bin covers and improved drainage at the Corp Yard.
- Completed Phase 3 of the New Sidewalk Trip Hazard Repair Program, repaired 783 trip hazards, while reducing City liability exposure.
- Completed the program to replace City street name signs to meet retro reflectivity standards and to reflect the historic nature of the City.
- Installed new Sister City Gateway signage in two locations to replace the aging signs.
- Created a Tour Bus Loading Zone in the Plaza Horseshoe to serve private shuttle buses.
- Completed an evaluation of the PCI rating, and the City received an increase in rating from 72 to 75.
- Performed an update to the Urban Water Management Plan, which is required every five years in accordance with the California Water Code.
- Implemented Stage 2 of the City's Water Conservation Contingency Plan to address the continuing drought conditions, in compliance with the State Emergency Conservation Regulations.
- Signed a Sonoma County Water Agency (SCWA) Recycled Water User Agreement and Cooperative Agreement for the use and funding of the Engler Street Recycled Water Pipeline Project, which will offset the City's supply demand. Project is expected to be initiated in Fiscal Year 2016/17.

- Signed a SCWA Agreement for Ownership and Transfer of Vaults to relocate flow meters and vaults at the Sonoma Reservoir Site.
- In cooperation with SCWA, the City installed a monitoring well for a Groundwater Banking project at the City's Well 6 north of the Veterans parking lot.

**MAKING STEADY PROGRESS ON THE FOLLOWING PROJECTS/PROGRAMS:**

- 2016 Slurry Seal Project
- 2016 Street Rehabilitation Project
- West Napa Street Water Improvements Project
- Chase Street Bridge Replacement Project
- Water Master Plan Update
- General Plan Circulation Element Update
- SCWA Recycled Water Project
- Groundwater Banking Project at Well 6
- Relocation of the SCWA Master Water Meter
- Citywide Sidewalk Repair Program, Phase 4
- Citywide Vehicle Speed Survey
- Feasibility Study of Recycled Water Delivery to the Plaza
- Establishment of a Groundwater Sustainability Agency

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for Public Works Administration includes a decrease of \$47,907 (-3.9%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	(\$58,689)	Decrease is primarily due to an accounting change related to CalPERS unfunded liability.	Fiscal Management
Services & Supplies	(\$4,950)	Increase for Storm water Improvements at Depot Park and purchase of equipment offset by decreases in professional services and general supplies.	Infrastructure
Capital Projects	\$20,000	Replace railing and fence along Nathanson Creek	Infrastructure
Internal Fund Transfers	(\$4,268)	Decrease in Vehicle Replacement Costs and Management Information Services Costs offset by increase in Insurance Costs.	Fiscal Management

The recommended budget for the Streets (Capital Projects) includes a decrease of \$636,400 (-35.1%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Capital Projects	(\$636,400)	Decrease is primarily due to the completion of several capital projects in FY 2015/16.	Infrastructure

There are no recommended changes to the budget for the Maysonnave Fund.

The recommended budget for Gas Tax includes a decrease of \$266,156 (-23.2%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	\$29,838	Increase in salary costs due to annual merit increases.	Fiscal Management
Services & Supplies	(\$100)	Minor changes in communications and travel budgets.	Infrastructure
Capital Projects	(\$335,034)	Decrease due to completion of LED lighting project budgeted in FY 2015/16.	Infrastructure
Internal Fund Transfers	\$8,762	Increase in Vehicle Replacement, Management Information Services, and Insurance Costs.	Fiscal Management
Transfers Out	\$30,378	Increase is primarily due to an accounting change related to CalPERS unfunded liability.	Fiscal Management

The recommended budget for Cemetery includes an increase of \$1,831 (less than 1%)

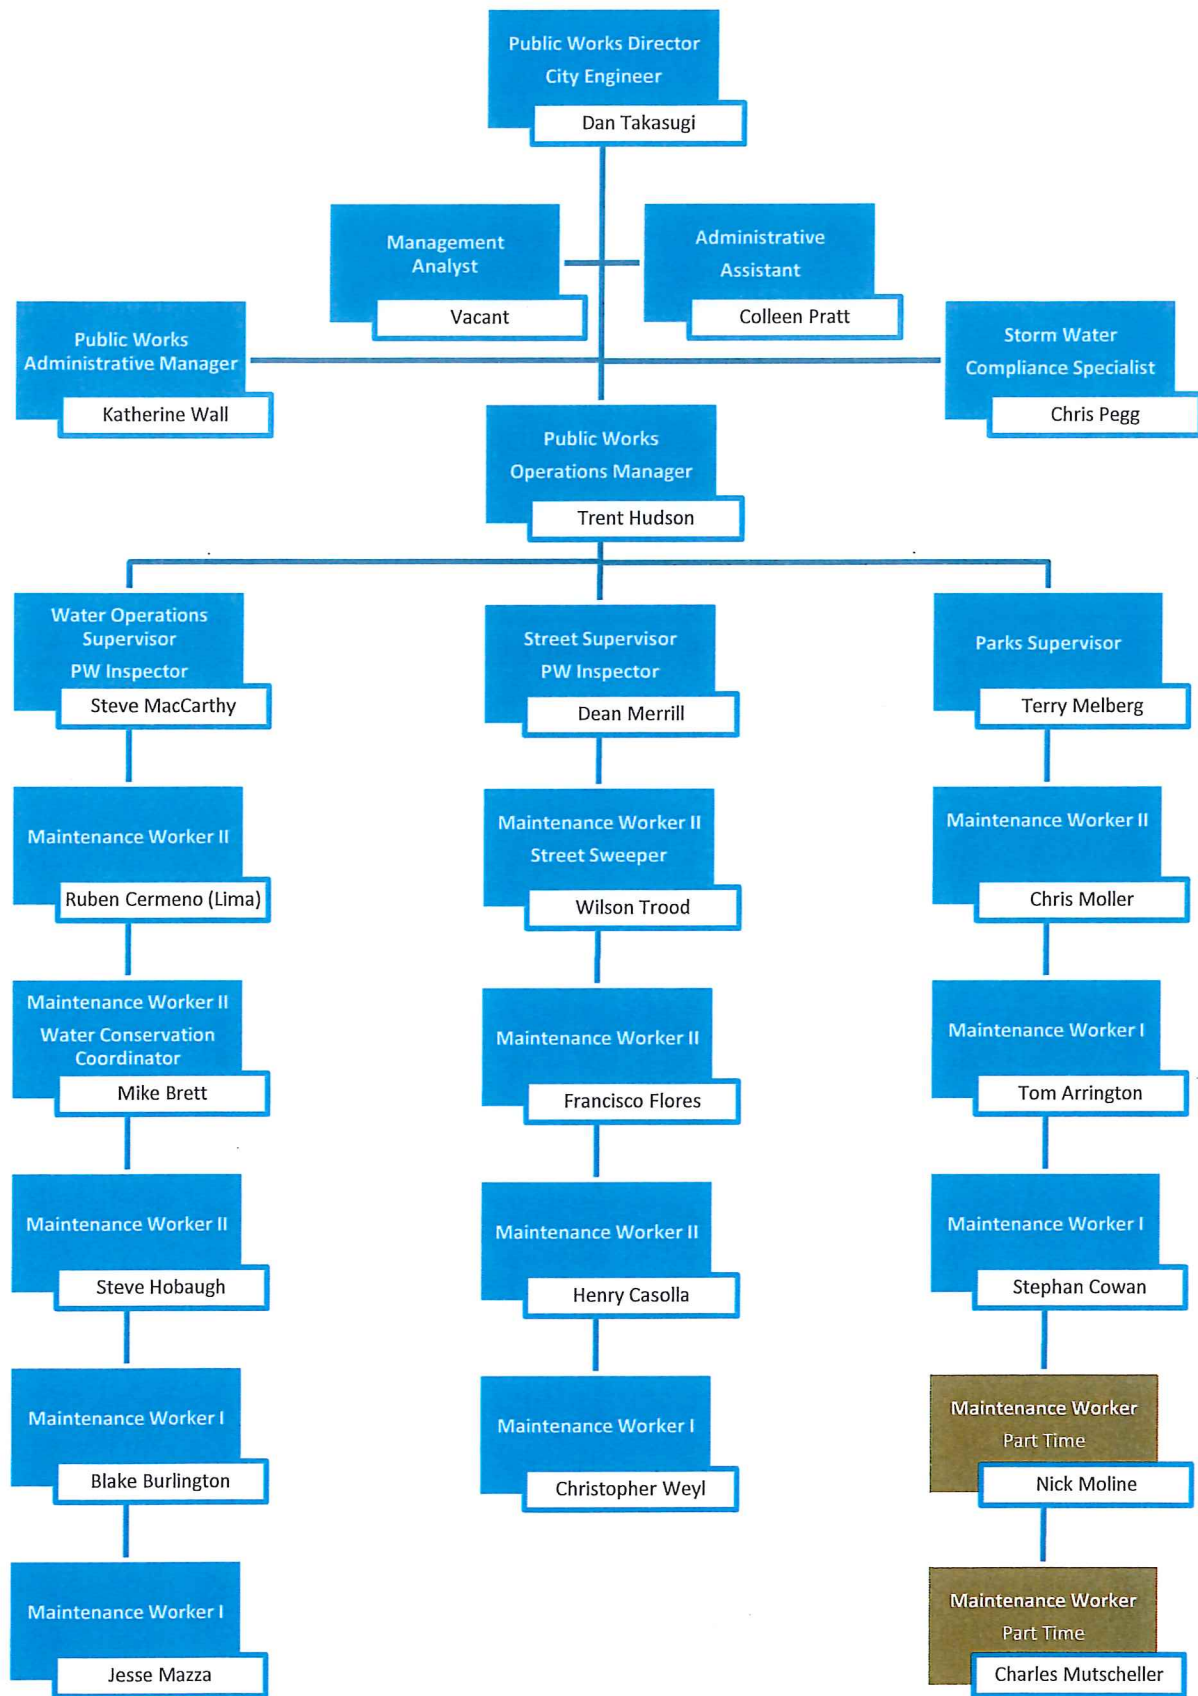

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	(\$5,572)	Decrease is primarily due to an accounting change related to CalPERS unfunded liability.	Fiscal Management
Services & Supplies	\$2,800	Increase is primarily due to the need for additional weed and pest control services to reduce staff labor.	Infrastructure
Internal Fund Transfers	(\$3,087)	Increase in Management Information Services and Insurance Costs offset by decrease in Vehicle Replacement Costs.	Fiscal Management
Transfers Out	\$7,690	Increase is primarily due to an accounting change related to CalPERS unfunded liability.	Fiscal Management

The recommended budget for Water includes a decrease of \$344,861 (-4.2%)

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	(\$4,508)	Decrease is primarily due to an accounting change related to CalPERS unfunded liability.	Fiscal Management
Services & Supplies	\$71,900	Increase for recycled water feasibility study and master meter relocation.	Infrastructure, Water
Capital Projects	(\$440,029)	Decrease is primarily due to the completion of several capital projects in FY 2015/16.	Infrastructure, Water
Internal Fund Transfers	\$6,630	Increase in Long Term Building Maintenance and Vehicle Replacement transfers offset by decreases in Management Information Services and Insurance transfers.	Fiscal Management
Transfer Out	\$21,146	Increase is primarily due to an accounting change related to CalPERS unfunded liability.	Fiscal Management

## CITY OF SONOMA

### FY 2016-17 OPERATING & CAPITAL BUDGET NARRATIVE

#### *Planning Department*

*David Goodison, Director of Planning and Community Services*

---

#### **DESCRIPTION:**

The Planning Department consists of the Planning and Community Services Director, a senior planner, an associate planner, an administrative assistant, and a part-time receptionist (shared with the Building Department). In terms of ongoing activities, the responsibilities of the Planning Division are as follows:

*Council/Commission Staffing:* In addition to supporting the City Council with respect to planning and related matters, the Planning Department provides staff support to the following commissions and committees: the Planning Commission, the Design Review Commission, the Community Services and Environment Commission, the Sonoma Valley Citizens Advisory Commission, the Tree Committee, the Environmental Review Committee, and the Project Advisory Committee.

*Current Planning:* The Planning Division is responsible for processing applications for planning permits, such as use permits and tentative maps, through the Planning Commission, the Design Review Commission, and, if necessary, the City Council. This activity includes a range of projects, from home occupations to major subdivisions and large-scale commercial development.

*Telephone and counter inquiries:* Planning inquiries amount to between 10-40 calls and counter contacts each day.

*Building Permit Plan Check:* Review of Building Permits, including those not subject to other forms of planning review (e.g., use permit review or design review) in order to assure compliance with applicable regulations.

*Site Inspections:* Site inspections are conducted in order to assure that conditions of approval have been adhered to in new development.

*Enforcement:* Sign and other code enforcement activities are primarily performed by the Associate Planner, in conjunction with the City Prosecutor/Code Enforcement unit and the Police Department.

*Maintenance of GIS.* The City's Geographic Information System now includes the following layers: streets, parcels, city limits, sphere of influence, flood areas, historic sites, and air photographs. The parcel layer is tied to a database that tracks property ownership, units, and commercial use, among other items. To maintain the utility and validity of the system, it is important to keep the information on these layers up-to-date.

*Mapping and Addressing:* Maintaining the address map, maintaining Fire Department run books, creation of miscellaneous maps as required for the Planning Division and other departments. Assignment of addresses for new projects, additions, reassignments within city limits, and distribution to appropriate agencies.

Improve Bicycle Education and Safety Programs

\$14,000

Last year, the City Council established funding for bicycle education and safety programs, as well as bike valet parking service at the Tuesday Night Farmers Market. These pilot programs proved successful and staff recommends continuing them and expanding upon them. The increase proposed in comparison to last year's budget is \$2,000.

GIS Improvements

\$5,000

Ongoing update the GIS database infrastructure and management workflow, including software, set-up, and staff training.

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for Planning includes a decrease of \$8,339 (-1.2%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	\$2,785	Increase in salary costs due to regular salary increases.	Fiscal Management

**CITY OF SONOMA**

**FY 2016-2017 OPERATING BUDGET NARRATIVE**

*Building Department (100-43040)*

*Wayne Wirick, Development Services Director / Building Official*

---

**DESCRIPTION:**

Through the issuance of building permits, the Building Department promotes the health, safety, welfare and sustainability of the built environment and the public by ensuring that structures and their components are accessible, energy efficient, “green” and safe for use and occupancy. The Building Department strives to provide professional and proficient plan review and inspection services to the public in a courteous and timely fashion.

In FY 2016/17 the Building Department will continue to be staffed with 3.45 Full-Time Equivalent employees including the Building Official, Plans Examiner, Building Inspector and a shared Administrative Assistant.

**CHALLENGES:**

The vast majority of regulations enforced by the Building Department are mandated by state law or are otherwise adopted by local ordinances. Every year, new regulations increase the demands placed on Building Department staff resulting in slippage in the Building Department’s ability to provide fast, effective and high quality services. The FY 2016/17 Building Department budget reflects the maintenance of current Building Department service levels. Permit, plan check and inspection activity has increased over the past year (approximately 15% over the previous year) and there are signs of a continuing upward trend in construction activity.

**FISCAL YEAR 2015 – 2016 ACCOMPLISHMENTS:**

- Continued to maintain Building Department service levels despite the 15% increase Building Department workload over the previous fiscal year.
- Developed and implemented an Expedited Solar Permitting Process for One-Family & Two-Family Dwellings.
- Participated and completed Insurance Services Office’s -Building Code Effectiveness Grading Schedule to help lower insurance costs to building owners within the community.

**FISCAL YEAR 2016 – 2017 GOALS:**

- Maintain our excellent customer service levels.
- Adopt the 2016 Edition of the CA Building Standards Codes.
- Update approximately 60 forms and informational handouts to conform with the newly adopted codes.
- Obtain Certified Access Specialist certification for the Building Inspector.

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the Building Department includes a decrease of \$6,877 (-1.3%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	(\$5,793)	Reduction after one time increase in prior year and due to accounting change in CalPERS unfunded liability.	Fiscal Management
Services & Supplies	\$125	Increase due to required purchase of new code books offset by decrease in professional / technical services due to less outsourcing of plan check services.	Fiscal Management, Policy & Leadership
Internal Fund Transfers	(\$1,209)	Decrease in Vehicle Replacement costs and Management Information Services Costs offset by increase in Insurance Costs.	Fiscal Management

## CITY OF SONOMA

### FY 2016-2017 OPERATING BUDGET NARRATIVE

*Community Activities (100-43101)*

*DeAnna Hilbrants, Finance Director*

---

Community Activities represents services that benefit the entire community of Sonoma. For the 2016 – 2017 Fiscal Year, staff has realigned expenses that were previously paid from other funds such as Community Development Agency and Successor Agency.

For Fiscal Year 2016 – 2017; the following programs are included in the recommended budget:

- Utilities (water and sewer) and building maintenance for Emergency Shelter. While contract services for the Emergency Shelter are paid using RDA Property Tax Trust Fund (RPTTF), payment of utilities was not authorized by the State of California Department of Finance.
- Rental and associated costs (share of property tax and insurance) for the Sebastiani Theatre.
- Lease of the Veteran's Building. The City has historically provided 15 days of use of the Veteran's Building to other Community Organizations at an annual cost of \$15,000. The City is currently working with the County on this agreement.
- City contribution to the cost of Crossing Guard Services at Sonoma Valley High School (SVHS) and to Grad Night at SVHS.
- Memorandum of Understanding with Chamber of Commerce for Business and Economic Vitality Services.
- Proposed Agreement with the Sonoma Valley Visitor's Bureau. This contract was previously paid using RDA Property Tax Trust Fund (RPTTF) but those payments ended when the most recent contract ended on June 30, 2016.
- CFAC Activities which were previously included in the Non-Departmental budget.
- Special Events Coordinator
- A "Community Fund" grant process further described below

The 2016 – 2017 Council Goals includes the following:

*Create a Sonoma Community Fund equal to 1.5% of General Fund Tax Revenue sources to provide as funding opportunities for nonprofit organizations (including those formerly designated "Tier 1") and small grants to community service organizations.*

In 2016, City Council approved a Community Fund Grant program using 1.5% of City General Tax Revenue excluding restricted tax revenue (Public Safety Sales Tax and Successor Agency Administration). Based on this calculation, a total of \$194,385 is available for allocation in the "Community Fund". Based on the adopted policy, \$174,900 is available for Community Fund Grants and \$19,485 is available for future council direction such as event fee waivers.

Applications for the Community Fund Grant program closed on April 29, 2016. The City received 23 applications requesting \$450,955 in funding. Staff anticipates bringing a recommendation to Council for allocation of these funds but this recommendation will occur after publication of this budget.

Community Fund History: Before the Community Fund Grant program was established, the City provided "grants" to Tier 1 Organizations. As a result of the new policy, those organizations were required to submit applications. Below is a summary of "grants" to Tier 1 Organizations through Fiscal Year 2016.

In Fiscal Year 2014, Council authorized a 5% increase to each Tier 1 Organization except the Sonoma Community Center who had requested no increase. In 2015, Council authorized a 20% increase for all

Tier 1 providers. In 2016, Council authorized a 3 % increase for all organizations except the Community Center who was authorized a higher increase to manage the July 4<sup>th</sup> activities.

A history of Tier 1 Funding follows:

<i>Agency</i>	<i>2011-12 Grant</i>	<i>2012-13 Grant</i>	<i>2013-14 Grant</i>	<i>2014-15 Grant</i>	<i>2015-16 Grant</i>
Boys & Girls Clubs of SV	\$51,040	\$51,040	\$58,000	\$69,000	\$70,725
Sonoma Community Center	\$26,400	\$26,400	\$26,400	\$32,000	\$43,000
Sonoma Ecology Center #1	\$19,360	\$19,360	\$22,000	\$27,000	\$27,675
Vintage House	\$26,400	\$26,400	\$30,000	\$36,000	\$36,900
<b>TOTALS</b>	<b>\$123,200</b>	<b>\$123,200</b>	<b>\$136,400</b>	<b>\$164,000</b>	<b>\$178,300</b>

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the Community Fund includes an increase of \$225,217 (64.5%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>

## CITY OF SONOMA

### FY 2016-2017 OPERATING BUDGET NARRATIVE

*Successor Agency Administration (100-43199)*

*Successor Agency, RPTTF-ROPS (391-53001)*

*DeAnna Hilbrants, Finance Director*

---

#### Successor Agency

One of the most profound impacts to impact the City's budget in many years was the dissolution of California Redevelopment, as outlined in California Assembly Bill ABX1 26. The elimination of all revenue, funding for projects and associated administrative costs resulted not only in unprecedented challenges for the City, but the need to create a Successor Agency to close out all Redevelopment activity, and to absorb costs now unfunded in a post redevelopment era. Employees who were previously responsible for and funded by Redevelopment were shifted to the newly created Successor Agency Administration Department and related expenses were absorbed by the General Fund. This includes:

- Portion of Staff Costs including: City Manager, Assistant City Manager, Administrative Services Manager, and Finance Director
- Underwriting of the Sebastiani Theatre lease and associated utilities
- Small Business Loan Program. This program has proven very successful and staff recommends increasing the budget in this program.
- Legal costs associated with ongoing litigation with the Department of Finance.

In the 2015 – 2016 Fiscal Year, staff recommended moving the cost of Economic Vitality Manager (now included as part of the Memorandum of Understanding with the Sonoma Valley Chamber of Commerce) and Emergency Shelter Utilities to the Community Activities budget. In 2016-2017, staff has accounted for the expense of the Sebastiani Theatre in the Community Activities Budget.

#### RPTTF - ROPS:

The departmental budgets represented by the RDA Property Tax Trust Fund (RPTTF) and the Recognized Obligation Payment Schedule (ROPS) are part of the same action by the California Assembly Bill ABX1 26. Through this legislation, new guidelines were issued for the dissolution of the former redevelopment agency (Sonoma Community Development Agency) and establishment of the Successor Agency to the Sonoma Community Development Agency. This legislation includes guidelines for remittance and a payment schedule for State recognized and approved expenses. Every year (previously every six (6) months), the City submits detail of anticipated payments based on items authorized by the Department of Finance during the Due Diligence process which took place in 2013.

As a general rule, approved expenses may include:

- Debt service costs which were previously funded by tax increment and that have an amortization schedule during the time of the dissolution of the RDA. These expenses will be paid using funds received under ROPS until the debt is fully paid according to the original schedule. The schedule includes Tax Increment Bonds (TAB) issued in 2003, 2010 and 2011, a USDA note payable related to Village Green Housing, and payment to the Sonoma County Housing Authority for a loan issued by the Low Moderate Income Housing Fund to the Community Development Agency. The 2011 Tax Allocation Bonds are currently held pending legislation or litigation related to the dissolution of redevelopment but payments are included in the approved expenses. These bonds were issued in an

aggregate amount of \$16 million to fund various capital improvements and public service projects including affordable housing. In 2015, the 2003 TAB was refunded resulting in cash savings and additional distribution of residual redevelopment funds to other taxing agencies including the City.

- Contract services through the end of any contracts issued before the dissolution of the Sonoma Community Development Agency. This includes the funding for Sonoma Overnight Services (Emergency Shelter). Utilities and building maintenance for the Emergency Shelter are paid by the City and budgeted in Community Activities (100-43101).
- Other expenses approved by the Successor Agency RPTTF are primarily related to professional services such as audit services.

In Fiscal Year 2017; the following expenses will no longer be paid from RPTTF Funding:

- The Sonoma Community Center Historic Preservation Easement was paid in full on December 15, 2015.
- Sonoma Valley Visitor’s Bureau: The term of this agreement expired on June 30, 2016. A proposed amount of \$100,000 (reduction from \$218,000) has been included in the Community Activities budget.
- Due to legislative changes, legal services for ongoing litigation associated with Former Community Development Agency bonds will no longer be paid. These expenses have been moved to the Successor Agency budget in the General Fund.

For expenses that are approved for RPTTF Funding, the City as Successor Agency will receive pass through revenue when property taxes are remitted to the City by the County. The City will then make authorized payments from Successor Agency, RPTTF / ROPS Fund.

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the General Fund Successor Agency Administration includes an increase of \$67,070 (20.4%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	(\$4,307)	Decrease is primarily due to an accounting change related to CalPERS unfunded liability.	Fiscal Management
Services & Supplies	\$70,750	Increase in legal costs due to change in legislation. Increase in funds for Business Improvement Loan program. Transfer of expense for Sebastiani Theatre to Community Activities.	Fiscal Management, Policy & Leadership
Internal Fund Transfers	\$627	Increase in Management Information Services and Insurance Costs.	Fiscal Management

The recommended budget for the RPTTF (ROPS) includes an increase of \$90,515 (2.4%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Services & Supplies	(\$7,465)	Decrease due to transfer of legal expenses to general fund, reduction in audit costs, expiration of contracts (Historic Preservation Easement and Visitor's Bureau). Increase due to accounting change related to Successor Agency Administrative Allowance.	Fiscal Management
Debt Services	(\$188,075)	Decrease: SERAF loan due to Low Moderate Housing Fund was disallowed pending future increase in tax increment.	Fiscal Management
Transfers	\$286,055	This transfer is to recover shortfalls in the fund from prior years.	Fiscal Management.

**CITY OF SONOMA**

**FY 2016-2017 OPERATING BUDGET NARRATIVE**

*Non-Departmental Expenses (100-43200)*

*DeAnna Hilbrants, Finance Director*

Non-Departmental expenses represent functions that span the entire City organization. In these cases, instead of allocating expenses to a specific general fund department, the expenses are charged through this Non-Departmental budget. Non-Departmental expenses include: front counter employee costs (part time employee), web site maintenance, utilities on City buildings (gas, electric, water and sewer), custodial services, leases, communications, contract services, repairs and maintenance required to maintain the properties and deliver service to the public. In addition, general supplies that are for the benefit of the entire City rather than a specific department are also included. For example, postage is primarily charged to this department unless a specific department requires a bulk mailing.

**RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for Non-Departmental includes an increase of \$16,927 (3.9%).

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>
Salaries & Benefits	\$455	Increase in salary costs due to regular salary increases.	Fiscal Management
Services & Supplies	\$17,183	Increase is primarily related to costs to update the City's Local Hazards Mitigation Plan (\$50,000) offset by reductions due to completed projects such as the City website update and building repairs at Carnegie Library.	Infrastructure
Internal Fund Transfers	(\$711)	Increase in Long Term Building Maintenance Costs offset by decreases in Management Information Services costs and Insurance costs.	Fiscal Management

**FY 2016-2017 OPERATING BUDGET NARRATIVE**

*Inter-Fund Transfers / General Fund to Other Funds (100-43999)*

*DeAnna Hilbrants, Finance Director*

---

Interfund transfers (General Fund to Other Funds) represent transfers from the general fund to other funds to pay debt service costs associated with general fund or due to operating deficit in other funds. For Fiscal Year 2016 – 2017; transfers will be made as specified below:

- Debt Service Pension Obligation Bond (General Fund Share): \$236,249
- Debt Service (Clean Renewable Energy Bond) \$ 24,006
- Transfer to Benefits for Unfunded CalPERS Liability (Police) \$121,367
- Transfer to Benefits for Unfunded CalPERS Liability (Fire) \$218,160
- Transfer to Benefits for Unfunded CalPERS Liability (Misc – GF Share) \$114,316
- Gas Tax for Street Department (to balance budget): \$401,805

This account does not reflect transfers related to Internal Service Funds including: Management Information Systems, Vehicle Replacement, Insurance Fund, Employee Benefits, and Long Term Building Maintenance. Transfers related to Internal Service Funds are included in the department budget for each department based on cost allocations described in those budgets.

The recommended budget for General Fund to Other Funds includes an increase of \$134,042 (13.7%).

This is primarily a result of an accounting change to transfer the expense for PERS Unfunded Actuarial Liability from department budgets to this budget.

*Debt Service Funds*

*Clean Renewable Energy Bonds [CREBS] (495-55031)*

*Pension Obligation Bond (498-57109)*

*DeAnna Hilbrants, Finance Director*

---

**DESCRIPTION:**

The City uses debt service funds for tracking of revenue and interest related to long term debt principal and interest. Funds are transferred into the debt service funds from the appropriate fund.

In addition to the debt financing associated with the former Community Development Agency, the City has responsibility for the following:

- 2008 Clean Renewable Energy Bonds used for photovoltaic (solar) projects at the Police Station and Corporate Yard. These bonds were previously included in the Community Development Agency but were denied for ongoing financing from the RDA Property Tax Trust Fund (RPTTF). Funds are transferred from the General Fund (for Police Department and Public Works) and from other funds sharing the Public Works Corporate Yard (Gas Tax, Cemetery, Water).
- 2012 Pension Obligation Bond with costs to be allocated among funds based on share of salary costs. Funds are transferred to the debt service fund and the payment is made from that fund.
- Refinance of the 2001 Water Bond. Debt service costs related to this bond are paid directly from the Water Fund and are included in the water fund budget (510-62001).

With the dissolution of redevelopment (further described in the narrative for Successor Agency, RPTTF-ROPS), debt service funds to be paid under the RPTTF-ROPS were transferred to that fund and those debt service funds were closed in Fiscal Year 2014. Debt Service Expenses included in the Successor Agency Budget include:

- 2015 Tax Allocation Bond (This is the refunding of 2003 Tax Allocation Bond)
- 2010 Tax Allocation Bond
- 2011 Tax Allocation Bond
- SERAF Loan from Low / Moderate Income Housing Fund to Community Development Agency (paid to Sonoma County Housing Authority)
- US Department of Agriculture Loan used for purchase and operation of Village Green

*Management Information (MIS) - Internal Services Fund (601-64010)*

*Wayne Wirick, Development Services Director / Building Official*

---

**DESCRIPTION:**

The purpose of the Management Information Services (MIS) fund is to provide a funding mechanism for the operational costs, maintenance, and planned replacement of installed computer systems as well as software, telephone systems and other critical office equipment needed for the delivery of information and the conduct of business. All funds allocated for this purpose are derived from annual transfers from other City operations and therefore are reimbursements versus true revenues. The MIS Fund helps to prevent excessive swings in annual costs by anticipating future MIS needs and amortizing the replacement costs over a period of time.

In the MIS Fund it is typical for equipment and software purchase costs to fluctuate from year to year due to normal cyclical buying patterns. This fund helps to achieve the Council Goal of Fiscal Management.

**FISCAL YEAR 2015 – 2016 ACCOMPLISHMENTS:**

- Completed Server Replacement Project

**RECOMMENDED BUDGET MODIFICATIONS:**

- The recommended budget for the MIS Internal Service Fund includes an increase of \$69,770 (27.4%)

<b>DEPARTMENT / CATEGORY</b>	<b>COST INCREASE (REDUCTION)</b>	<b>DETAILS</b>	<b>COUNCIL GOAL</b>

## CITY OF SONOMA

### FY 2016-2017 OPERATING & CAPITAL BUDGET NARRATIVE

*Vehicle Replacement - Internal Services Fund (603-64510)*

*Wayne Wirick, Development Services Director / Building Official*

---

The purpose of the Vehicle Replacement fund is to provide a funding mechanism for the planned replacement of existing vehicles and equipment. All funds are derived from annual transfers made by City departments where the vehicles are assigned. The Vehicle Replacement fund helps to prevent excessive swings in annual vehicle replacement costs by anticipating future vehicle and equipment replacement needs and amortizing the replacement costs over a period of time. Existing vehicles and equipment are replaced based on their need to be replaced such as obsolescence, high maintenance costs, loss of productivity or efficiency, etc.). This fund helps to achieve the Council Goal of Fiscal Management.

The total value of all non-depreciated vehicle and equipment assets that will eventually need to be replaced is approximately \$4.2M. Projections show that this fund is currently underfunded by approximately \$600,000.

Vehicle Replacement funds are transferred to the respective department's budget when new vehicles or equipment will be purchased. This year, it is anticipated that the Vehicle Replacement Internal Services Fund will fund the replacement of the following vehicles or equipment:

- Water Department – Replace the 2004 Pacific Tek PV350HO Vacutron with a New Vacutron

#### **RECOMMENDED BUDGET MODIFICATIONS:**

The recommended budget for the Vehicle Replacement Internal Service Fund includes a decrease of \$14,845 (-6.0%). This is a result of annual review of vehicles to be replaced amortized over the anticipated useful life of the vehicle. Transferred funds exceeding planned purchases during the year are held in reserve until vehicles are purchased.

**CITY OF SONOMA**

**FY 2016-2017 OPERATING & CAPITAL BUDGET NARRATIVE**

*Long-Term Building Maintenance (LTBM) - Internal Services Fund (610-64520)*

*Wayne Wirick, Development Services Director / Building Official*

**DESCRIPTION:**

The Long-Term Building Maintenance (LTBM) Fund is an Internal Service Fund that provides for the set-aside of funds for the future replacement or repair of major maintenance items in City owned facilities. This fund anticipates the eventual replacement of roofing, exterior and interior paint, floor coverings, HVAC equipment, parking lot paving and miscellaneous other items in City owned facilities and provides a mechanism by which the City can recover some or all of the expected maintenance costs by including long-term maintenance expenses in the overhead formulas for fees for services.

Large swings in annual LTBM repair and maintenance project costs are normal and expected due to the varying types of projects being performed from year-to-year. This fund helps to achieve the Council Goal of Fiscal Management.

**FISCAL YEAR 2015 – 2016 ACCOMPLISHMENTS:**

- Completed Fire Station Exterior Painting Project
- Completed Design for Youth Center (Valley of the Moon Nursery School) ADA Improvement Project

**Planned LTBM Projects :**

Project	Expense Description	Estimated FY16-17 Project Expenses	Estimated Project Expenses After FY16-17	Estimate of Total Project Cost
CIP-PB-1 - Youth Center (Valley of the Moon Nursery School) ADA Improvements	Design (partial) and Construction Costs	\$116,175	\$0	\$133,400
CIP-PB-2 - Carnegie Bldg. - Repairs, Repainting, Carpet Replacement and Public Restroom Improvements	Design and Construction Costs	\$163,800	\$0	\$163,800
CIP-PB-3 - Depot Museum ADA and Code Improvements	Design and Construction Costs	\$42,800	\$0	\$42,800
CIP-PB-4 - Fire Station Stairway Flooring Replacement Project	Bid Documents and Construction Costs	\$18,500	\$0	\$18,500

**RECOMMENDED BUDGET:**

The recommended budget for the Long Term Building Maintenance Internal Service Fund is \$341,275 for the projects specified above. Funds held in reserve for these projects will be transferred from reserves as the activities take place.
