**CERTIFICATE OF SUFFICIENCY OF
INITIATIVE PETITION**

I, Rebekah Barr, MMC, City Clerk of the City of Sonoma, California, do hereby certify:

That on June 6, 2018 proponents submitted to my office an initiative petition for an "Initiative Measure amending municipal code to permit personal cannabis cultivation on all residential properties and establishment and operation of cannabis businesses within the City, including commercial cultivation, manufacturing, retail, delivery, distribution, testing and special events".

That pursuant to Election Code Section 9215, it has been determined that the Sonoma County Registrar's last official report of registration to the Secretary of State for the City of Sonoma was 6,924 registered voters and that 10% of said registration would require 693 valid signatures to qualify the initiative petition.

That in accordance with Election Code 9210(b), it has been determined that said petition contained 1345 (prima facie count) signatures. Pursuant to Elections Code Section 9211, petition signatures were examined by the Sonoma County Registrar of Voters Office as per Election Code Section 9114 and that Office has determined that 767 signatures are valid.

Therefore, the initiative petition submitted by the proponents is deemed to be sufficient.

IN WITNESS, WHEREOF, I have hereunto set my hand and affixed the official seal of the City of Sonoma this 18th day of July, 2018.

Rebekah Barr, MMC
City Clerk
