

CITY OF SONOMA
SPECIAL EVENTS POLICY

Adopted by the City Council on 9/5/2018

A. PURPOSE

The purpose of this policy is to set rules and processes that will guide the Community Services and Environment Commission (CSEC) and the Special Events Manager in seeking an appropriate balance between the benefits of organized events and their associated impacts on the community.

The Special Events Manager position is assigned by the City Manager to carry out the duties and responsibilities set forth in this policy.

B. COMMUNITY BENEFITS OF SPECIAL EVENTS

Special Events can create a sense of community for the City of Sonoma and Sonoma Valley in the following ways:

- Providing a gathering place for residents;
- Establishing and maintaining local traditions;
- Providing exposure and celebration of diverse cultures;
- Showcasing the talents of local artists;
- Enhancing the local economy by promoting Sonoma as a destination for tourists and shoppers;
- Generating income for local community-serving non-profit organizations;
- Generating funds to support public programs and projects;
- Generating income for non-local causes; and
- Educating the public and increasing public awareness about issues of local concern.

C. COMMUNITY COSTS OF SPECIAL EVENTS

Special Events can generate impacts to area residents and businesses and to the City of Sonoma by, among other things:

- Adding to traffic congestion and exacerbating parking problems;
- Impinging on the use of public spaces for non-structured, passive enjoyment by area residents;
- Having a negative impact on the health and appearance of public landscaping and on the condition of public buildings;
- Impacting the environment due to generation of excessive trash and use of single use plastics that end up in landfill and add to our carbon foot print;
- Adding direct expenses to the City budget for maintenance of public facilities; and
- Excessive alcohol consumption at events can be detrimental to public health and increase the cost of public safety.

City of Sonoma – Special Events Policy

D. DEFINITION OF A SPECIAL EVENT AND TYPES OF SPECIAL EVENTS

Special Event – An activity on public property open to the general public, with or without an admission charge. Special Events include the following items.

- Any organized formation, parade, procession or assembly of persons, which may or may not include animals, vehicles or any combination thereof which is to assemble or travel in unison on any street which does not comply with normal or usual traffic regulations or controls.
- Any organized assemblage of persons at any park or facility, owned by the City or by any other governmental agency, such as the Sonoma Valley Unified School District, California State Parks or Sonoma County, which is to gather for a common purpose under the direction and control of a person. (Special events sponsored by, and, held on the property owned by other governmental agencies including, but not limited to the Sonoma Valley Unified School District, Sonoma County, and the State of California Department of Parks and Recreation, are not required to obtain Special Events Permits from the City. Such agencies are encouraged to consult with the Special Events Manager during the planning stages of such events to address community impacts such as traffic, parking, noise, security, etc.)
- Any other organized activity conducted by a sponsoring organization or person for a common or collective use, purpose or benefit which involves the use of, or has an impact on, City property or facilities and the provisions of City services in response thereto.

Examples of special events include, but are not limited to concerts, parades, special interest shows or expos, markets, fairs, festivals, block parties, community events or mass participation sports (such as, marathons and running events, bicycle races or tours, etc.).

For the purpose of this policy, special events are distinguished from the following:

- Private events which may be authorized on public property but which are not open to the general public;
- Recurring program activities on public property, conducted by the City or by a lessee of City property, where the activity is specifically authorized by use permit and/or by the terms of the property lease or contract; and
- Events on private property.

For the purpose of processing applications, the City organizes events into two categories: small-scale events and large-scale events.

Small-scale Event – An event that, in the judgment of the Special Events Manager, meets all three following requirements: 1) requires less than two hours of total staff time for pre-event preparation and/or post-event rehabilitation of the event venue; 2) makes use of no more than one section of the Plaza; and, 3) does not exceed eight hours in duration (including time required for set-up and take down).

City of Sonoma – Special Events Policy

Large-scale Event -- An event that, in the judgment of the Special Events Manager, meets one or more of the following three requirements: 1) requires more than two hours of total staff time for pre-event preparation and/or post-event rehabilitation of the event venue; 2) makes use of more than one section of the Plaza; and, 3) exceeds eight hours in duration (including time required for set-up and take down).

E. SPECIAL EVENT APPLICATION PROCESS

Every special event held on property or in a facility owned, leased, or otherwise controlled by the City of Sonoma requires a Special Event Permit.

This provision is not intended to regulate recurring program activities on public property, conducted by the City or by a lessee of City property, where the activity is specifically authorized by use permit and/or by the terms of the property lease or contract.

Application Content and Deadlines

A complete application must be submitted prior to a proposed event being considered for approval. An incomplete application will not be processed or scheduled for review until all information is submitted in accordance with this policy.

- For small scale events, complete applications must be submitted at least 21 days prior to the event.
- For all large-scale events, complete applications must be submitted at least 120 days prior to the event. An exception to the 120 day submittal deadline may be granted provided 2/3 of the CSEC vote in the affirmative to grant the exception.

Note: A special event shall not be advertised until the application has been approved by the Special Events Manager, CSEC, or City Council as required.

- A complete application must include the following:
 - **Special Event Application Form** with required attachments.
 - **Event Narrative:** A description of the event, a description of core objectives the organizer wants to achieve by organizing the event, including partnerships, sponsorship documentation, marketing plan, attendance breakdown, and a description of method of support for all proposed fencing. (Note: staking or fencing to delineate activity areas is discouraged and requires CSEC approval).
 - **Event Timeline:** Event timeline should include the following but not limited to, event move-in schedule, vendor set-up times, alcohol served (start and end time), food service times, transportation schedules, band set-up, performance times, move-out times.
- **Payment** of all required application fees, rental fees, costs and damage deposits. New events that are unique in nature will be evaluated on a case-by-case basis and may be subject to City Council approval. All costs associated with efforts required of City forces to review the Special Event Permit application and provide comments related to event needs and City impact shall be the responsibility of the applicant. A cost estimate will be provided with initial application review; a deposit for estimated costs shall be provided at the time

City of Sonoma – Special Events Policy

the application is submitted and is required to complete the application process.

- **Rental Fee** -- Rental Fee is a fixed amount for the rental of all or a portion of a venue, based on the length of the event; where applicable a maintenance fee for facility rehabilitation/maintenance is included with the rental fee. Rental fees are established by the City Council by resolution.
- **Application Fee** -- A Series of Events will be subject to one event application fee. Depending on the intensity of the proposed use CSEC or the Special Events Manager will determine whether the application fee is that of a small scale event or a large scale event. All other fees will be applicable for each day of use. (For instance, a music series of five separate events will be required to pay one application fee and five daily use fees (rent, maintenance, security deposit, etc.).
- **Direct City Costs** -- Costs associated with efforts required of City forces to provide traffic control, parking restrictions, special barricading, emergency medical services, on-site monitoring of events or other special event needs shall be the responsibility of the applicant and shall include all costs incurred by the City, including actual time, material and equipment costs. A cost estimate will be provided subsequent to staff review of the application. A deposit for estimated costs shall be provided prior to the application being considered by the CSEC. Payments and deposits for Police services must be arranged through the Sonoma Police Department through the Sonoma County Sheriff's Department.
- **Special Events Budget** If the event includes an admission charge, sale of event promotional items such as, but not limited to clothing and souvenirs, charges to exhibitors or vendors for booth or display space, sponsorship involving cash donations to the sponsoring organization, on-site solicitation of donations or any other cash income, an event is required to complete the event budget template showing estimated income by source, estimated direct event production expenditures (including, but not limited to, the costs of goods to be sold) and a letter identifying the planned beneficiary(ies) of any excess of income over expenditures.

For Profit Events -- Events that are organized by for-profit entities are required to complete the event budget template. The budget template allows the City to calculate the dollar amount of the contribution required to be paid to local non-profits as part of this policy document.

- **Public Safety Plan** – A plan that address such items as emergency vehicle ingress and egress, fire protection, emergency egress or escape routes, emergency medical services, public assembly areas and the directing of both attendees and vehicles (including the parking of vehicles), vendor and food concession distribution, and the need for the presence of law enforcement, and fire and emergency medical services personnel at the event.

City of Sonoma – Special Events Policy

- **Site Plan:**
 - Indicate the number and location of all proposed food vendors (including food trucks) barbecues, and generators (if proposed). The number of food vendors allowed shall be at the discretion of the CSEC or the Special Events Manager.
 - Indicate type, layout, and method of support for all proposed fencing (Note: staking or fencing to delineate activity areas is discouraged).
 - Indicate type and layout of all proposed furniture (i.e. tables and chairs).

- Additional Special Forms / Requirements
 - Street Use Permit -- Special Events proposing encroachments on the State Highway 12 or the closure of City streets must obtain the appropriate permits as set forth in Chapter 12.20 of the Sonoma Municipal Code.
 - Reservation of Public Parking – Special Events requesting the reservation of public parking are required to complete the Reservation of Public Parking Permit.

F. APPLICATION PERMIT PROCESS

1. Permit Initial Review

In making determinations about approval or conditions of a special event permit, the CSEC or the Special Events Manager shall consider and make findings regarding the following factors:

- Does the application conform to all general and site-specific restrictions, requirements and guidelines as set forth in this Policy and in the Appendices hereto?
- In the case of a recurring event, to what level did prior events adhere to all general and site-specific restrictions, requirements and guidelines and to specific conditions of approval, as indicated in post-event reports prepared by staff and in the post-event reviews conducted by the CSEC?
- What are the nature and magnitude of the community benefits that are anticipated for this event, and, for recurring events, what was the magnitude of community benefits, including the value of donations to non-profit beneficiaries, realized by prior events?
- What are the nature and magnitude of the community costs and impacts that are anticipated for this event and, for recurring events, what was the magnitude of community costs and impacts that were experienced in prior events?

2. Staff Review

- Small-scale events may be reviewed and approved by the Special Events Manager, with or without staff review by the Special Event Committee (SEC). The Special Events Committee is comprised of the City's Fire Marshal, Police Sergeant, City's Parks Supervisor, City's Street Supervisor and the Special Events Manager.

- Large-scale events, or events which in the judgment of the Special Events Manager raise unusual issues, will be subject to SEC review (prior to a decision by the Special Events Manager or by the CSEC). SEC review will be scheduled on an as-needed basis by the Special Events Manager. SEC review may result in recommended conditions of approval to be considered by the Special Events Manager or by the CSEC.

City of Sonoma – Special Events Policy

Large-scale reoccurring events in “Good Standing” with no substantial changes to their program can be reviewed administratively. “Good Standing” is defined as large-scale events with two consecutive years of no significant issues (documented in the Post Event Report) and no substantial changes to their event (additional days added, changes to routes, addition of large tents, use of fencing, etc.). In addition if it was noted during the post event review process that an event violated any of the items outlined below then it would warrant an event not qualifying for “good standing” status:

- Violation of public safety conditions;
- Violation of the Special Events Policy;
- Impact on Plaza businesses that was not expected;
- Numerous complaints and/or complaints of a similar nature;
- Not adhering to the list of conditions that are put forth by the City for approval of application. Exhibit A outlines examples of conditions that are typically included with approval. These conditions are categorized into public safety, maintenance, and compliance with City ordinances.

In addition to violation of the conditions of approval, as stated in the Special Events Policy, if alterations are made to an event that are not communicated to the Special Events Manager prior to the event it would warrant the event losing its “Good Standing” status.

The events meeting the “Good Standing” criteria listed above would be approved administratively by the Special Events Manager, the City’s Special Event Committee (SEC) and the City Manager.

Twice a year (February and May), the Special Events Manager will present a summary of the large-scale events that have been approved administratively to the CSEC. This summary will include a calendar of events, as well as a link to the approved applications and supporting materials provided by the event organizer. These meeting will take place during regularly scheduled CSEC meetings.

3. CSEC Review

Applications for those events requiring CSEC review and approval will be placed on the next available CSEC agenda after staff review is completed. Applications will not be scheduled for CSEC review and approval until all required information has been provided and all staff reviews have been completed. CSEC meetings are scheduled in conformance with Brown Act noticing requirements.

4. Post-Event Review

Sponsoring organizations of large-scale events must attend a post event review at the next meeting of the CSEC that is held not more than ninety days after the event. The requirement for CSEC post-event review may be waived if the event has maintained “Good Standings” for the previous two years. “Good Standing” is defined as no substantial issues or concerns reported or noted in previous post event reports. It is still a requirement that the Special Events Manager completes a post event report. The event representative shall provide an updated Event Budget Template with the actual revenues and costs to the Special Events Manager within 70 days after the event.

The Event Budget report shall be prepared in accordance with Generally Accepted Accounting Principles, and includes a simple budget to actual analysis and detail of any overhead expense line that exceeds 10% of gross receipts. City staff shall provide completed post event evaluation for review and discussion at the post event review. Payment of all post event invoices, charges, fees or penalties must be received

City of Sonoma – Special Events Policy

within seventy days of the post event review. Proof of receipt of funds from the beneficiary(ies) of the event is required to be submitted for all events organized by a for-profit entity.

CSEC Commissioners and City Council Members are encouraged to provide observations and event feedback via a monthly online survey they will receive from the Special Events Manager via email within 10 days post event. This allows the Council Members and CSEC members to provide feedback individually to City staff about an event. This feedback would be captured in a comprehensive post event report that would be included in the event file and sent to the event organizer for their review. If there are no significant issues/concerns that are raised for those events in “Good Standing” that have qualified for the special administrative only approval process, then the event would not be required to go through a formal CSEC Post Event Review Process. For those events that continue to qualify for the “Good Standing” approval process, their post event reviews would be handled administratively by the Special Events Manager. If significant issues or concerns are raised during in the Post Event Report, then a large-scale event would be scheduled for review by the CSEC.

Conditions of approval of subsequent years’ events may be affected by the organization’s failure to attend the mandatory post event review and/or to provide required information, which failure may also constitute grounds for denial of future years’ event permits.

5. Modification of Approved Permit

Once an application is approved, no event shall be modified without prior approval of the CSEC or of the Special Events Manager, whichever approved the event. The Special Events Manager is authorized to approve minor modifications to events. Modifications that require CSEC approval include, but are not limited to, changes in the dates, duration, and location of the event.

G. RESTRICTIONS, REQUIREMENTS AND GUIDELINES

1. Prohibitions

- Inflatable jumpers and slides (including those in which children can crawl inside) are not allowed in City Parks.
- Mylar balloons are not allowed in City Parks in conjunction with special events.
- The use of plastic drinking straws is not allowed in conjunction with special events occurring on City parks.
- Stakes are not allowed to be inserted into the lawn area unless approved by the Park Supervisor or Special Events Manager.
- Driving of motorized vehicles on any of the landscaped areas or sidewalks within City parks or on any bike paths unless it is a specially designed vehicle (e.g. golf cart with turf tires.) is prohibited. A request to use a specially designed vehicle with City Park would need to be approved by the Parks Supervisor during the SEC review process. This does not apply to City staff.
- The intentional release of helium balloons is prohibited. Event Organizers are required to instruct all vendors selling/handling out or utilizing balloons to weigh them down so they are not able to freely fly away.
- All events occurring on City owned property must adhere to the current City ordinances prohibiting some activities in public parks and the Plaza, including and not limited to: smoking/vaping, dogs,

City of Sonoma – Special Events Policy

bicycles/skateboards etc. For a list of City ordinances, please visit <http://www.codepublishing.com/CA/Sonoma/>.

2. Public Access to City Facilities During Events

Special Events shall not exclude the public from the general use of any park or public property or charge an entry fee to any City Park or public property during the course of the event. Fees may be charged for event participation.

3. Date and Location Preference

Date and location preference for City facility use is given to **longstanding recurring events** (*definition an event that has utilized the same City venue for 20 consecutive years*) and to locally based City or Sonoma Valley organizations benefiting the community on a non-profit basis.

In order to qualify for a preference in conducting a regularly scheduled event, sponsors of recurring events shall submit a letter or email to the Special Events Manager by January 1 of the year in which the event is to take place indicating the date or dates and the location on which the event is expected to take place, being sure to include set-up and take-down dates. This letter or email will be used for scheduling purposes only and will not constitute an application as required above.

A “master calendar” will be posted on the SonomaCity.org site prepared by City staff to assist with schedule coordination.

Upon receiving their approvals, all other events shall be placed on the master calendar on a first-come, first-served basis subject to location availability and adherence to policies limiting the number and frequency and the location of events.

Applicants are encouraged to submit an alternate venue location as a backup, along with the application for the desired venue.

Except for small scale events as defined herein, generally in no case shall two or more special events be scheduled on the same weekend at any given venue. Exceptions to the above rule include:

- Valley of the Moon Artist Association (VOMAA) Annual Art Show and the Native Sons of the Golden West Flag Day Celebration
- Sonoma Valley Historic Race Car Festival and Hit the Road Jack
- VOMAA 4th of July Art Show and the 4th of July Festival
- Celebration of Mexican Independence Day and Plein Air Art Show and Sale

Series of Events (*A non-consecutive multiple day event such as concert series or farmer/art markets that have identical event set-up and dismantle times, site plans, and service providers*) – A Multiple Day Event permit may be issued at the discretion of the CSEC or the Special Events Manager for events meeting the following criteria: 1) Each event is one in a series of events; 2) The application for the permit is for all of the events (dates); 3) The nature, purpose, location and target audience of each of the events (dates) are the same; and 4) The event is sponsored by a non-profit organization.

4. Minimum Contributions

Not applicable to locally based tax-exempt non-profit organization defined as an organization that qualifies as a tax-exempt non-profit organization and provides community benefit within Sonoma City, Sonoma Valley, or Sonoma County. Proof of tax exempt status must be submitted with application.

City of Sonoma – Special Events Policy

Events that are organized by a for-profit organization (defined as a business or other organization whose goal is to return a profit to the owners) shall donate a minimum of 10% of gross revenue or 40% of the net profits (whichever is greater) to one or more locally based non-profit organizations. Fifty percent of the calculated contribution to local non-profits can be utilized to pay for quid-pro-quo labor/services at the rate of the City's living wage or higher. The remaining 50% of the calculated contribution needs to be made in the form of a donation. The amount of donation to each specified non-profit beneficiary shall be submitted at the post event review meeting and a denotation of whether the donation was made for services rendered needs to be included.

Conditions of approval of subsequent years' events may be affected by the organization's failure to provide the required information regarding the required donation to non-profit beneficiaries, which failure may also constitute grounds for denial of future years' event permits. A copy of non-profit IRS form 990 or equivalent shall be required with subsequent year's Special Event Application submittal.

5. Limitations on the Sale of Wholesale Purchased Arts and Crafts

Arts and crafts sold at special events shall not be purchased wholesale and then sold retail at the event.

6. Proof of Insurance

Proof of insurance shall be provided at least one week prior to the commencement of any event. No event shall commence set up or delivery of event supplies, materials, or equipment without required insurance documents submitted and verified by the Special Events Manager to meet all City requirements.

7. Plaza Park Events

For restrictions, requirements and guidelines applicable to events at Plaza Park, see Appendix A.

8. Depot Park Events

For restrictions, requirements and guidelines applicable to events at Depot Park, see Appendix B.

9. Events at All Other Venues

For restrictions, requirements and guidelines applicable to events at any venue other than Historic Plaza and Depot Park, see Appendix C.

10. Unique Events and/or Locations

As determined by the City Manager, event locations or new events that are unique in nature may be referred to the City Council for review and approval.

11. Safety and Security

- a. Crowd managers shall be provided by the event organizer for events where more than 1,000 persons congregate. The minimum number of crowd managers shall be established at a ratio of one crowd manager to every 250 persons, unless a lesser amount is established by the Fire Code Official. The event organizer shall contact the Police Department concerning security related issues and this information shall be provided in the required Public Safety Plan. The City may require professional security or contracted Police Department services for events where alcoholic beverages will be sold or consumed (with an estimated attendance in excess of 750

City of Sonoma – Special Events Policy

persons), or for any event for which the Special Events Manager or Police Chief determines identified public safety concerns warrant security.

Crowd Manager – One or more people who are assigned the responsibility of maintaining safety of attendees during an event, duties include but are not limited to the following:

- Provide a safe environment;
 - Be aware of and maintain event safety requirements required by the Special Events Manager;
 - Conduct pre-event inspections to verify that the event safety requirements are in place.
 - Use a portable fire extinguisher;
 - Guide the crowd in an emergency;
 - Identify problem attendees and what to do once they are identified;
 - Coordinate with emergency responders; and,
 - If the event requires the use of barricades, crowd managers need to be available to move in response to emergencies.
- b. The City reserves the right of full access to all activities at any time to insure all rules and laws are being observed. The City reserves the right to suspend any individual or group from using City facilities and property if their behavior is determined to be abusive, destructive or in violation of any City rule without refund. The City reserves the right to cancel any scheduled event.

All special events closing streets, or estimating 250 or more people must submit a Public Safety Plan with their application. Safety Plan must contain who is monitoring the event for safety and what is the action plan in the event of a minor or major injury or incident.

- c. The Fire Department requires that all decorations be fire-retardant per Chapter 8 of the California Fire Code and no open flame or pyrotechnics are allowed without written approval from the Sonoma Valley Fire and Rescue Department (707) 996-2102.
- d. Temporary tents and membrane structures having an area in excess of 400 square feet and individual tents (open on all sides) having a maximum size of 700 square feet shall not be erected, operated, or maintained for any purpose without first obtaining a permit, inspection, and approval from the Sonoma Valley Fire and Rescue Department (707) 996-2102.

12. Restrooms

Events with attendance of 100 persons must provide portable restrooms as defined in the attached Restroom/Sink Estimator for Special Events unless a lesser amount is established by the Parks Supervisor and or the Special Events Manager, 10% of which must meet ADA specifications. A minimum of one hand washing station is required for every 4 portable restrooms.

13. Solid Waste and Recycling

All event applicants are required to submit a recycling and solid waste plan. A Solid Waste Recycling Plan is a written plan that achieves the following:

- a) Minimizes the production of solid waste;
- b) Provides for convenient recycling containers for event attendees and for event participants/vendors/etc.;

City of Sonoma – Special Events Policy

- c) Provides for a sufficient number of trash receptacles for non-recyclable waste;
- d) Assures that the venue is returned to a trash-free and sanitary condition for use by the general public;
- e) Encourage the reduction of the use of single use plastics including single use plastic water bottles;
- f) Outlines a post event sorting plan of trash and recycling; and
- g) Includes a communication plan to attendees encouraging the use of refillable water bottles and other plans for the successful reduction of waste and the elimination of single use plastics.

A key objective of the revisions of the Solid Waste and Recycling section in the Special Events Policy is implementation of a ban of all single use plastics taking affect on March 1, 2019.

Why Conserve Resources?

Waste reduction and recycling are not only good for the environment, but may save money. Recyclables are collected and hauled at reduced cost as compared to garbage rates, therefore reducing the overall waste handling costs. Even with a minimal and simple event recycling program, waste costs can be reduced by 20%.

Minimizing waste also improves the efficiency of an event. The more waste generated at an event, the more time, money and resources must be devoted to collection, transportation, storage and removal of these materials. Reducing waste from the start increases the amount of time that staff can dedicate toward other important projects.

Waste reduction and recycling also help minimize the creation of greenhouse gases. The production, processing and transportation of new materials generate greenhouse gases. By minimizing the purchase of single-use items, there is less demand to manufacture these items and no need to dispose of them.

Why is this important?

A significant amount of waste is sent to landfill is potentially recyclable. Reducing waste at events and venues can:

- Conserve resources, including energy, water and materials;
- Reduce greenhouse gas emissions;
- Reduce/minimize litter;
- Be a positive marketing tool for the event organizers;
- Increase the environmental awareness of vendors and patrons;
- Create employment in collecting, sorting and reprocessing recyclables; and
- Reduce the overall impact of the event on the environment.

City of Sonoma – Special Events Policy

The Waste Management Hierarchy diagram to the right frames the approach to managing and reducing waste.

Avoid:

Event organizers are encouraged to avoid the use of single use plastics. Please note the use of Styrofoam and Plastic Drinking Straws are prohibited.

Reduce:

Event organizers can help conserve resources and energy by preventing waste in the first place.

- Reduce unnecessary packaging by buying in bulk or only what is needed.
- Send invites and letters electronically.
- Request electronic versions of printed items.
- Use washable rags, towels, and napkins for cleaning, instead of disposable napkins and towels.
- Post large, central, easy-to-read display boards or reusable signs instead of distributing programs.
- Request that vendors use reusable containers instead of disposable items.
- Offer a refillable price for reusable glass wear.
- Serve condiments in bulk rather than in single servings.
- Use napkins instead of disposable plates for “finger foods”

Reuse:

Reuse can significantly reduce the amount of waste going to landfills. The usefulness of products can be prolonged without having to expend significant money or energy.

- Donate floral arrangements and decorations to schools, hospitals, women’s shelters or group homes.
- Reuse plastic packaging materials.
- Cut up old T-shirts that are unsuitable for donation, but can be used as cleaning rags.

Recycle:

Reincorporating materials into the manufacturing process, instead of taking them to landfill; and decreasing the use of virgin materials, which require more energy and resources to process.

- Large-scale events are required to have a recycling/sorting plan and use a professional or trained sorter for their event, subject to review and approval of the Special Events Manager.
- Cardboard boxes must be flattened prior to recycling in order to not take up precious dumpster space;
- Recycle beverage and food containers and steel cans, if possible.
- Landscape waste and other organics should be placed in curbside yard waste composting bin.
- Start a composting collection program if food and organic waste are generated on site.

City of Sonoma – Special Events Policy

- Use compostable food service ware and include it with food scraps, if collection service is available.

14. Sales and Distribution of Food, Beverages, or Merchandise

Any person or organization, including a non-profit organization, who is selling food or merchandise at a special event, must obtain a City of Sonoma Business License, as provided in Title 5 of the Sonoma Municipal Code. Please call the City of Sonoma Finance Department at (707) 938-3681 for more information.

- Sponsoring organizations are required to cooperate with the City in assuring compliance with the City's Business License requirements, for example, by providing lists of vendors and exhibitors 30 days in advance of the event to the Special Events Manager.
- Sponsoring organizations shall cooperate with the City in programs to assure that all taxable retail sales occurring at events are reported as taking place within the City.
- Events that are sponsored by a for-profit organization must comply with the City of Sonoma policy regulating Food and Beverage Ticket Sales.
- Each participating food vendor shall obtain a City of Sonoma Business License. Each vendor shall post their business license in a readily visible location at or upon the vending station.
- Each participating food vendor shall obtain a Sonoma County Health Department Permit to Operate. Each vendor shall post an SB180 "public right to know" sign in a readily visible location at or upon the vending station.
- Food vendors shall comply with the County of Sonoma, Department of Health Services, Environmental Health & Safety Section temporary food facilities requirements and procedures.

15. Sales and Serving of Alcoholic Beverages

Any special event taking place on City owned property that serves alcohol is required to complete a Possession and Consumption of Alcoholic Beverages on City Owned Property Permit. The Event Organizer will be responsible to secure the proper Alcoholic Beverage Control (ABC) license and abide by all rules and conditions of the license.

Any event that requires the Department of Alcoholic Beverage Control to issue an ABC license and anticipates at least 200 attendees shall be required to have at least one staff member properly trained to serve alcohol in a safe and responsible manner. For the purposes of this requirement, the staff member must successfully complete the Sonoma County Dept of Health Services' Responsible Beverage Service Training for special events or any other training class approved by the California Department of Alcoholic Beverage Control. The applicant shall provide a current certificate of completion by the person responsible for taking the Responsible Training Service Training course along with the alcohol permit application. In addition, the event organizer shall indicate in the event narrative how other event staff members will be trained.

H. FEES AND COSTS

The City Council shall from time to time by resolution as it deems necessary and appropriate provide for and set all rates, charges and fees for special event permit applications, use of, or impact to, City facilities and other costs related to special events.

The City has approved a number of community and heritage events as part of its Recreation and Community Service Program and has approved fee waivers. All events included in this program are still required to abide by the Special Event Policies outlined in this document. Please note the list of Special

City of Sonoma – Special Events Policy

Events included in this program can change and to refer to the City of Sonoma’s annual budget for an annual list of events included.

I. RIGHTS OF APPEAL

Any decision of the CSEC or the Special Events Manager regarding a Special Event application may be appealed to the City Council. Appeals must be filed with the City Clerk within fifteen (15) calendar days following the CSEC or Special Event Coordinator decision, unless the fifteenth day falls on a weekend or a holiday, in which case the appeal period ends at the close of the next working day at City Hall. Appeals must be made in writing and must clearly state the reason for the appeal. Appeals will be set for hearing before the City Council on the earliest available agenda. A fee is charged for appeals

J. DEFINITIONS

For the purpose of this Policy, the following definitions shall apply:

Application Processing Fee – Charges for staff time and expenses for processing special event permit applications. Application fees are established by the City Council by resolution.

City Property – Any City street, sidewalk, parking lot, park, plaza, or any other property owned or controlled by the City.

Event – Includes special event.

Event Organizer – Any person or organization that conducts, manages, promotes, organizes, aids or solicits attendance at a commercial or non-commercial special event.

Goods – Includes goods, wares, personal property, merchandise or any other similar item which is generally sold.

Gross Revenue – The sum of all cash received by an event organizer for a special event, including, but not limited to, admission charges, sale of event promotional items, charges to exhibitors or vendors for booth or display space, licensing, sponsorships, television, advertising, sale of goods, donations at the event and similar revenues and concessions
