Invites applications for the position of:

Accounting Technician

~Apply Immediately~

Application deadline is 5:00 p.m., Friday, September 27, 2019

The City of Sonoma is seeking a highly qualified, dynamic, and enthusiastic candidate to fill its Accounting Technician position. Located just 45 minutes north of the Golden Gate Bridge, the City of Sonoma spans approximately 2.8 square miles in the heart of one of the world's premier wine-producing regions. The Accounting Technician performs a variety of complex and technical accounting functions. The Accounting Technician reports to the Deputy Finance Director or the Assistant City Manager/Administrative Services Director.

The Community

The City of Sonoma is a beautiful, environmentally friendly, and safe place, widely recognized as one of the most desirable cities in Northern California to live, visit, and do business. Sonoma is proud of its friendly and small town atmosphere with residents that are actively engaged in city policies, volunteerism in a plethora of non-profits, and numerous community events and activities on the City's historic Plaza in the center of town. The City of Sonoma offers its 10,989 residents and visitors numerous attractions including shopping in the historic Plaza, wine tasting, hiking, as well as a vibrant restaurant scene. The City's commitment to open space preservation is visible with protected scenic hills and preserves, plus the renowned agricultural fields of the Sonoma Valley which provide a setting of unparalleled natural beauty. In the middle of the plaza, Sonoma's early 20th century City Hall is a *National Historic Landmark* and still serves as the community's focal point, boasting many community festivals and drawing the community together all year round.

The Organization

Incorporated in 1883 as a general law city, the City operates under a Council-Manager form of government with a five-member City Council. Sonoma boasts of an engaged citizen base and a culture of civility in public discourse. The City of Sonoma has a staff of 35 full-time and five part time-employees. These employees provide General Government (City Manager, City Clerk, Finance, Human Resources, and Risk Management), Building/Planning and Public Works (Administration, Streets, Parks, Water, and Cemetery). The City contracts its police services with the Sonoma County Sheriff's Department and its fire services with Sonoma Valley Fire Rescue Authority – both of these relationships are active partners within the City's leadership team. Water is wholesale provided from the Sonoma County Water Agency and sanitation management and infrastructure are under the management of the Sonoma County Sanitation District.

The Position

The Accounting Technician will perform a variety of complex and technical accounting functions in one or more assigned areas, including utility billing and customer service, accounts receivable, business licenses, cash entries and deposits; or payroll and accounts payable, maintain related records; and provide technical support to the Deputy Finance Director or the Assistant City Manager/Administrative Services Director.

The Ideal Candidate

The ideal candidate will have a thorough knowledge of principles and practices of local government accounting in the areas of utility billing, accounts receivable, business licenses, payroll, and accounts payable. Ability to develop and maintain effective working relationships with staff, other City departments, elected officials, and members of the community is critical.

In 2012, the City began its conversion to the Springbrook Financial System. A strong candidate will have the ability to continue to improve the City's use of this system to identify operating efficiencies and provide value to the citizens of Sonoma.

All public employees are determined to be disaster service workers under Section 3101 of Government Code. As a disaster service worker, this position is subject to such disaster service activities as may be assigned by superiors and subject to mandatory emergency call out.

Example of Essential Duties

The following duties are considered characteristic but not inclusive, and are examples only. Specific assigned duties will differ depending on the needs of the department.

- The Accounting Technician performs specialized and detailed technical work in the preparation, reviewing and processing of financial records and other related documents. Depending on assignment, this work will include utility billing, accounts receivable, business licenses, cash entries and deposits or payroll and accounts payable.
- Review various documents and reports related to area of assignment for accuracy, completeness and compliance with departmental policies, laws and other regulations.
- Compile, research, and prepare a variety of periodic and special reports related to area of assignment.
- Maintain records, databases and files relative to area.
- Calculate and reconcile fees, assessments, invoices and other payments.
- Receive and count cash; balance cash drawer.
- Review invoices and payments; or timesheets and make correcting adjustments as appropriate.
- Process and oversee billing statements: coordinate billing processes with other departments; prepare letters for delinquent accounts.
- Perform simple journal entries.
- Coordinate and communicate with outside state and federal agencies, and/or outside vendors.
- Build and maintain positive working relationships with co-workers, other City employees and the public using principles of good customer service.
- Foster an environment that embraces diversity, integrity, trust and respect.
- Be an integral team player, which involves flexibility, cooperation and communication.

The Successful Candidate Will Have Knowledge of:

- Principles, practices and theories of financial accounting.
- Recordkeeping requirements.
- Pertinent local, state and federal laws, rules, regulations and requirements.
- Methods and techniques of cash handling and reconciliation.
- Modern office equipment, including computers and software applications related to assignment.
- Business mathematics.
- English usage, spelling, grammar and punctuation.

The Successful Candidate Will Have To:

- Perform complex and specialized technical accounting work related to an assigned area of City financial function such as utility billing and related customer service, accounts receivable, business licenses, cash entries and deposits, or payroll and accounts payable,
- Observe, identify and problem solve office operations and procedures; understand, interpret and explain department policies and procedures; explain operations and problem solve issues for the public and with staff.
- Maintain detailed and accurate records.
- Enjoy interacting with the public and possess strong phone customer services skills
- Have the ability to juggle and prioritize multiple competing demands at once.
- Perform independent research in carrying out administrative and technical duties as assigned.
- Perform computational tasks and other technical functions with speed and accuracy.
- Compile and reconcile numerical and financial data.
- Receive and reconcile cash according to prescribed cash handling procedures.

Minimum Qualifications

Any combination of education and experience that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

EDUCATION:

Equivalent to an Associate's degree from an accredited college with major course work in finance, accounting or a related field.

EXPERIENCE:

Two years of responsible experience in financial accounting, utility billing, accounts receivable, payroll and accounts payable.

Experience with current technological applications that serve to enhance capacity and efficiency is required.

LICENSE AND CERTIFICATE:

Possession of, or ability to obtain, a valid California Driver's License.

The City of Sonoma is an equal opportunity employer. It is the policy of the City of Sonoma to preserve the right to equal employment opportunity for all persons, including those with physical, mental or sensory disabilities.

If you require special accommodation during the testing or interview process due to a legal disability, please supply the City with documentation on the need for accommodation, and what is needed in a written request submitted at least five (5) days prior to the date of the examination or interview.
