## **Rebuttal to Argument in Favor of Measure V**

Join us in telling Sonoma city officials: "No, Not Now!" to this forever tax in this time of uncertainty and chaos, especially ones like this that will never end. Vote No on Measure V.

Don't they realize that people who have lost their jobs, businesses that have closed, farmers struggling to survive, seniors, and students all need help, especially financially? They don't need this tax.

The pandemic and recession have caused record high unemployment, and tens of thousands of Sonoma County residents can barely pay their monthly living expenses. We taxpayers have to live within our means and so should Sonoma.

Local governments need to tighten their belts, adjust their spending like the rest of us, and not ask for new or extended taxes this year. 2020 is clearly the wrong time to ask voters for more money.

Any new taxes or extensions of existing ones should only be considered when people are back to work and businesses have re-opened. We are united and stand strong in our opposition to taxes like Measure V that will push people into poverty and cause more businesses and non-profits to close forever, creating more job losses and higher unemployment.

When we say "No, Not Now," we hear strong agreement from others in the community who want relief for those most impacted by COVID-19. They don't want additional future financial burdens brought on by tax measures that extend existing ones.

Send city officials a clear, strong message: Vote No on Measure V on November 3<sup>rd</sup>.
