Maintenance Worker I/II
Public Works Department

Apply Immediately
Final Filing Date: June 30, 2022

The City of Sonoma is seeking a highly qualified, dynamic, and enthusiastic candidate to fill a Maintenance Worker position in the Water Division of the Public Works Department. Located just 45 minutes north of the Golden Gate Bridge, the City of Sonoma spans approximately 2.8 square miles in the heart of one of the world's premier wine-producing regions.

All public employees are determined to be disaster service workers under Section 3101 of Government Code. As a disaster service worker, this position is subject to such disaster service activities as may be assigned by superiors and subject to mandatory emergency call out.

The City of Sonoma is an equal opportunity employer. It is the policy of the City of Sonoma to preserve the right to equal employment opportunity for all persons, including those with physical, mental or sensory disabilities.

If you require special accommodation during the testing or interview process due to a legal disability, please supply the City with documentation on the need for accommodation, and the type(s), in a written request submitted at least five (5) days prior to the date of the examination or interview.

Veteran's Preference – View the City of Sonoma's Policy:

<https://www.sonomacity.org/documents/veterans-preference-policy/>

Candidates requesting veteran's preference will be required to provide a copy of U.S. Government Form DD 214 "Certificate of release or Discharge from Active Duty" to Human Resources before the filing deadline for the position applied for.

Preference afforded via the application screening shall constitute the complete and total extent to which the City of Sonoma will afford veteran preference over other candidates.

The provisions of this bulletin do not constitute an expressed or implied contract. Any provision contained herein may be modified or revoked without notice.

The Community

The City of Sonoma is a beautiful, environmentally friendly, and safe place, widely recognized as one of the most desirable cities in *Northern California to live, visit, and do business*. Sonoma is proud of its friendly and small town atmosphere with residents that are actively engaged in city policies, volunteerism in a plethora of non-profits, and numerous community events and activities on the City's historic Plaza in the center of town. The City of Sonoma offers its 10,989 residents and visitors numerous attractions including shopping in the historic Plaza, wine tasting, hiking, as well as a vibrant restaurant scene.

The Organization

Incorporated in 1883 as a general law city, the City operates under a Council-Manager form of government with a five-member City Council. Sonoma boasts of an engaged citizen base and a culture of civility in public discourse. The City of Sonoma has a staff of 35 full-time and five part time-employees. These employees provide General Government (City Manager, City Clerk, Finance, Human Resources, and Risk Management), Building/Planning and Public Works (Administration, Streets, Parks, Water, and Cemetery). The City contracts its police services with the Sonoma County Sheriff's Department and its fire services with Sonoma Valley Fire District – both of these relationships are active partners within the City's leadership team. Water is purchased wholesale from the Sonoma County Water Agency and sanitation management and infrastructure are under the management of the Sonoma Valley County Sanitation District.

The Position

This recruitment is being conducted to fill one position in the Public Works Department. The position will perform maintenance functions in an assigned division, including streets, parks, cemeteries or water distribution systems; to operate, maintain, and repair assigned City facilities; and to provide technical support to an assigned supervisor.

The Ideal Candidate

The ideal candidate will have the ability to perform semi-skilled tasks in a variety of construction and maintenance activities; to learn to operate a variety of vehicular and stationary mechanical equipment in a safe and effective manner in routine situations; to understand and follow oral and written instructions; to perform heavy manual labor; and to maintain cooperative relationships with fellow workers.

Distinguishing Characteristics:

Maintenance Worker I This is the entry level class in the Maintenance Worker series. Positions in this class typically have little or no directly related work experience and work under immediate supervision while learning job tasks. The Maintenance Worker I class is distinguished from the II level by the performance of less than the full range of duties assigned to the II level. Incumbents work under immediate supervision while learning job tasks, progressing to general supervision as procedures and processes of assigned area of responsibility are learned.

Maintenance Worker II This is the journey level class in the Maintenance Worker series and is distinguished from the level I by the assignment of the full range of duties. Employees at this level receive only occasional instruction or assistance as new, unusual or unique situations arise and are fully aware of the operating procedures and policies within the work unit. Positions in this class are flexibly staffed and are normally filled by advancement from level I.

Supervision Received and Exercised:

Maintenance Worker I
Receives immediate supervision from a Public Works Supervisor.

Maintenance Worker II
Receives general supervision from a Public Works Supervisor.

Example of Essential Duties

The following duties are considered essential for this job classification:

Operate a variety of construction vehicles and equipment, including backhoes, dump trucks, and hand and power tools; install, repair and replace underground water mains and service laterals; install, clean, test, repair and replace water meters and meter boxes; maintain and troubleshoot pumping stations; perform preventative maintenance on associated equipment including pumps, motors, valves, and hydrants; perform minor electrical work; mark and locate underground utilities; check tank and well levels; check pressures; take water samples; clean, maintain, and perform minor repairs to assigned tools and equipment; accurately maintain daily work logs; and perform related duties as assigned.

It is the policy of the City Public Works Department to thoroughly cross-train all Public Works employees in water, cemetery, facilities, parks and streets operations. Assignments to other divisions may occur on a rotational basis.

ALL CITY EMPLOYEES ARE EXPECTED TO:

- Provide outstanding and friendly customer service
- Create and maintain a respectful and collaborative working environment
- Communicate honestly and behave in a manner that is ethical, legal, and fiscally responsible
- Demonstrate care for the organization, customers, and co-workers
- Practice and encourage initiative and innovation to improve the workplace.

MAINTENANCE WORKER I

Experience and Training

Any combination of experience and training that would provide the required knowledge and abilities is qualifying. A typical way to obtain the required knowledge and abilities would be:

Experience:

Some construction or manual labor experience is desirable.

Training:

Equivalent to the completion of the twelfth grade.

License and Certificate

Possession of a valid California driver's license.

When assigned to Water, possession of, or ability to obtain, a Water Distribution Operator Grade 1 certificate from the State Water Resources Control Board within twelve months of appointment.

MAINTENANCE WORKER II

In addition to the qualifications for the Maintenance Worker I:

Knowledge of:

Departmental policies and procedures relative to assigned area of responsibility.

Pertinent local, state and federal laws, codes, ordinances and regulations applicable to area of assignment.

Basic arithmetic skills to calculate volumes, areas, lengths, percentages and conversions as required by area of assignment.

Ability to:

Train and direct less experienced maintenance staff.

Operate specialized tools and equipment used in assigned area.

Experience:

Two years of responsible experience similar to Maintenance Worker I with the City of Sonoma.

Training:

Equivalent to the completion of the twelfth grade.

License and Certificate

When assigned to Water, possession of a Water Distribution Operator Grade 2 certificate from the State Water Resources Control Board.
