WHEREAS, City desires to obtain services listed in Exhibit B; and

WHEREAS, Contractor hereby warrants to the City that Contractor is skilled and able to provide such services described in Section 1 of this Agreement; and

WHEREAS, City desires to retain Contractor pursuant to this Agreement to provide the services described in Section 1 of this Agreement.

### Agreement

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. Scope of Services. Subject to such policy direction and approvals as the City through its staff may determine from time to time, Contractor shall perform the services set out in the Request for Proposal (RFP) which was sent by email and incorporated herein by reference.

2. Time of Performance. The services of Contractor are to commence upon receipt of a written notice to proceed from City, but in no event prior to receiving a fully executed agreement from City and obtaining and delivering the required insurance coverage, and satisfactory evidence thereof, to City. Contractor shall perform its services not later than [INSERT START DATE] and be completed not later than [INSERT COMPLETION DATE]. Any changes to these dates must be approved in writing by the City Manager or his or her representatives.

3. Standard of Quality. City relies upon the professional ability of Contractor as a material inducement to entering into this Agreement. All work performed by Contractor under this Agreement shall be performed 1) with due diligence, using its best efforts to perform and coordinate all activities in a timely manner; 2) in accordance with all applicable legal requirements; and 3) with the standard of quality ordinarily expected of competent professionals in Contractor’s field of expertise. Contractor shall correct, at its own expense, all errors made in the provision of services under this Agreement. In the event that Contractor fails to make such correction in a timely manner, City may make the correction and charge the cost thereof to Contractor.

4. Compensation and Method of Payment.

A. Compensation. The compensation to be paid to Contractor, including both payment for professional services and reimbursable expenses, shall be at the rate and schedules more particularly described in Exhibit B, in accordance with the terms and conditions included therein. However, in no event shall the amount City pays to Contractor exceed \_\_\_\_\_ Dollars (\$ \_\_\_\_\_). City’s obligation to pay compensation to Contractor as provided herein is contingent upon Contractor’s compliance with the terms and conditions of this Agreement and any amendments thereto. Payment by City under this Agreement shall not be deemed a waiver of

defects, even if such defects were known to the City at the time of payment.

B. Timing of Payment. Billing and payment for said services shall be as set forth in Exhibit A, attached hereto and incorporated herein.

C. Changes in Compensation. Contractor will not undertake any work that will incur costs in excess of the amount of set forth in Section 4(A) of this Agreement without prior written amendment to this Agreement. City shall have the right to amend the Scope of Work within the Agreement by written notification to the Contractor. In such event, the compensation and time of performance shall be subject to renegotiation upon written demand of either party to the Agreement. Contractor shall not commence any work exceeding the Scope of Work without prior written authorization from the City. Failure of the Contractor to secure City's written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the contract price or time due, whether by way of compensation, restitution, *quantum meruit*, etc. for work done without the appropriate City authorization.

D. Taxes. Contractor shall pay all taxes, assessments, and premiums under the federal Social Security Act, any applicable unemployment insurance contributions, Workers Compensation insurance premiums, sales taxes, use taxes, personal property taxes, or other taxes or assessments now or hereafter in effect and payable by reason of or in connection with the services to be performed by Contractor.

E. No Overtime or Premium Pay. Contractor shall receive no premium or enhanced payment for work normally understood as overtime, i.e., hours that exceed forty (40) hours per work week, or work performed during non-standard business hours, such as in the evenings or on weekends. Contractor shall not receive a premium or enhanced payment for work performed on a recognized holiday.

F. Litigation Support. Contractor agrees to testify at City's request if litigation is brought against City in connection with Contractor's work product. Unless the action is brought by Contractor or is based upon Contractor's negligence, City will compensate Contractor for the preparation and the testimony at Contractor's standard hourly rates, if requested by City and not part of the litigation brought by City against Contractor.

5. Inspection. Contractor shall furnish City with every reasonable opportunity for City to ascertain the services of Contractor are being performed in accordance with the requirements and intentions of this Agreement. All work done and all materials furnished, if any, shall be subject to the Project Manager's inspection and approval. The inspection of such work shall not relieve Contractor of any of its obligations to fulfill the requirement of this Agreement.

6. Ownership of Documents. Title, including the copyright and all intellectual property rights, all plans, specifications, maps, estimates, reports, manuscripts, drawings, descriptions, designs, data, photographs, reports and any other final work products compiled, prepared, or obtained by the Contractor under the Agreement shall be vested in City, none of which shall be used in any manner whatsoever, by any person, firm, corporation, or agency without the expressed written consent of the City. Contractor shall assume no responsibility for the unintended use by others of such final work products which are not related to the scope of the services described under this Agreement. Basic survey notes and sketches, charts, computations, and other data prepared or obtained under the Agreement shall be made available, upon request, to City without restriction or limitations on their use. Contractor may retain copies of the above-described information but agrees not to disclose or discuss any information gathered, discussed or generated in any way through this Agreement without the written permission of City during the term of this Agreement, unless required by law.

7. Employment of Other Contractors, Specialists, or Experts. Contractor will not employ or otherwise incur an obligation to pay other Contractors, specialists, or experts for services in connection with this Agreement without the prior written approval of the City.

8. Conflict of Interest.

A. Contractor (including principals, associates, and professional employees) covenants and represents that it does not now have any investment or interest in real property and shall not acquire any interest, direct or indirect, in the area covered by this contract or any other source of income, interest in real property or investment which would be affected in any manner or degree by the performance of Contractor's services hereunder. Contractor further covenants and

represents that in the performance of its duties hereunder no person having any such interest shall perform any services under this contract. Contractor agrees at all times to avoid conflicts of interest, or the appearance of any conflicts of interest, with the interests of the City in the performance of the Agreement.

9. Interest of Members and Employees of City. No member of the City and no other officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the carrying out of any project to which this Agreement pertains, shall have any personal interest, direct or indirect, in this Agreement, nor shall any such person participate in any decision relating to this Agreement which affects his/her personal interests or the interest of any corporation, partnership, or association in which he/she is directly or indirectly interested.

10. Liability of Members and Employees of City. No member of the City and no other officer, elected official, employee, or agent of the City shall be personally liable to Contractor or otherwise in the event of any default or breach of the City, or for any amount which may become due to Contractor or any successor in interest, or for any obligations directly or indirectly incurred under the terms of this Agreement. The City has no liability or responsibility for any accident, loss, or damage to any work performed under this Agreement whether prior to its completion or acceptance or otherwise.

11. Indemnity.

A. Indemnification. To the fullest extent permitted by law, Contractor shall, at its own expense, indemnify, protect, defend (by counsel reasonably satisfactory to the City) and hold harmless City and any and all of its officers, officials, employees, agents and volunteers ("Indemnified Parties") from and against any and all liability (including liability for claims, demands, damages, obligations, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged, or threatened), which arise out of, pertain to, or relate to the performance pursuant to, or failure to comply, with this Agreement, regardless of any fault or alleged fault of the Indemnified Parties.

For design professionals (as that term is defined by statute) acting within the scope of their professional capacity, to the fullest extent permitted by law, Contractor shall, at its own expense, indemnify, protect, defend (by counsel reasonably satisfactory to the City), and hold harmless any Indemnified Parties from and against any and all Liability, whether actual, alleged, or threatened, which arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Contractor, or as may be provided by statute in Civil Code § 2782.8, as may be amended from time to time.

The only exception to Contractor's responsibility to indemnify, protect, defend, and hold harmless the Indemnified Parties from Liability is due to the active negligence or willful misconduct of City or its elective or appointive boards, officers, agents, and employees.

B. Scope of Obligation. Contractor's duty to indemnify, protect, defend, and hold harmless as set forth in this Section 12 shall include the duty to defend (by counsel reasonably satisfactory to the City) as set forth in California Civil Code § 2778. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable by or for Contractor under worker's compensation, disability, or other employee benefit acts or the terms, applicability, or limitations of any insurance held or provided by Contractor and shall continue to bind the parties after termination/completion of this agreement. This indemnification shall be regardless of and not in any way limited by the insurance requirements of this contract. This indemnification is for the full period of time allowed by law and shall survive the termination of this agreement. Contractor waives any and all rights to express or implied indemnity against the Indemnified Parties concerning any Liability of the Contractor arising out of or in connection with the Agreement or Contractor's failure to comply with any of the terms of this Agreement.

Contractor's duty to indemnify, protect, defend, and hold harmless as set forth in this Section 12 shall not be excused because of the Contractor's inability to evaluate Liability, or because the Contractor evaluates Liability and determines that the Contractor is not or may not be liable. The Contractor must respond within thirty (30) calendar days to any tender by the City, unless the time for responding has been extended by an authorized representative of the City in writing.

If the Contractor fails to timely accept such tender, in addition to any other remedies authorized by law, as much of the money due or that may become due to the Contractor under this Agreement as shall reasonably be considered necessary by the City may be retained by the City until disposition has been made of the matter subject to tender, or until the Contractor accepts the tender, whichever occurs first. Contractor agrees to fully reimburse all costs, including but not limited to

attorney's fees and costs and fees of litigation incurred by the City in responding to matters prior to Contractor's acceptance of the tender.

12. Contractor Not an Agent of City. City retains all rights of approval and discretion with respect to the projects and undertakings contemplated by this Agreement. Contractor, its officers, employees, and agents shall not have any power to bind or commit the City to any decision.

13. Independent Contractor. It is expressly agreed that the Contractor, in the performance of the work and services agreed to be performed by Contractor, shall act as and be an independent contractor and not an agent or employee of City and shall have responsibility for and control over the details and means of providing its services under this Agreement. Contractor shall furnish, at its own expense, all labor, materials, equipment, tools, transportation, and services necessary for the successful completion of the services under this Agreement. As an independent contractor, Contractor shall obtain no rights to retirement benefits or other benefits which accrue to City's employees, and Contractor hereby expressly waives any claim to may have to any such rights. Contractor, its officers, employees, and agents shall not have any power to bind or commit the City to any decision. Contractor shall not receive payment for time off for days not worked, whether it be in the form of sick leave, administration leave, or for any other form of absence.

14. Compliance with Laws.

A. General. Contractor shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations. Contractor represents and warrants to City that it has all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required for Contractor to practice its profession. Contractor represents and warrants to City that Contractor shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, insurance, and approvals which are legally required for Contractor to practice its profession. City is not responsible or liable for Contractor's failure to comply with any or all of the requirements contained in this paragraph or in this Agreement.

B. Workers' Compensation. Contractor certifies that it is aware of the provisions of the California Labor Code which require every employee to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that Code, and Contractor certifies that it will comply with such provisions before commencing performance of this Agreement and at all times in the performance of the Agreement.

C. Prevailing Wage. E. City's Living Wage Ordinance. Unless otherwise exempt in accordance with the provisions of the Ordinance, this contract is subject to the applicable provisions of the Living Wage Ordinance (LWO) of the City as amended from time to time and can be found at <https://www.sonomacity.org/living-wage-law/> and is incorporated by reference into and made a part of this Agreement.

(1) The Contractor assures payment of a minimum wage rate to employees as defined in the LWO and as may be adjusted each July 1 and provision of benefits as defined in the LWO.

(2) The Contractor, whether an employer, as defined in the LWO, or any other person employing individuals, shall not discharge, reduce in compensation, or otherwise discriminate against any employee for complaining to the City with regard to the employer's compliance or anticipated compliance with the LWO.

(3) Any Subcontract entered into by the Contractor relating to this Agreement shall be subject to the provisions of the LWO.

(4) The Contractor shall, immediately upon execution of Contract, provide notification to all affected employees of the wage required to be paid pursuant to the LWO.

(5) The Contractor shall provide, upon demand by City, documents and information verifying compliance with the requirements of the LWO.

(6) The City shall have the authority, under appropriate circumstances, to terminate this contract and otherwise pursue legal remedies that may be available if the City determines that the subject Contractor has violated provisions of the LWO.

F. Business Licenses. Except as otherwise allowed by City in its sole discretion, Contractor and all subcontractors shall have acquired, at Contractor's expense, a business license from the City in accordance with Chapter 5.04 of the Sonoma Municipal Code, prior to City's issuance of an authorization to proceed with the Services. Such license(s) shall be kept valid throughout the term of this Agreement. City may withhold compensation from Contractor until such time as Contractor complies with this section.

G. City Not Responsible. The City is not responsible or liable for Contractor's failure to comply with any and all of said requirements.

15. Confidential Information. All data, documents, discussions, or other information developed or received by or for Contractor in performance of this Agreement are confidential and not to be disclosed to any person except as authorized by City, or as required by law.

16. Assignment; Subcontractors; Employees

#### ***Self-Insured Retentions***

Self-insured retentions must be declared to and approved by the City. The City may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

### ***Special Risks or Circumstances***

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

C. In the event this Agreement is terminated by the City without cause, Contractor shall be entitled to any compensation owing to it hereunder up to the time of such termination, it being understood that any payments are full compensation of services rendered prior to the time of payment.

Contractor, however, shall not be liable for the City's use of incomplete materials nor for the City's use of complete documents if used for other than the project contemplated by this Agreement.

20. **Suspension.** The City shall have the authority to suspend this Agreement and the services contemplated herein, wholly or in part, for such period as it deems necessary due to unfavorable conditions or to the failure on the part of the Contractor to perform any provision of this Agreement. Contractor will be paid for satisfactory services performed prior to the date of suspension. During the period of suspension, Contractor shall not receive any payment for services or expenses incurred by Contractor by reason of such suspension.

21. **Merger; Amendment.** This Agreement constitutes the complete and exclusive statement of the Agreement between City and Contractor and shall supersede all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument, signed by both the City and Contractor. All provisions of this Agreement are expressly made conditions.

22. **Interpretation.** This Agreement shall be interpreted as though it was a product of a joint drafting effort and no provisions shall be interpreted against a party on the ground that said party was solely or primarily responsible for drafting the language to be interpreted.
