

FOR MEMBER OF THE CITY COUNCIL

JOHN GURNEY

Age: 67

Occupation: Retired Police Chief

As a Sonoma community member for 29 years and new city resident, I look forward to bringing fresh objective and visionary leadership to the council. We continue to be faced with housing, traffic, environmental and stable city leadership challenges. The business community is struggling. There is no silver bullet, but together we can develop strategies to enhance the quality of life for all residents with collaborative and sustainable public policy.

With a Master's Degree in Public Administration, 29 years in Public Safety, 12 years in private industry and 4 years in the not for profit sector, I have direct and successful experience in leadership, organizational development, building teams, risk, crisis and financial management, emergency preparedness, disaster recovery and strategic planning.

With our collective skills and your support we can build a better Sonoma. I look forward to continuing my long-standing public service to the community. Working with the City Leadership Team, we can enhance the customer experience so we can all enjoy the quality of life Sonoma can provide.

I am grateful for your vote.
