

FOR MEMBER OF CITY COUNCIL

Michael J. Nugent "Mike"

Occupation: Business Owner

I seek this office on the basis of my love and concern for our city of Sonoma and my sincere desire to serve the people of Sonoma.

For over forty years my wife and I have raised our children here. Like so many other parents our life progressed from soccer to Little League to high school sports. We know the sense of freedom that our children enjoyed roaming the Plaza on Farmer's Market evenings, enjoying a Vintage Festival weekend, or riding on our antique tractors in the 4th of July parades.

I know the difficult side of governing. As your elected Hospital Director (1992-2008) and a Director of the Community Health Center, it could not have been more serious.

With over forty years in the financial services industry serving the international coffee trade, I am a successful business owner.

I am a positive person, a problem solver, not an ideologue. I seek the middle ground and collaboration. My passion is to get things done.

I will serve my full term and will work to restore stability and confidence on our all-important governing body. Thank you.
