Description of Work: _____

Extension Request for an Issued Permit

Section 18938.6 of the CA Health and Safety Code provides that every permit shall remain valid if the work on the site authorized by that permit is commenced within 1 year after its issuance, unless the permittee has abandoned the work authorized by the permit. The building official may grant, in writing, one or more extensions of time for periods of not more than 180 days per extension. The permittee shall request an extension pursuant to this subdivision in writing and demonstrate justifiable cause for the extension. Every permit issued shall become invalid after 4 years from the date of issuance.

For work covered under Building Permit # _____ I hereby request an extension of time for a period of _____ days (*not to exceed 180 days*) to:

- schedule and obtain an onsite regular progress inspection; or
- complete all work and schedule and obtain final inspection approval.

The reason(s) why the extension is necessary is as follows:

I certify under penalty of perjury that I am the permittee (contractor, owner or authorized agent of the owner) of the above-stated permit. I understand that the above-stated building permit will expire by limitation if the work covered under the permit is not commenced within 1 year of the date the permit was originally issued or if the work is suspended, abandoned or if no regular inspections are completed and approved within any 180-day period following the commencement of work.
