Sonoma County Clerk-Recorder-Assessor Appraisers Conducting Assessments in Fire Affected Areas

SANTA ROSA, CA. – Beginning Monday, November 6, 2017 the Sonoma County Assessor’s office will send teams of two appraisers to the affected fire areas to inspect fire damaged properties. The appraisers’ field work will help process fire damage reassessments and may lead to adjusted property tax bills.

“These teams will be in marked County of Sonoma vehicles and will be in the field to review partial structure damaged properties,” said Sonoma County Clerk-Recorder-Assessor William Rousseau. “All Assessor’s office staff will have County of Sonoma identification badges with them.”
