## How to Obtain Certified Copies of ***Birth Records***

January 1, 2016

## AVAILABILITY OF RECORDS

Before birth certificates are registered in our state database and are made available for processing copies, they are first registered in the county where the birth took place. This process is administered through the local county health department (registered) and local county recorder's office (maintained).

Because of the time it takes the county offices to send the records to our office and to get them registered in our system, *we encourage you to request certified copies of birth certificates from the county recorder's office if you require a copy within the first three months after the date of event.*

**Caution:** If you choose to send your request to our office within the first three months after the date of event, and we do not have the record available yet, we will issue you a Certificate of No Public Record (CNPR). Our office will retain the fee for the search, per California law.

## IF THE RECORD IS BEING AMENDED

Amendments to original birth records are frequently submitted to our office to correct errors or add information to original documents. Copies of amended certificates may be requested at the same time the amendment is submitted. The applicant receives a certified copy once the amendment is completed.

- If you request a certified copy **before** the amendment has been completed, you will receive either: a copy of the un-amended record, or a CNPR if we are not able to locate the record.
- If you know that the record is being amended, and it is the amended record that you want, please wait until after the amendment has been completed before requesting a certified copy.

**ATTENTION:**  
PLEASE READ THE FOLLOWING INFORMATION  
BEFORE COMPLETING APPLICATION

## CERTIFIED COPIES AND SWORN STATEMENTS

There are two types of certified copies available upon request:

### 1) **Certified Copy** *(authorized persons only)*

If you are requesting a certified copy, you **MUST** provide a notarized sworn statement (see page 3 of application) declaring under penalty of perjury that you are authorized by law to receive the certified copy (see application for list of authorized individuals).

If you are requesting a certified copy and a notarized sworn statement is not included, we will not be able to accept your request for processing.

A certified copy can be used to establish the identity of the person named on the certificate.

**Note:** Only one sworn statement is required for multiple records that are requested at the same time — but the sworn statement must include the name of each person whose record is being requested and your relationship to that person.

### 2) **Certified Informational Copy** *(any interested person)*

If you are requesting a certified informational copy, you **DO NOT** need to provide a sworn statement.

A certified informational copy has a legend printed on the face of the document that states, "INFORMATIONAL, NOT A VALID DOCUMENT TO ESTABLISH IDENTITY." Persons who are not eligible to receive a certified copy can receive a certified informational copy.

Both types of documents are certified copies of the original document on file with our office. Depending on the exact year of event, some certified informational copies will have signatures and Social Security numbers redacted (concealed).

## APPLICANT NOTIFICATION

Once your request has been received and evaluated:

- If your request is not accepted (e.g., due to insufficient fees, insufficient information, etc.), we will return your request to you with a letter explaining what needs to be corrected; or,
- If your request is accepted, we will process the application and mail out a copy of the certificate(s) you requested.

Please allow a few weeks to receive these documents.

## PROCESSING TIMES

To check current processing times for certified copies of birth certificates, visit our website:

<http://www.cdph.ca.gov/certlic/birthdeathmar/Pages/ProcessingTimes.aspx>

If you need your copy sooner, please refer to the enclosed list of county recorder's offices to contact the county where the event occurred. Because of the large volume of requests we process at the state level, the county offices can usually provide a faster processing time.

All applications and written inquiries should be mailed to:

**California Department of Public Health

P.O. Box 997410  
Sacramento, CA 95899-7410**

**Confidential Information on Birth Record:** some individuals have special needs for a birth certificate that contains the confidential information provided at the time the birth record was prepared. This confidential information may be used to establish ethnicity, to provide health background, or for other personal reasons. For information on how to obtain a birth certificate containing the confidential information, please refer to the **Birth Record** section of our website at: [www.cdph.ca.gov](http://www.cdph.ca.gov).
