

Happy May everyone! We are quickly becoming the hottest ticket in town, and with all the newly added activities, it is getting very difficult to fit everything into the monthly calendar. Going forward, our monthly calendar will FOCUS ON ALL NEW & SPECIAL EVENTS FIRST..... Then, we will fill in where necessary. PLEASE GET USED TO CHECKING HERE OR IN YOUR COMMUNITY GUIDE FOR DAILY ACTIVITY TIMES THAT GENERALLY REMAIN THE SAME. Of course, we are here for you, so if you have any questions feel free to stop in to our beautiful new space and/or call with questions.

KEEP IN MIND that for some days, there will be variability as we are working to accommodate all of our senior's activity requests. WE CANNOT ASSUME that there is "open" space if things were not previously scheduled. As mentioned, please check the front desk with questions or for confirmation of availability.

ALSO.... You asked, and we delivered, so don't forget to utilize our beautiful Billiards and Fitness Room.

We are a very busy place and our goal is to do our very best for ALL SENIORS, but we are and will continue to be a work in progress, so bear with us! We are so fortunate to have such a lovely space in which we can join together as friends and share all that life has to offer. Thanks for being a part of our very large family!
