STREETSBORO POLICE DEPARTMENT

EXECUTIVE SUMMARY

"The police are the public and the public are the police; the police being only members of the public who are paid to give full time attention to duties which are incumbent on every citizen in the interests of community welfare and existence."

- Robert Peel

In 2012, the Streetsboro Police Department welcomed aboard three (3) new members to our team throughout the year to fill existing vacancies. Officer John "Art" Milner, Officer Michael Graham, and Officer Gene Larson were hired to fill existing vacancies within the Patrol division. Additionally, long serving Administrative Assistant Darla Beck retired in 2012 after over 31 years of service to our department.

In 2012 our department leveraged grant opportunities to enhance our operational capability. Due to the efforts of Officer Scott Hermon and Lt. Darin Powers, in January the Streetsboro Police Department was awarded a \$10,000 *JAG-LE Grant* through the Office of Criminal Justice Services. This grant allowed our department to upgrade vital server equipment to run our agency records management system and computer aided dispatching programs. In May, our department was awarded a *Drug Use Prevention Grant* from the state of Ohio in the amount \$9,060. In September, our department was awarded a *Target & Blue* grant in the amount of \$1,500 from Target Corp. to upgrade our training room.

In that same technology vein, our department also enhanced our cruiser mobile laptop computer systems by implementing the final phase of a capital improvement project. In January 2012, we updated the remaining four (4) cruiser MDT systems with modernized and improved hardware, completing the 2-year capital project.

In July, as approved by city council, our department took delivery of two (3) new marked Ford Interceptor cruisers as part of our annual cruiser rotation system. This rotation system has allowed the cruiser fleet to remain up-to-date without falling into disrepair and significant down time. The cruiser fleet is a direct reflection not only on our police department, but our entire community, and as such, the members of the department take great pride in having a cruiser fleet that presents a professional image to the public.

In August, our department undertook an upgrade project to our communications system console in dispatch. The original communications system installed when the police facility was being constructed in 1998 had become obsolete over time, and increasingly difficult and costly to repair. We were able to utilize \$70,000 from state wireless 911 funds to upgrade our communications system to move to a software based communications platform. As a result, this improved technology will carry our department forward for many years.

STREETSBORO POLICE DEPARTMENT

From a community policing and community engagement perspective, we introduced a new initiative to engage our community with a *Citizen Police Academy Program* in 2012. Coordinated by Sgt. Richard Polivka and Sgt. Tricia Wain, we invited nineteen (19) of our residents to go "*behind the scenes*" in this 10-week program to learn more about their local police department, our day-to-day operations, and our staff. The program was a valuable learning experience that earned very positive feedback from all of our attendees.

In addition, in 2012 we also introduced *Senior S.A.F.E. (Senior Awareness for Everyone)*. Coordinated by Dispatcher Linda Leanza and Sgt. Troy Beaver in conjunction with the Streetsboro Senior Center, the program created an informational database to interface with our computer aided dispatch system for enrolled seniors, allowing emergency first responders to obtain vital information on that senior. The *S.A.F.E.* program also allowed over twenty (20) Guardian Life Alert 911 units to be obtained at a discounted cost for seniors and placed out in the community, allowing push button access to emergency services.

Calls for service in 2012 remained relatively unchanged in comparison to 2011. Part I serious crime saw a decrease in 2012 of just under 18% in comparison to 2011, with the reduction due to declines in the areas of theft, burglary and stolen autos. Overall, for 2012 Part I crimes reflected at the second lowest level in the past 5-year period. Criminal arrest activity remained relatively unchanged in comparison to 2011 as well - SPD Officers initiated 568 misdemeanor complaints, 83 felony complaints, and made arrests on 248 active warrants throughout the year.

As we proceed into 2013 we will be hiring a new Dispatcher to fill the void left in Communications when Sharon Gumm took over as the department's new Administrative Assistant. Additionally, as of the time of this report, a re-structuring of the police department's organization is being examined to account for the growth and change that has taken place within the department over the last 13 years. The driving force behind that is to make the agency more efficient operationally while allowing for further professional development within the organization.

The men and women of the Streetsboro Police Department appreciate the cooperation and support of our community, and we strive to serve our community with integrity.

Respectfully submitted,

Chief R.E. Mosley III

SPD CORE VALUES & MISSION STATEMENT

OUR MISSION

It shall be the mission of the Streetsboro Police Department to enhance the quality of life in our community by cooperatively working with those people to uphold the Constitution of the United States of America.

We will strive to ensure peace and security by providing a professional police service to all. We are committed to providing a service which safeguards our community through the relentless prosecution of criminals.

We will take pride in ourselves, our profession and our community. We will strive to be exemplary by demonstrating the highest standards of moral and ethical conduct.

OUR VALUES

ACCOUNTABILITY: We are responsible and dependable people who are accountable for everything we do, to each other as well as to the citizens of Streetsboro.

CITIZENSHIP: We pledge ourselves to preserving the public trust, obeying the law, and enforcing the law while respecting and protecting the rights of all citizens.

COMMUNICATION: We are committed to open and honest communication among ourselves and with the community. We respect and speak positively of our fellow employees.

COOPERATION: We recognize the importance of cooperation and teamwork within our department as well as with other departments and our community; cooperation will enable us to achieve common goals.

COURTESY: We are courteous and respectful in official dealings with the public, fellow employees, superiors and subordinates.

INTEGRITY: Our success depends on the trust and confidence of the citizens that we serve; we are honest and exhibit behavior that is beyond reproach and reflects the integrity of police professionals.

PROFESSIONALISM: We recognize that our community is entitled to professional, effective and efficient law enforcement services; we strive for excellence in our agency to make it more effective and responsive to the needs of the community.

STREETSBORO POLICE DEPARTMENT

PATROL DIVISION

Patrol is the largest Division of the Streetsboro Police Department and is the “backbone” of the agency. Its primary responsibility is responding to calls for service from the community. These can range from neighborhood disputes, domestic violence incidents and traffic accidents, to burglaries and other criminal investigations.

As the first responder to criminal complaints, patrol officers are responsible for seeing to the medical needs of anyone involved, interviewing witnesses, recognizing and preserving evidence, determining whether, in fact, a crime has been committed, and identifying and ultimately arresting those responsible.

Officers of the Patrol Division are also expected to provide proactive services such as traffic enforcement, crime detection and suppression, conducting business and property checks, and initiating contacts with our community members to further and enhance the department’s interaction and partnership with the community.

Officers assigned to the Patrol Division are divided into three shifts. Three patrol squads working 8-hour shifts are responsible for 24-hour street coverage, seven days a week. Each shift is supervised by a Sergeant and has 5-6 Patrol Officers assigned.

Field Training Officers (FTO’s):

All police officers hired by the Streetsboro Police Department must have attended and successfully completed a state of Ohio certified peace officer training academy. Officers hired by our department must have a current peace officer certificate in hand at the time of hire in order to be eligible for employment.

The FTO program is an additional eight (8) weeks of intensive training and evaluation where the probationary officer is paired up with an experienced officer. The FTO officer has been carefully selected and trained/certified as a Field Training Officer (FTO) through certification training provided by the Ohio Peace Officer Training Academy. The goal of the FTO program to prepare and develop probationary officers to act efficiently, effectively and safely in a solo patrol capacity.

The following SPD Officers are designated and certified as FTO’s:

Sgt. Troy Beaver (FTO Coordinator)
Sgt. Tricia Wain
Sgt. Andrew Suvada
Ptl. Joseph Smolic
Sgt. Richard Polivka

Ptl. Jason Sackett
Ptl. Michael Cipriano
Ptl. Jon Hurley
Ptl. Scott Hermon

STREETSBORO POLICE DEPARTMENT

SPECIALTY UNITS-ASSIGNMENTS

SCHOOL RESOURCE OFFICER (SRO)

The School Resource Officer (SRO) Program is a collaborative effort with the Streetsboro School District. When this position is staffed, one (1) SPD Patrol Officer is assigned as a School Resource Officer. The SRO is primarily assigned to Streetsboro High School, but may assist in the other school buildings as needed. Operationally, the SRO reports to the day shift Patrol Sergeant.

The School Resource Officer Program has two main components. The first is designed to enhance the relationship between the school district, its students, teachers/administrators and the Streetsboro Police Department. The daily communication between police and school officials prevents many problems and mitigates existing problems for both the school and the police. The second component is to provide training and instruction in the school as needed, and informal counseling to students, staff and parents.

Officer Jason Fogleman was assigned as the SRO in 2012.

Note:

The SRO is re-assigned to Patrol functions during the summer months.

DARE PROGRAM

The Streetsboro Police Department has conducted the DARE (Drug Abuse Resistance and Education) Program in the Streetsboro Schools since 1992. Officer Jason Fogleman was assigned as the new DARE Officer in 2012, taking over from long time DARE Officer James Wagner. This a *"hybrid"* role, as the DARE Officer also serves as our School Resource Officer (SRO) when not involved in DARE instruction.

To date, over 2,950 Streetsboro students have gone through the Streetsboro Police Department's DARE Program, which is presently taught to 5th grade students at Deer Elementary School.

STREETSBORO POLICE DEPARTMENT

This program is approximately twelve (12) weeks long. A DARE certified police officer visits assigned classes each week and teaches a prescribed course curriculum regarding drugs, alcohol and peer pressure.

In 2012 approximately **150** 5th grade students at Defer Elementary School graduated through our DARE Program.

K-9 TEAM

Officer Aaron Coates is presently the K-9 Handler for the Streetsboro Police Department. Officer Coates was selected for this assignment in 2009 and works with his partner "Bo," a Belgian Malinois. As part of the assignment as a K-9 Handler, weekly training is required to keep both the officer and the animal proficient in several areas.

Ptl. Coates & Bo train weekly with a cooperative regional training group consisting of several area police agencies known as B.A.R.K (Buckeye Area Regional K-9).

B.A.R.K & other activities our K-9 Team participated in during 2012:

February 2012

At Maplewood JVS to judge high school forensic team competition with schools in the tri-county area.

April 2012

STREETSBORO POLICE DEPARTMENT

PORTAGE COUNTY DRUG TASK FORCE

Under the direction of the Portage County Sheriff, this multi-jurisdictional team investigates and apprehends offenders involved in the trafficking, distribution, and possession of illegal drugs within the communities of participating agencies. Membership includes the Portage County Sheriffs Office, the Portage County Prosecutors Office, Kent Police Department, Aurora Police Department, Ravenna Police Department, Garrettsville Police Department, Windham Police Department, and the Streetsboro Police Department. Each agency dedicates one full-time Officer to the Task Force.

METRO SWAT

This highly trained, professional multi-jurisdictional special weapons team responds to incidents within the jurisdictions of participating communities that require special weapons and tactics to deal with riotous activity, large crowd control, barricaded suspects, execution of high risk warrants, arrest of dangerous felons, and the rescue of hostages or endangered persons. The organization is comprised of twenty (20) Summit/Portage County law enforcement agencies. The Metro SWAT governing Board of Directors is made up of police chiefs from participating agencies.

There are three (3) Streetsboro Officers assigned part-time to the team in the capacity of tactical operators and hostage negotiators: Sgt. Tricia Wain, Det. James Wagner and Officer Justin Leidel.

Metro SWAT responded to two (2) call-outs to Streetsboro in 2012.

LAW ENFORCEMENT STATE HOMELAND SECURITY PROGRAM

This program is run out of the Office of Homeland Security in Columbus. Officers from participating local law enforcement agencies across the state are designated as TLO's (Terrorism Liaison Officers), and are trained in how to recognize, report and react to suspicious activity. The TLO's are given the opportunity to network with other departments to solve mutual problems and receive access to information exchange with the Strategic Analysis and Information Fusion Center (SAIC) in Columbus.

One Streetsboro Officer is assigned part-time to this function, which consists of quarterly TLO meetings and training sessions.

STREETSBORO POLICE DEPARTMENT

COMMUNICATIONS

The Streetsboro Police Department Communications Center is staffed 24 hours a day, seven days a week, by full time Communications Operators. They are the initial point of contact for a majority of the public requiring police services. They are an extremely vital component in delivering effective police services to the community and their dedication and importance cannot be overlooked. Often times they are required to maintain a reassuring and calming demeanor in the face of extraordinary circumstances in order to assist the caller and the police officer responding to an emergency. Examples of the types of training our Communications members receive includes: Emergency Medical Dispatch, Advanced Law Enforcement Dispatch, Advanced Fire Service Dispatch, Domestic Violence Dispatch, Suicide Prevention, and Active Shooter Response for Dispatch.

Some of the examples of work performed include:

- Receive and respond to telephone requests for emergency services
- In response to medical emergencies, provide First Aid or CPR instructions to stabilize the medical condition of persons until the arrival of medical assistance.
- Relay all vital information to responding police officers & fire personnel
- Utilize radio, telephone, and CAD equipment to dispatch specific law enforcement, fire department or medical units to the scene of an emergency.
- Refer non-emergency situations to the appropriate public or private agencies
- Make data entries into the police department's computer systems as well as various systems databases such as the National Crime Information Center (NCIC) and the state of Ohio LEADS (Law Enforcement Automated Data System).

The Streetsboro Police Department employs seven (7) full time Communication Operators: 2 assigned to Day shift, 2 assigned to Afternoon shift, 1 assigned to Midnight shift, and 2 assigned as "swing" that generally work a combination of afternoon shifts and/or midnight shifts.

Streetsboro Police Department Communications Operators handled the following for 2012:

	<u>2011</u>	<u>2012</u>	<u>Change</u>
911 Calls Processed	2,148	2,274	+126

INTERNAL AFFAIRS

The Streetsboro Police Department is committed to providing law enforcement services that are fair, effective, and impartially applied. Toward that end, members are held to high standards of official conduct and are expected to respect the rights of all citizens. Officer adherence to these standards, motivated by a moral and professional obligation to perform their job to the best of their ability, is the objective of this agency. The effectiveness of a law enforcement agency is dependent upon approval and acceptance of police authority. The department must be responsive to the community by providing transparent formal procedures for the processing of complaints from the public regarding individual member performance.

The purpose of the Internal Affairs Policy is to improve the quality of law enforcement services. Citizen confidence in the integrity of the police department increases through the establishment of transparent complaint procedures. The confidence engenders community support for the police department and improves the relationship between police and the citizens they serve by facilitating cooperation vital to the department's ability to achieve its goals.

Personnel Complaints:

In 2012, our department received the following personnel complaints:

On 2/27/12 a telephone complaint was received regarding cruiser speed responding to a call. It was determined the speed was justified based upon the circumstances of the call requiring emergency response. Finding: Exonerated.

On 7/14/12 a complaint was received regarding off duty conduct of a member. Finding: Unfounded.

On 10/23/12 a complaint was received alleging improper handling/processing of a person in custody. Finding: Sustained.

On 11/12/12 a complaint was received alleging unprofessional conduct on the part of an officer during a call for service. Finding: Unfounded.

STREETSBORO POLICE DEPARTMENT

TRAINING & EDUCATION

Training is an integral part of establishing high professional standards within all organizations. The Streetsboro Police Department strives to provide quality training within financial constraints for all components of the organization. This is accomplished through internal (in-service) and external training resources to provide advanced training and career development opportunities, as well as specialized training.

External Training:

Outside training needs are met by sending SPD personnel to specialized training seminars and workshops. Training needs are reviewed and determined for all components of the organization. The primary components are: 1) Management/Supervision, 2) Investigations, 3) Records/Communications, and 4) Patrol.

Training was received in the following areas by SPD members in 2012:
