

Greetings from the Streetsboro Parks & Recreation Department!

2021 will mark the 20th year the nation and the world experienced the tragic events of the 9/11 attack. In the aftermath of those events, the nation lifted each other up with hope, resilience and unity. Twenty years later these lessons are more important than ever.

On Saturday, September 11, 2021 the City of Streetsboro will offer a 9.11 mile Remembrance Run in honor of the 20th anniversary . The run will act as a fundraiser for our local Streetsboro Police and Fire Associations. All monies raised (minus expenses) will be divided between these two groups for their continued dedication to the City of Streetsboro.

We are offering local businesses and organizations the opportunity to participate and sponsor this once in a lifetime event. We have a number of sponsorship opportunities available. I have included a participation form and sponsorship information located on the back, detailing the benefits of each sponsorship level.

Please consider joining the Streetsboro Police Department, Fire Department, Service Department and the Parks & Recreation Department by becoming a sponsor of the 9.11 Remembrance Run.

For more information, please contact the Parks & Recreation Department at 330-626-3802.

Sincerely,  
Greg Mytinger  
Parks & Recreation Director  
Office: 330-626-3802
