Contact: Streetsboro Parks & Recreation with question

For residents dropping off large items - please note we will have equipment and operator available at the Streetsboro Service Department to assist with large item removal from your vehicles.

\*Refrigerators, freezers, air conditioners, humidifiers, dehumidifiers and water coolers are among the types of household appliances that contain Freon. Please be aware that any item containing Freon must have the Freon removed and tagged by a certified technician PRIOR to DROP OFF.

DO NOT DUMP ITEMS INCLUDE:

cement, hazardous materials, batteries, gas tanks, propane tanks, or liquids.
