## Happy 200th Birthday Streetsboro!

Between you and me, Streetsboro is looking good for being 200 years old! So much has changed just within the past 50 years. In honor of this milestone, the City and Bicentennial Committee will be offering special events to help celebrate this monumental moment.

### Upcoming Bicentennial Events will include:

- Pancake Breakfast April 2022
- Bicentennial Fishing Derby: May 2022
- Bicentennial Celebration: August 20 – 21, 2022
- Bicentennial Run: September 2022
- Old Time baseball game at City Parks: October 2022

Along with helping plan our special Bicentennial year, the department has taken on the construction project of installing 2 sand volleyball courts in City Park. Once completed the courts will boost adjustable net heights, lights for evening play, and an officials stand. The lights will be on a timer and will allow players the opportunity to play until 10:00pm.

Adult outdoor sand volleyball leagues are expected to be announced the Spring of 2022. Interested playing? Contact the office to get your name/team on the list.

Once again, I would like to thank the community for all the support for the Parks & Recreation Department.

See you in the Parks!  
Greg Mytinger

**Mission Statement:** The City of Streetsboro Parks & Recreation Department is dedicated towards a standard of excellence while meeting the recreational needs of its community through quality services, innovative programs and recreational facilities to ensure the opportunity for high quality leisure experiences for generations to come.

**Photo Release:** Photographs taken at any program or facility of SPRD can and may be used for promotional purposes.

**Registration Reminder:** SPRD can not take payment over the phone or hold a registration space without payment. Registration is available online at [www.cityofstreetsboro.com](http://www.cityofstreetsboro.com), in person or by mail.

**In Person:** SPRD office is located at 9307 State Route 43, Streetsboro.

**By Mail:** Completed registration forms can be mailed with full payment, check or money order, to 9184 State Route 43, Streetsboro, OH 44241. Make checks payable to: The City of Streetsboro.

**Online:** You can register online at [www.cityofstreetsboro.com](http://www.cityofstreetsboro.com) (for select programs). An additional \$1 convenience fee will be added.

**Cancellations:** SPRD reserves the right to cancel any class or program that does not meet the minimum required participants. If your class is cancelled, we will notify you by phone. You may transfer to another class or program, receive a credit for a later class or program, or receive a refund. Program dates and times are subject to change on short notice.

**Refund Policy:** Refunds will be granted if request is made 5 working days in advance of the first program date. A \$5 administrative fee will be withheld. Refunds will not be granted once a program begins. Acceptable exceptions are an injury that prohibits participant's involvement or a doctor's statement of participant's inability to participate. Please allow 3-4 weeks for refund by mail. Refunds or credits will be given for classes cancelled by SPRD.

Programs cancelled by the Streetsboro Senior Center you will receive a full refund of program fees. If you must cancel for any reason including illness, please give at least 7 days notice prior to the program date. Refunds will be given only if no expenses/ticket purchases have occurred. Approved refunds will be applied as a program credit for future programs. If a refund check is requested, there will be a \$5 processing fee. Any cancellations within 7 days of the program will not receive a credit or refund. You are welcome to have someone take your place.

**Deadline Policy/Fee:** If a program is registered for after the noted deadline, SPRD reserves the right to add a fee. If there are not enough participants registered by the noted program deadline, SPRD reserves the right to cancel the program. Please contact SPRD for applicable fee amounts.

**Errors and Mistakes:** Although our staff works hard to ensure each program guide is free from mistakes, there are moments when errors in dates, times, rates or registration information occurs. We will do everything possible to make corrections, and we thank you for your understanding when these situations arise.

- 1798** Titus Street receives deed for land in the township from the Connecticut Land Company. Streetsborough--as it was originally called until sometime when the 'ugh' was dropped -received its name from Titus Street, who was originally from New Haven, Conn. held the original deed to the 15,279 acres that made up the township.
- 1821** First extensive surveying of land. Divided into 100 tracts which is sold for \$2.00 to \$6.00 per acre. All major roads were planned at this time.
- 1822** Stephen Myers constructs cabin, establishing first settlement.
- 1825** First frame house erected in Streetsboro by Daniel Johnson. Titus Street donates 840 acres of his land for a turnpike from Cleveland to Wellsville. Land was also donated for a town square and a cemetery. The turnpike is now known as State Route 14.
- 1826** The oldest frame home, the Singletary House began construction in 1826 and completed in 1828 is still standing. Originally located on the NW corner of town square, served for many years as a tavern and stage coach inn on the turnpike, relocated to the Defer property in 1971 and has since been moved to Singletary Drive, now home to the Streetsboro Heritage Foundation.

- 1826** First school in Streetsboro Township was built at Johnson's Corners (corner of old S.R. 14 and Aurora- Hudson Rd.) in 1826. It was a slab school house and eight students attended the school. At age 18, Clarinda Case became the first school teacher. It was located in northwest corner of township.
- 1827** The township of Streetsboro is officially organized. Last township in county to do so.
- 1851** The famous Old Methodist Church was designed and constructed. Many years later, the steeple is destroyed by a tornado in 1956. The church was moved to Hale Farm and Village (Bath, OH) in 1973 and has been restored.
- 1890** The primary industry in Streetsboro during the 1800's was Dairying. This was done on local farms and by the mid-1890's the Streetsboro Creamery Co. was established - and built it's factory, shipping a large portion of its milk to Cleveland, Ohio. Along with Streetsboro's dairy industry, cheese factories were established throughout Streetsboro township and by 1885 the township had five factories up and running. A main purchaser of Streetsboro's dairy was The Feeder Dam Factory, owned by C.R. Doolittle which was located just over the Shalersville border and much of the cheeses produced by them would be shipped to New York.
- 1922** Streetsboro celebrates its 100 year Centennial.

## Economic News for Streetsboro

The City of Streetsboro has recently welcomed two new international companies. Gebhardt International has announced that they plan to take over the space formerly occupied by Ferguson HVAC Supply (10040 Aurora Hudson Road). The company, based in Germany, is a manufacturer of intralogistics components and will create 60 – 80 jobs. Moffett, a subsidiary of Hiab, will be relocating a portion of its manufacturing from Ireland to Streetsboro and will share space with Waltco at 1777 Miller Parkway. Moffett makes three wheeled forklifts that attach directly to the underbed of a semi-tractor trailer. 80 – 100 new jobs will be created.

The Economic Development Department also recently was honored with a national professional award for the deal struck with the Geis Companies for the spec building on SR 43. The deal guarantees a minimum payroll of over \$9 million, creates a new scholarship for the students of Streetsboro and new revenue for the schools with 25% of the abated tax returning to the administration. It should be noted, that often people think that abatement reduces school's revenue but a majority of their funding comes from levies which are designed to collect a set dollar amount and abatement does not materially affect this. The award also factored in the creation of a new park, over \$50k for the park system, and a \$10k donation for our upcoming bicentennial. The Director will attend the forum in Chicago this December to receive the award and interact with new deal sources to hopefully bring back even more jobs to our community.

## Streetsboro Building Department Updates

Dear Residents of the City of Streetsboro,

The City of Streetsboro Building Department was established in 1993 to assist with massive development taking place in the City. The purpose of the Building Department is to oversee both commercial and residential construction. The City requires that all contractors and subcontractors performing work in the City be registered. Furthermore, in addition to being registered, most projects being performed in the City will require a permit, whether it be Building, HVAC, Electrical, or Plumbing.

Due to the number of calls that the Building Department has been receiving in the recent months concerning building projects that have been incomplete or completed defectively, we are issuing this letter as a helpful guide. If a contractor is not registered and a permit is not pulled, the Building Department is left not being able to assist the homeowners.

Upon investigation of these calls, the common issue seems to be that a permit was not obtained for the work, and/or, the contractor is not registered within the City of Streetsboro to perform such work.

Residents hiring contractors to complete work on their property are encouraged to visit [www.cityofstreetsboro.com](http://www.cityofstreetsboro.com), click on building, click on applications, click on citizenserve, click on reports. All registered contractors within the City of Streetsboro will be listed.

This information is also available on our website, [www.cityofstreetsboro.com](http://www.cityofstreetsboro.com), click on Building Department.

Please do not hesitate to call the department if you are unsure, 330-626-6069.

Residential Building Official

## Streetsboro Fire Department

### Put A Freeze On Winter Fires:

Half of all home heating fires occur in December, January and February and are responsible for about 20% of all home fire deaths. Keep your family safe all winter by following these simple steps:

- Keep at least 3-foot clearance between heat producing appliances and anything that can burn.
- Only use portable generators outside, away from windows, and as far away from the home as possible. Only use the generator in accordance with manufacturers specifications.
- Install carbon monoxide alarms and test them at least monthly.
- If you have a fireplace, have a professional clean and inspect your chimney yearly, and store cooled ashes in a tightly covered metal container outside, at least 10 feet from the home.

### Winter Weather Safety

This winter remain prepared by staying up on the latest weather

forecast. When winter weather strikes, only travel when necessary and give yourself additional time to travel.

When working outside during the winter, make sure you stay warm from head to toe to avoid hypothermia. Signs of hypothermia can include confusion, shivering, difficulty speaking, sleepiness, and stiff muscles. Take regular work breaks and warm up indoors. If you think you or someone you're with is experiencing hypothermia, call 9-1-1 immediately.

### What To Do in '22?

Before an emergency or disaster occurs is the time to plan. Your family may not be together if disaster strikes.

Start your year off right by making sure your family has a plan...an emergency plan, that is!

- How will you receive emergency alerts and warnings?
- What is your evacuation plan?
- What is your remote meet up plan / where's the family meeting place out of the area?
- What special needs have to be met and how will you plan for that?
- How can the family stay in touch with each other if communications are interrupted?

Get help putting together your family emergency plan by visiting [www.Ready.gov/plan](http://www.Ready.gov/plan) for more information.

Your Streetsboro Fire Department remains committed to the health, safety, and well-being of our entire community. Call our business line at 330-626-4664 with your questions.

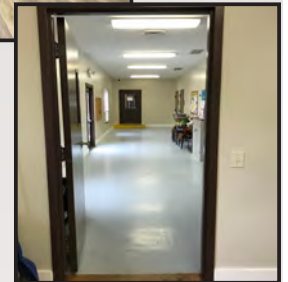

For all emergencies / requests for Fire or EMS service, call 9-1-1.

### Parent Volunteer Coaches Needed!

Streetsboro Parks & Recreation has multiple volunteer opportunities for community members. We are always in search of volunteer coaches, referees, and scorekeepers for youth sports. Volunteers assist us in providing a safe, healthy and positive environment for our youth sports and enrichment programs. We provide all of our volunteers with proper training, such as the NAYS Volunteer Coach and Officials Training Membership Programs. Opportunities are available for parents, students and community members throughout the year. Make a positive impact in the community, contact us today!

### Streetsboro Youth Sports Philosophy & Mission

The sports mission of the Streetsboro Parks & Recreation Department is to offer participants the opportunity to play in youth sports programs and provide a positive athletic experience by fulfilling needs for physical activity, social interaction, fun, and skill development. We are dedicated to the Player Rating System and making teams as BALANCED as possible. Our youth sports teams are formed using a random draft process based on age, grade and experience. A child moving up must have played at least one year in the league they wish to move up from. It never hurts to ask ... special requests, including roster placement and level advancement, will be taken into consideration, but are not guaranteed, since this would take away from the purpose of the drafting system. Thanks for your support.
