The Bicentennial Year

PEOPLE

Greetings,

Here at the City of Streetsboro Parks and Recreation Department, we strive to provide quality events and activities for both the youth and adults in our area. This may come as an active participant or simply as a spectator. Our goal is to provide "Something for Everyone."

This year is particularly important to the City of Streetsboro – being its 200th Birthday and all! The Parks & Recreation Department have been working diligently with the Streetsboro Heritage Foundation and Streetsboro Bicentennial Committee to provide a weekend of celebration for all to attend. We are extremely proud of the progress the City has made and can't wait to spotlight our beautiful community.

Please stay tuned for all the exciting events we have coming up throughout the year! For now, take a peek at pages 7 – 10 and add to your events on your calendars :).

More exciting news I have to share are the developments at the Sand Volleyball courts. The Parks & Recreation Department have been working feverishly to get them completed for the upcoming summer months – and I must say - they are looking every bit of fantastic. On pages 6 and 18 you will find new program that include the use of the Sand Volleyball courts. Take a look!

If you, or organization would like to be a vital part of the Bicentennial Celebration by volunteering your time for some special events, please contact us!

Here's to a happy spring and bright summer!

Thank you!

Greg Mytinger
