

Safety Land

Streetsboro parks & Recreation is looking for students ages 12 & older who are seeking to serve their community! Safety Land Group Leaders assist our participants throughout the program, by leading and supervising small groups of children as they learn about various safety topics.

Safety Land is back in session! Safety Land is a 5-day educational program for children entering Kindergarten. This program teaches children a wide spectrum of safety information, including, fire safety, road safety, internet safety, poison safety, and more! Special guests will include: Streetsboro Fire & Police, Portage County Health Department, MedEvac and many others.

Dates: June 13 - 17

Days: Monday - Friday

Times: 9:00am - 12:00pm

Location: Streetsboro Annex Building
