Reports/Communications from Depts/Boards/Commissions

Chief Reinholz said the Fire Department had not been as busy as usual the last two weeks, which was good; but the hospitals were short staffed which made for long wait times at the hospitals. Wednesday, August 10, 2022 there would be an active shooter table top exercise at the high school with Police, Fire, Service, Mayor, School Board, and Portage County EMA. There had been a successful car wash at the fire station on Saturday, August 6, 2022 for the Cross Country team. Streetsboro Family Days went well; there was only one injury after the fireworks when someone fell and got hurt. The Fire Department was looking forward to the Bicentennial Birthday Bash on August 20 and 21 with the parade and the fireworks that were really going to be spectacular.

Mr. Ring asked about the communication/reports to the hospital during ambulance transports. Chief Reinholz explained how someone on the squad called the hospital to give a report on the patient so the hospital could be prepared when they arrived.

Mr. Mytinger announced the Bicentennial Birthday Bash would be in two weeks and Mike Kuhstos and Sal Ruffo and many others had been working very hard to prepare for this celebration. The 1972 time capsule was unearthed last Thursday, August 4, 2022; a video was posted on Facebook. It will be opened on Sunday, August 21, 2022 at 3 p.m. on the main stage. The Parks and Recreation Program Guide would be mailed out this week. There would also be

a Bicentennial magazine mailed out to all the residents this week. The new pickleball courts were 99% complete and playable; there would be an official ribbon cutting ceremony, demonstrations, and food provided on August 31, 2022 at 5:30 p.m.

Mayor's Report

Mayor Broska reported that the night paving scheduled to start tonight on SR 14 would be delayed because of expected rainstorms. Next week the crews would be working first and second shifts from St. Joan of Arc Church to the old Kmart to try get the SR 14 project completed, including the final pavement coat, this year. Mayor Broska thanked the Council Members that came to the unearthing of the 1972 time capsule; it was an exciting event with about 50-60 people there. There were even about a dozen people there that had been at the 1972 burial of the time capsule. He hoped everyone enjoyed the Bicentennial Birthday Bash on August 20 and 21, 2022. He said there were more than a few people that had devoted an enormous amount of time to the Bicentennial events, especially Sal Ruffo and Mike Kuhstos, and he expected it to be a great party with a great big fireworks show.

President of Council's Comments

Council Members' Comments

Mr. Hannan reported that the Cross Country team had a successful car wash at the fire station last weekend and the firefighters were very helpful. He hoped everyone would have fun at the Bicentennial celebrations in two weeks. He announced school would start next Wednesday, August 17, 2022 and everyone should be cautious of the school buses.

Ms. Wagner said the Bicentennial Parade was coming along well; there were about 61 units signed up to be in the parade. Mr. Lombardo also thanked everyone for all their efforts for the Bicentennial events; there was a lot of time and effort being put into all the events throughout the whole year, but especially for the big celebration on August 20 and 21, 2022. There were some suggestions of items to include in the new time capsule that would be buried on September 17, 2022 at the fire station. Mr. Lampa reported that Mayor Broska would be presented a proclamation for the City of Streetsboro by Gail Pavliga, the state representative for the 75th District of the Ohio House of Representatives, on Saturday, August 20, 2022 at 3 p.m. and asked that all the Council Members be present for that. Mr. Lampa thanked the Streetsboro Family Days organizers for a great event. It was a nice turn-out even though they couldn't have rides this year, and the concerts went well. Mr. Ring also enjoyed Streetsboro Family Days this year and he was amazed at the amount of people that had come to concerts. It made him realize what could be if the City would be able to construct an amphitheater in the park. He thought it was still a great project and hoped the City would be able to afford it soon. Mr. Ring also encouraged everyone to watch out for the school children and school buses starting next week.
