Reports/Communications from Depts/Boards/Commissions

Chief Reinholz said the Spaghetti Dinner with the family that won the raffle at the Paws N' Pals at the Park event was last Saturday night and the family of 5 really enjoyed it. The Fire Department had participated with Berry Plastics and the Police Department for an active shooter exercise. There was some fire safety education at the nursing homes using extinguishers. On Veteran's Day some firefighters were at a nursing home honoring veterans. There had been an arson fire that had damaged about \$100,000 worth of roofing material. The Fire Department also assisted Mantua with a garage fire over the weekend. They were very involved in fall house cleaning of the station.

Chief Wain reported that the officers had solved the arson and identified a suspect. The arson damage was actually about \$150,000 in lost property and damage to the parking lot because of how big the fire got. It took a while to put the fire out. Chief Wain announced the officers would be volunteering at Giant Eagle on Saturday morning for "Fill a Cruiser" to collect food and donations for a local food pantry. The Police Department also caught the vandals that damaged the City Park bathroom; they were all juveniles. The City had well over \$300,000 in damage from juveniles this year.

Mr. Mytinger said present drop off would begin this week for the Santa is Coming to Town program. Santa would be delivering presents on the fire truck on Saturday, December 17, 2022. The Holiday Lighting Ceremony would be on Thursday, December 1, 2022 at 6:15 p.m. at Town Square. Mr. Mytinger thanked the Fire Department for letting the Senior Center have their chili cookoff/lunch-and-learn at the fire station on November 3, 2022. Mr. Mytinger reported that he got second place in the chili cookoff.

Mr. Czekaj said the last construction project of the year, the Twin Hills Waterline project, was wrapping up and replacing driveways, testing the water main, etc. and should be done by Thanksgiving. The center lane striping on the SR 14 project had been completed.

Bill Miller said the leaf pickup trucks were into the subdivisions for the third time and hoped to finish it all before Thanksgiving.

Mayor's Report

Mayor Broska reported that the flagging for traffic on SR 14 should be few and far until next spring. The striping on SR 14 was in its final form and the road was open the whole way. The construction crews were keeping the berm lane closed because they were putting in driveways, but there was still one lane in each direction open. They were still working on sidewalks and driveways, then in the spring they would come back and put on the final pavement coat and do the grass restoration. Hopefully before the SR 43 project started next spring.

Mayor Broska gave kudos to the Police Department and Fire Department for finding the arson suspects.

Happy Thanksgiving! He gave thanks for the Council Members because he and they had been able to work so well together lately and the City was growing and progressing with a great staff.

President of Council's Comments

Mrs. Field was looking forward to the holidays and all the fun activities the Parks and Recreation Department had planned again; they did them so well. She said we all had so much to be thankful for this holiday season.

Council Members' Comments

The Council Members wished everyone Happy Thanksgiving. Ms. Wagner reminded everyone to be careful during the busy holiday season. Mr. Hannan thanked Mayor Broska for his speech at the school Veterans Day assembly. Mr. Hannan also thanked Craig from Parks and Recreation for putting a note on the Public Square sign regarding the Cross Country student athlete that made it to State competition; the student was excited to see his name posted.

Mr. Ring announced the high school marching Rockets would leave for Disney World on Friday to represent Streetsboro and march down Main Street at Disney World.
