Mr. Hannan opened the floor for comments from Council, the administration or the public. There were no comments. Mr. Cieszkowski gave a brief overview of the topic. He said this zoning text amendment was to bring the Zoning Code in line with the Building Code. It would revise the Zoning Code's current three inch maximum fence gap up to a four inch maximum fence gap, so it would be in line with the Building Code.

There being no further business to be addressed during this Public Hearing, and upon motion by Mrs. Field, seconded by Mr. Lampa, this meeting adjourned at 7:08 p.m.
