T-7405 Zoning Text Amendments

Mr. Hannan opened the floor for comments. There were no comments. He asked Mr. Cieszkowski to give a summary of the zoning text amendments.

Mr. Cieszkowski said there were three items addressed in these amendments. 1) fixing the list of districts in the Zoning Code to eliminate those that had been repealed in the past and update them to the current list of accurate districts. 2) to require dumpster enclosures in the City to have four sides of screening; three solid sides and a fully opaque gate. 3) one of the districts permitted offices both by right and conditionally, so there were amendments to fix that issue and to permit offices by right in the B-Business District.

There being no further business to be addressed during this Public Hearing, and upon motion by Mrs. Field, seconded by Mr. Michniak, this meeting adjourned at 7:03 p.m.
