PEOPLE

Greetings,

The Parks and Recreation Department will once again have a successful year in 2023.

The new Streetsboro Community Center is being built, and we couldn't be more thrilled to announce it. The Streetsboro Senior Center and the Parks & Recreation offices will be housed in the new building, which is situated in City Park.

The venue will have a sizable event area that can be divided into three compact event rooms. Along with a billiards room and a multipurpose room, this area will double as a senior center during the day and a community center at night. Numerous activities are offered after school, including fitness and enrichment classes. The new building's construction will begin this summer.

Pickleball, outdoor afternoon music offerings, and sand volleyball leagues will all debut in 2023 for a full year. (Continue to monitor).

The department also wants to thank State Representative Gail Pavliga for helping the city secure funding for the future Floyd North Bicentennial Park on Aurora-Hudson Road. This new park will feature an outdoor fitness station, a walking/jogging path, a fishing pond, and a rentable pavilion. This summer should see the start of the park's construction.

See you in the Parks!
Greg Mytinger

Highlighting Our Seniors

WELCOME ABOARD, TOM!

Tom's career took him to Wisconsin where he lived for many years.

After retirement Tom returned to Ohio and learned about our Senior Center. He enjoys a wide variety of programs and activities offered at the center. Tom plans to participate in even more events and is especially looking forward to upcoming outdoor events.

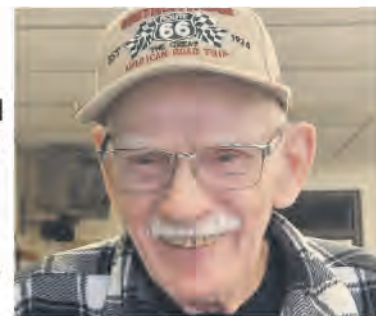

When you see Tom, say hello and welcome him back home. You will find him to be a friendly person just as we do.

Thanks Tom! It's been a pleasure getting to know you!

LONG TIME MEMBER, GEORGE!

Meet George,

George has been coming to the Streetsboro Senior Center for 22 years and always recommends and encourages everyone to join. He says we all need to get off the couch and out of the house. George believes people should not be afraid to try new things as it keeps our mind and body sharp! He especially enjoys Pinochle and Euchre, and has fond memories from some of the Senior Center's Casino and Porthouse trips. He feels the best way to stay up to date on the Senior Center happenings, is to just attend regularly, but his wife finds things out through our local library also. One thing George looks forward to in the new facility is playing billiards again!
